Subject:	Thank You for the Smart Decision on Wind Farm
Date:	Friday, November 22, 2019 10:18:33 AM

Dear Humboldt Planning Commission,

Than you for coming to the correct decision on saying no to the Wind Farm in Scotia. Bear and Monument Ridges are not your typical Wind Farm location, and should not be treated as such. Let's focus on offshore wind development, not scar one of Humboldt's most prominent gateway landscapes. Thank you wholeheartedly from this Humboldt resident and his family.
