

**RESOLUTION OF THE PLANNING COMMISSION
OF THE COUNTY OF HUMBOLDT**

Resolution Number: 25-029

Record Number: PLN-2025-19201

Assessor's Parcel Number: 015-081-008

Resolution by the Planning Commission of the County of Humboldt certifying compliance with the California Environmental Quality Act and conditionally approving a two year minor subdivision and Coastal Development Permit extension.

WHEREAS, Clifford and Sally Friedley submitted an application and evidence in support of approving a two-year extension to a previously approved minor subdivision and Coastal Development Permit (original application PLN-2022-17910); and

WHEREAS, the Humboldt County Planning and Building Department as the Lead Agency has found that the project qualifies for exemptions found in Section 15315 (Minor Land Divisions) of the California Environmental Quality Act; and

WHEREAS, the Humboldt County Planning Commission held a duly-noticed public hearing on **May 15, 2025**, and reviewed, considered, and discussed the application for a two-year extension of the previously approved Coastal Development Permit and reviewed and considered all evidence and testimony presented at the hearing.

Now, THEREFORE BE IT RESOLVED, that the Planning Commission makes all the following findings:

- 1. FINDING:** **Project Description:** A two-year Coastal Development Permit extension for a minor subdivision previously approved March 15, 2023 (PLN-2022-17910). No changes to the project are proposed. If approved, the extension will expire on March 15, 2027. The approved minor subdivision is for an approximately 12,600 square foot parcel, dividing it into two parcels: Parcel One would be 7,346 square feet and Parcel Two would be 5,266 square feet. The existing parcel is developed with a single-family residence and garage, which will remain on proposed Parcel One. The existing parcel is served with community water and sewer by Humboldt Community Services District.

EVIDENCE: a) Project File: PLN-2025-19201 and PLN-2022-17910.

2. FINDING: **CEQA:** The project complies with the requirements of the California Environmental Quality Act (CEQA).

EVIDENCE: a) As Lead Agency, the County of Humboldt determined the project is exempt per CEQA Section 15315 (minor land divisions). The CEQA exemption Section 15315 covers the project as it is the division of an existing legal lot in an urbanized, residentially zoned area into two parcels consistent with the General Plan and zoning. No exceptions are required, and urban services are in place. The site can be developed to local standards and the parcel has not been involved in a larger division in the last two years. The parcel does not have an average slope greater than 20%, which applies to a single residence constructed in a residential zone.

3. FINDING: The project is consistent with the Humboldt Bay Area Plan.

EVIDENCE: a) The property is designated Mixed Residential (R-2) in the Humboldt Bay Area Plan with a minimum parcel size of 5,000 square feet. The minor subdivision would create two parcels, Parcel One 7,346 square feet and Parcel Two 5,266 square feet. The land use and zoning designations have not changed since the project was previously approved. The minor subdivision is consistent with the R-2 Zone District, where single-family residences are a principally permitted use. The area is extensively developed into single- and multi-family units with existing public services.

4. FINDING: All other standards and requirements to which the project is subject and as administered by other departments or agencies have not changed.

EVIDENCE: a) The project was referred to all applicable departments and state agencies and all either did not respond or responded with recommendations for approval of the extension. There is no evidence indicating that any applicable standards or requirements have changed in any manner which would impact the ability to carry out the project.

DECISION

NOW, THEREFORE, based on the above findings and evidence, the Humboldt County Planning Commission does hereby:

- Adopt the findings set forth in this resolution; and
- Approves the Friedley minor subdivision and Coastal Development Permit two-year Extension (Record No. PLN-2025-19201).

Adopted after review and consideration of all the evidence on **May 15, 2025**.

