DISCUSSION:

At 3:30 AM, Friday June 16th 2017 a fire broke out in an RV parked overnight in downtown Garberville. The RV was quickly, completely engulfed by flames and destroyed and the fire spread to the nearby Presbyterian Church, which was severely damaged. The fire also caused minor damage to nearby businesses and, were it not for the swift response of local firefighters, could have caused catastrophic damage to the busy downtown area.

This is a serious public safety issue and discussion on potential solutions or regulations are needed to prevent similar or worse incidents.
