The Library is requesting multiple changes in the scheduled visits by the bookmobile effective March 1, 2015 (see attachments 2 and 3). The primary changes are three additional days of service. The Library would like to provide a new location to the bookmobile schedule by adding a first Thursday of each month run to the Loleta area. New stops at Loleta Elementary School and the Table Bluff Reservation will be part of this service. The Mattole Valley and Orleans areas will also each get one additional day of service. Currently one run to each of these areas occurs per month. In fiscal year 2009-10 the Library reduced the scheduled stops of the bookmobile in order to reduce expenses. At this time the Library has determined that additional bookmobile stops can be provided and would enhance services to underserved areas of the county.

FINANCIAL IMPACT:

The requested office hours changes for Agriculture, County Administrative Office, District Attorney, and Public Defender have no financial impact. The proposed modifications to the bookmobile schedule are anticipated to cost approximately \$6,500 annually.

The requested action supports the Board's Strategic Framework by providing community-appropriate levels of service and managing resources to ensure sustainability of services.

OTHER AGENCY INVOLVEMENT:

None.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose not to adopt the resolution to change office hours. This alternative is not recommended because the resolution is needed to authorize changes in open hours and bookmobile service.