The motion was made by COMMISSIONER SARAH WEST and seconded by COMMISSIONER THOMAS MULDER and the following vote:

AYES: Commissioners: Sarah West, Thomas Mulder, Peggy O'Neill, Noah Levy, Iver Skavdal, Lorna McFarlane

NOES: Commissioners:

ABSTAIN: Commissioners:

ABSENT: Commissioners: Jerome Qiriazhi

DECISION: Motion carried 6/0

I, John H. Ford, Secretary to the Planning Commission of the County of Humboldt, do hereby certify the foregoing to be a true and correct record of the action taken on the above-entitled matter by said Commission at a meeting held on the date noted above.

John H. Ford, Director
Planning and Building Department

**RESOLUTION OF THE PLANNING COMMISSION
OF THE COUNTY OF HUMBOLDT**

Resolution Number 23-013

**PROJECT NUMBER PLN-2022-17910
ASSESSOR PARCEL NUMBER 015-081-008**

**MAKING THE REQUIRED FINDINGS FOR CERTIFYING COMPLIANCE WITH
THE CALIFORNIA ENVIRONMENTAL QUALITY ACT AND CONDITIONALLY
APPROVING THE FRIEDLEY MINOR SUBDIVISION AND COASTAL
DEVELOPMENT PERMIT**

WHEREAS, the owner submitted an application and evidence in support of approving the Minor Subdivision and Coastal Development Permit for a subdivision of one parcel into two; and

WHEREAS, the County Planning Division has reviewed the submitted application and evidence and has referred the application and evidence to involved reviewing agencies for site inspections, comments and recommendations; and

WHEREAS, the Planning Division as the Lead Agency has determined that the project qualifies for a categorical exemption found in Section 15315 (Minor Land Divisions) of the CEQA Guidelines; and

WHEREAS, a public notice was sent via mail to all owners and occupants of property within 300 feet of the boundaries of the project; and

WHEREAS, on January 19, 2023, a public hearing was held before the Humboldt County Planning Commission during which the Planning Commission reviewed, considered, and discussed the application and reviewed and considered all evidence and testimony presented at the hearing; and

NOW, THEREFORE, be it resolved, determined, and ordered that the Planning Commission makes the following findings:

PROJECT DESCRIPTION

- 1. FINDING:** A minor subdivision of an approximately 12,600 sf parcel into two parcels of 7,346 sf (Parcel One) and 5,266 sf (Parcel Two). The existing parcel is developed with a single-family residence and garage, which will remain on proposed Parcel One. The existing parcel is served with community water and sewer by Humboldt Community Services District. The parcel is located in the Coastal Zone and a Coastal Development Permit is required.

EVIDENCE: a) Project File: PLN-2022-17910

CEQA

2. FINDING:

CEQA. The requirements of the California Environmental Quality Act have been met. The Humboldt County Planning Commission has considered the project and finds the proposed minor subdivision and coastal development permit, which will allow for construction of a Single-Family Residence is exempt from environmental review pursuant to Sections §15315 (Minor Land Divisions) of the State CEQA Guidelines.

EVIDENCE: a) The Class 15 CEQA exemption (Section 15315) covers the project as it is the division of an existing legal lot in an urbanized, residentially-zoned area into two parcels consistent with the General Plan and zoning, no exceptions are required, and urban services are in place, and the site can be developed to local standards; the parcel has not been involved in a larger division in the last two years, and the parcel does not have an average slope greater than 20%.

b) A project can be disqualified from using a Categorical Exemption if any of the exceptions listed in 15300.2 apply. However, none of these exceptions apply to the proposed project.

SUBDIVISION FINDINGS (Section 66474 of the State Subdivision Map Act and Title III Division 2 of the Humboldt County Code)

3. FINDING:

The creation of two parcels from an existing 12,600 sf parcel conforms with the requirements and standards of the County's subdivision regulations.

EVIDENCE: a) The staff site inspections, referral comments and recommendations all indicate that the proposed subdivision creates lots suitable for their intended uses.

b) The existing residence on the parcel is served water by the Humboldt Community Services District and water and sewer will continue to be served to the same residence and the new residence on Proposed Parcel Two.

FINDINGS APPLICABLE TO ALL PERMITS

4. FINDING:

The proposed development is in conformance with the certified Local Coastal Plan.

