Hello Supervisor Wilson,

Thank you very much for letting me know that you are stepping down from the RCEA Board effective immediately.

I am attaching a pre-filled leaving office Form 700 to which I will attach the schedules from the annual filing you submitted two months ago. Please print, sign and return the cover sheet to RCEA offices at your earliest convenience.

Thank you for your support of and work on behalf of RCEA. Your informed contributions to our meetings will be sorely missed.

Best Regards,

Matthew,

Please accept this email as my resignation from the RCEA board as the County of Humboldt representative effective immediately. As you know, I have numerous boards and commissions, some statewide, that consume a significant amount of time. This is getting more so as we move back to in person meetings. This combined with family obligations has forced me to pull back a bit so that I can be more present and committed to the obligations I must and can keep.

I trust my alternate, Supervisor Bohn, will do a great job of stepping up as needed and I expect the BOS to fill this vacancy at or after our April 12<sup>th</sup> meeting.

As you know I really enjoyed being on the RCEA board. I believe in the mission and the staff is amazing. Really the best. However, something had to give and based on scheduling and time commitment this was commitment I needed to let go. I hope you understand.

Thanks again for your leadership for the organization and the community.

With respect,

Mike Wilson P.E.