EVIDENCE: a) §5.3 3.11 Urban Limit – Humboldt Bay Area Plan (HBAP)

30250. New development, except as otherwise provided in this division, shall be located within, contiguous with, or in close proximity to, existing developed areas able to accommodate it or, where such areas are not able to accommodate it, in other areas with

adequate public services and where it will not have significant adverse effects, either individually or cumulatively, on coastal resources.

The site is zone Mixed Residential (R-2) with a minimum parcel size of 5,000 sf. The minor subdivision into two lots is consistent with the R-2 (Mixed Residential) Zone District, and single-family residential use is a principally permitted use (Humboldt County Zoning Regs Inside the Coastal Zone §163.1.9.7). The area is extensively developed into single- and multi-family units with existing public services.

b) §3.16 Housing – HBAP

30213. Housing opportunities for persons of low and moderate income shall be protected, encouraged, and provided, where feasible. New

housing in the Coastal Zone shall be developed in conformity with the goals, policies, standards, and programs of the Humboldt County Housing Element.

The minor subdivision provides an additional residential parcel that allows for additional housing and which may be more accessible to persons of low and moderate income than is currently available.

c) §4.10 Standards for Plan Designations – HBAP

RM: Residential/Medium Density. Purpose: to make effective use of limited urban land and provide areas for residential use of mobile homes in urban area (as well as duplexes and multiple units), consistent with availability of public services.

The site is designated RM by the Humboldt County General Plan, and the project will create a residential lot that may accommodate a residential unit or units.

5. FINDING:

The proposed project will not be detrimental to the public health, safety, or welfare or materially injurious to properties or improvements in the vicinity.

EVIDENCE: a)

The surrounding area is developed with small lots with residential uses similar to the proposed project. The property is located on a County-maintained road and has existing infrastructure to support the proposed project. The County Department of Public Works has reviewed the minor subdivision and found it to be approvable with conditions. As conditioned, the proposal to divide one parcel into two and develop housing consistent with the R-2 Zone will not result in detrimental impacts to public health, safety, and welfare, or materially injurious to properties or improvements in the vicinity.

6. FINDING: The project does not reduce the residential density for any parcel below that utilized by the Department of Housing and Community Development in determining compliance with housing element law.

EVIDENCE: a) The parcel's General Plan land use designation and zoning allow residential development. The proposed residential development on the property is consistent with the density permitted on the parcel. The project will be consistent with Housing Element law.

DECISION

NOW, THEREFORE, based on the above findings and evidence, the Humboldt County Planning Commission does hereby:

- Adopt the findings set forth in this resolution; and
- Approves the Coastal Development Permit (Record Number; PLN-2022-17910) based on the evidence referenced, described, and provided herein and as well as those materials found within the project record, subject to the attached conditions of approval.

Adopted after review and consideration of all the evidence on **January 19, 2023**

The motion was made by COMMISSIONER Brian Mitchell and second by COMMISSIONER Iver Skavdal and the following ROLL CALL vote:

AYES: COMMISSIONERS: Brian Mitchell, Iver Skavdal, Noah Levy, Peggy, O'Neill,
Thomas Mulder, Melanie McCavour

NOES: COMMISSIONERS:

ABSENT: COMMISSIONERS: Lonyx Landry

ABSTAIN: COMMISSIONERS:

DECISION: Motion Carries 6-1

I, John Ford, Secretary to the Planning Commission of the County of Humboldt, do hereby certify the foregoing to be a true and correct record of the action taken on the above entitled matter by said Commission at a meeting held on the date noted above.

John Ford, Director
Planning and Building Department

ATTACHMENT 1

Conditions of Approval

APPROVAL OF THE MINOR SUBDIVISION AND COASTAL DEVELOPMENT PERMIT ARE CONDITIONED ON THE FOLLOWING TERMS AND REQUIREMENTS WHICH MUST BE FULFILLED BEFORE A BUILDING PERMIT MAY BE ISSUED OR USE INITIATED:

A. Conditions of Approval:

1. All development shall be in accordance with the approved plot plan and project description. Changes to the approved design not in conformance with Section 312-11, Minor Deviations will require a modification to the terms of this permit.
2. The owner(s) is/are responsible for demonstrating that the proposed development complies with applicable provisions of the Fire Safe Regulations, including but not limited to, setbacks for defensible space, driveway width and turnaround areas, siding & roofing materials, and required design features.
3. All taxes to which the property is subject shall be paid in full if payable, or secured if not yet payable, to the satisfaction of the County Tax Collector's Office and all special assessments on the property must be paid or reapportioned to the satisfaction of the affected assessment district. Please contact the Tax Collector's Office approximately three to four weeks prior to filing the parcel or final map to satisfy this condition. This requirement will be administered by the Department of Public Works.
4. The Planning Division requires that two (2) copies of the Parcel Map be submitted for review and approval. Gross and net lot area shall be shown for each parcel.
5. A map revision fee as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors (currently \$116.00 per parcel) as required by the County Assessor shall be paid to the Planning and Building Department, 3015 "H" Street, Eureka. The check shall be made payable to the "Humboldt County Planning Division". The fee is required to cover the Assessor's cost in updating the parcel boundaries.
6. The recommended conditions in the Department of Public Works memo dated October 17, 2022, included herein as Attachment 1C, shall be completed or secured to the satisfaction of that department. Prior to performing any work on the improvements, contact the Land Use Division of the Department of Public Works. Satisfaction of this condition should be provided in writing from the Land Use Division of the Department of Public Works.

B. On-going Requirements/Development Restrictions Which Must be Satisfied for the Life of the Project:

1. Changes to the project, except for Minor Deviations per Section 312-11.1 of the Humboldt County Zoning Regulations, shall require modification of this permit.
2. No development is authorized except which has been approved strictly within the bounds of the Costal Development Permit (PLN-2022-17910).

C. Informational Notes

1. If cultural resources are encountered during construction activities, the contractor on site shall cease all work in the immediate area and within a 50-foot buffer of the discovery location. A qualified archaeologist as well as the appropriate Tribal Historic Preservation Officer(s) are to be contacted to evaluate the discovery and, in consultation with the applicant and lead agency, develop a treatment plan in any instance where significant impacts cannot be avoided.

The Native American Heritage Commission (NAHC) can provide information regarding the appropriate Tribal point(s) of contact for a specific area; the NAHC can be reached at (916) 653-4082. Prehistoric materials may include obsidian or chert flakes, tools, locally darkened midden soils, groundstone artifacts, shellfish or faunal remains, and human burials. If human remains are found, California Health and Safety Code 7050.5 requires that the County Coroner be contacted immediately at (707) 445-7242. If the Coroner determines the remains to be Native American, the NAHC will then be contacted by the Coroner to determine appropriate treatment of the remains pursuant to PRC 5097.98. Violators shall be prosecuted in accordance with PRC Section 5097.99.

2. To minimize costs the applicant is encouraged to bring in written evidence of compliance with all of the items listed as conditions of approval in this Exhibit that are administered by the Planning Division. The applicant should submit the listed item(s) for review **as a package** as early as possible before the desired date for final map checking and recordation. Post application assistance by the Assigned Planner, with prior appointment, will be subject to a Special Services Fee for planning services billed at the County's current burdened hourly rate. Copies of all required forms and written instructions are included in the final approval packet. Each item evidencing compliance except legal documents to be recorded should note in the upper right hand corner:

- a. Assessor's Parcel No . _____. Condition _____.
- b. (Specify) _____ (Specify)

The term of the approved Tentative Map shall be 24 months from the effective date of the action except where otherwise provided by law. An extension may be requested prior to the date in accordance with Section 326-21 and 326-31 of the Humboldt County Code.

The applicant is ultimately responsible for ensuring compliance with this condition.

3. The applicant is responsible for receiving all necessary permits and/or approvals from other state and local agencies.
4. This permit shall expire and become null and void at the expiration of one (1) year after all appeal periods have lapsed (see "Effective Date") except if temporary events have occurred before such anniversary date. The period within which the temporary use must commence may be extended, as provided by Section 312-11.3 of the Humboldt County Code.

LAND USE DIVISION INTEROFFICE MEMORANDUM

TO: Desmond Johnston, Senior Planner

FROM: Robert W. Bronkall, Deputy Director 

RE: SUBDIVISION REQUIREMENTS - IN THE MATTER OF THE
APPLICATION FRIEDLEY, APPLICATION # PLN-2022-17910 PMS, APN
015-081-008, FOR APPROVAL OF A TENTATIVE MAP, CONSISTING OF
0.29 ACRES INTO 2 PARCELS

DATE: 10/17/2022

The following requirements and standards are applicable to this project and must be completed to the specifications and satisfaction of the Department of Public Works (Department) before the subdivision map may be filed with the County Recorder. If there has been a substantial change in the project since the last date shown above, an amended report must be obtained and used in lieu of this report. Prior to commencing the improvements indicated below, please contact the Subdivision Inspector at 445-7205 to schedule a pre-construction conference.

These recommendations are based on the tentative map prepared by Points West Surveying Co. dated July 2022 and dated as received by the Humboldt County Planning Division on September 06, 2022.

NOTE: All correspondence (letters, memos, faxes, construction drawings, reports, studies, etc.) with this Department must include the Assessor Parcel Number (APN) shown above.

READ THE ENTIRE REPORT BEFORE COMMENCING WORK ON THE PROJECT

1.0 MAPPING

- 1.1 EXPIRATION OF TENTATIVE MAP:** Applicant is advised to contact the Planning & Building Department to determine the expiration date of the tentative map and what time extension(s), if any, are applicable to the project. Applicant is responsible for the timely filing of time extension requests to the Planning & Building Department.

Applicant is responsible for completing all of the subdivision requirements prior to expiration of the tentative map. Applicant is advised to promptly address all of the subdivision requirements in order to avoid the tentative map expiring prior to completion of the subdivision requirements. Applicants are encouraged to contact a land development professional for advice on developing a realistic schedule for the processing of the project.

- 1.2 MAP TYPE:** Applicant must cause to be filed a subdivision map showing monumentation of all property corners to the satisfaction of this Department in compliance with Humboldt County Code Section 326-31. Subdivision map checking fees shall be paid in full at the time the subdivision map is submitted for checking. County Recorder fees shall be paid prior to submittal of the map to the County Recorder for filing. The subdivision map must be prepared by a Land Surveyor licensed by the State of California -or- by a Civil Engineer registered by the State of California who is authorized to practice land surveying.

All Department charges associated with this project must be paid in full prior to the subdivision map being submitted to the County Recorder for filing.

Applicant shall submit to this Department a “.pdf” scan of the subdivision map as filed by the County Recorder. [Reference: Government Code Section 66466(f)]

Prior to submitting the subdivision map to the County Surveyor for map check, applicant shall submit the subdivision map to the utility providers to provide input on necessary public utility easements. Copies of the responses from the utility providers shall be included with the first submittal of the subdivision map to the County Surveyor.

- 1.3 DEPOSIT:** Applicant shall be required to place a security deposit with this Department for inspection and administration fees as per Humboldt County Code Section 326-13 prior to review of the improvement plans, review of the subdivision map, or the construction of improvements, whichever occurs first.
- 1.4 EASEMENTS:** All easements that encumber or are appurtenant to the subdivision shall be shown graphically on the subdivision map. Those easements that do not have a metes and bounds description shall be noted on the subdivision map and shown as to their approximate location.
- 1.5 DEDICATIONS:** The following shall be dedicated on the subdivision map, or other document as approved by this Department:

(a) QUAKER STREET & 18TH STREET:

Public Road: Applicant shall cause to be dedicated on the subdivision map to the County of Humboldt an easement for public road purposes lying within 30 feet of the center line of the County road. The applicant is only responsible to cause to be dedicated lands that are included within the boundary of the proposed subdivision.

PUE: Applicant shall cause to be dedicated to the County of Humboldt on the subdivision map a 10 foot wide public utility easement (PUE) adjacent to the right of way for the road or as otherwise approved by this Department. Additional PUEs shall be dedicated in a manner, width, and location approved by this Department.

The PUE shall exclude the area where the existing garage is located on 18th Street.

1.6 LINES OF OCCUPATION: Applicant shall provide prospective buyers with notice of any fences that are not on the property lines.

2.0 IMPROVEMENTS

2.1 CONSTRUCTION PLANS

<NONE>

2.2 CONSTRUCTION PERIOD: Construction of improvements for this project will not be allowed to occur between October 15 and April 15 without permission of this Department.

2.3 ACCESS ROADS: The access road(s) serving the subdivision shall be constructed to the satisfaction of this Department as follows:

- (a) Construct ADA curb ramp at intersection of Quaker Street and 18th Street.
- (b) Retrofit both existing driveway aprons to meet County urban driveway standards.
- (c) Construct residential driveways to County Standards.
- (d) Repair existing concrete curb to CalTrans A1 standards.
- (e) Retrofit all sidewalk which does not meet current ADA standards.
- (f) Relocate existing mailbox to meet current ADA standards.
- (g) Retrofit existing garage to comply with California Building Code section 3202.
- (h) All intersections (including driveways) must conform to Humboldt County Code Section 341 regarding visibility.
- (i) Nothing is intended to prevent the applicant from constructing the improvements to a greater standard.
- (j) Applicant shall remove and replace any public curb, gutter, sidewalk, flowline drain, or pavement found by this Department to be broken, uplifted, or damaged that fronts or is within the subdivision.
- (k) Nothing is intended to prevent this Department from approving alternate typical sections, structural sections, drainage systems, and road geometrics based upon sound engineering principals as contained in, but not limited to, the Humboldt County Roadway Design Manual, Caltrans Highway Design Manual, Caltrans Local Programs Manual, Caltrans Traffic Manual, California Manual on Uniform Traffic Control Devices (MUTCD), and AASHTO's A Policy of Geometric Design of Highways and Streets (AKA "The Green Book"). Engineering must not be in conflict with Humboldt County Code or County adopted guidelines and policies.

- 2.4 ADA FACILITIES:** All pedestrian facilities shall be ADA compliant. This includes, but is not limited to, providing curb ramps at intersections and sidewalks behind driveway aprons (or ADA compliant driveway aprons).

Fire hydrants, neighborhood box units for mail, utility poles (including down guys), street lights, or other obstructions will not be allowed in sidewalks unless approved by this Department.

Applicant shall replace/retrofit to meet current standards any non-ADA compliant pedestrian improvements within the public right of way (or access easements that the subject property has a legal right to use) contiguous to the project.

- 2.5 DRIVEWAYS:** All access openings (existing and proposed) shall conform to Humboldt County Code Section 341 regarding visibility. All access openings (existing and proposed) shall intersect the road at a 90° angle, unless otherwise approved by this Department.

All access openings (existing and proposed) shall be surfaced for the width of the driveway and a distance of 25 feet from the edge of the County road. Existing driveways serving developed parcels need to be surfaced prior to filing of the subdivision map. The width of the driveway shall be as approved by this Department.

Any proposed access openings to the County road will require encroachment permits from this Department. The proposed access openings will be evaluated after application is received.

That portion of a structure used for the parking of vehicles must be setback a minimum of 20 feet from easements created as a condition of tentative map approval for the purpose of moving automotive vehicles, bicycles, pedestrians, or animals. If a development plan is prepared for this project, the development plan shall note this minimum setback condition and indicate graphically the location of the setback line on the lots.

- (a) VISIBILITY:** All driveways shall conform to Humboldt County Code Section 341 regarding visibility.

- (b) DRIVEWAY SURFACE:** The surface of the driveway shall conform to the *Structural Section* requirements within this document.

Driveways connecting to paved roads: Existing and proposed driveways shall be paved for the entire width of the driveway. The driveway shall be paved for a minimum length of 25 feet. For uphill driveways where the grade of the driveway exceeds 16%, the driveway shall be paved to a grade break as determined by this Department.

When a concrete curb is present, a portland cement concrete driveway apron (Urban Driveway No. 1 Standard Plan) shall be constructed.

Driveways connecting to unpaved roads: Existing and proposed driveways shall be rocked for the entire width of the driveway. The driveway shall be rocked for a minimum length of 25 feet. For uphill driveways where the grade of the driveway exceeds 16%, the driveway shall be paved to a grade break as determined by this Department.

- (c) DRIVEWAY WIDTHS:** The width of the driveway shall be as approved by this Department.

Driveway Widths (W)			
Type	Minimum	Recommended	Maximum
Residential	10'	18'	20'
Non-Residential	12'	24	29'

(d) **SETBACK TO GARAGES:** That portion of a structure used for the parking of vehicles must be setback a minimum of 20 feet from easements created as a condition of tentative map approval for the purpose of moving automotive vehicles, bicycles, pedestrians, or animals. A development plan must be created as a condition of approval of the tentative map. The development plan must note this minimum setback condition and indicate graphically the location of the setback line on the parcels.

2.6 STRUCTURAL SECTION: The access road(s) shall be constructed to a structural section recommended in the soils report and as approved by this Department.

(a) **For paved road surfaces,** the structural section shall include a minimum of 0.2 feet of Caltrans Type A 1/2" hot mix ("asphalt") over 0.67 foot of Caltrans Class 2 aggregate base. If required by this Department, the structural section of all roads shall be determined by Caltrans R-Value method using a Traffic Index (T.I.) approved by this Department. Based upon soil conditions, this Department may also require a geotextile fabric to be placed on top of the sub grade.

(b) When widening hot mix ("asphalt") roads, the widened road shall be paved with hot mix. A sawcut is required to ensure a uniform joint between the existing and new pavements. The location of the sawcut shall be approved by this Department based upon the condition of the existing road surface.

Access roads and driveways may include decorative accent treatments such as, but not limited to, stamped concrete or decorative brick pavers. Decorative accent treatments must provide appropriate traction for pedestrians, bicycles, and vehicles. **Decorative access treatments are not permitted within the public right of way,** unless approved in writing by this Department.

2.7 UNKNOWN IMPROVEMENTS: Other on-site and/or off-site improvements may be required which cannot be determined from the tentative map and/or preliminary improvement plans at this time. These improvements will be determined after more complete improvement plans and profiles have been submitted to the County for review.

2.8 UTILITIES: The proposed improvements may require the undergrounding or relocation of existing facilities at the expense of the applicant. Undergrounding of existing facilities, relocation of existing facilities, or construction of new facilities shall be completed prior to constructing the structural section for the roadway.

If any utilities are required to be installed as a condition of tentative map, the utility work shall be completed prior to constructing the structural section for the road. All laterals shall be extended onto each lot and marked in a manner that they will be easily located at the time of individual hookups. A letter of completion of all work from each involved utility company shall be submitted prior to constructing the roadway structural section. Any utilities that need to be relocated shall be done solely at the subdivider's expense.

Applicant shall remove any abandoned utilities (natural gas, electrical, cable tv, etc.) within the public right of way fronting the subdivision or within the subdivision as directed by this Department.

2.9 PERMITS: Pursuant to County Code §411-11 (a)&(b), an encroachment permit is required to be obtained prior to construction from this Department for all work within the right of way of a County maintained road.

2.10 NEIGHBORHOOD BOX UNIT (NBU) MAILBOXES: When clustered mailboxes (neighborhood box units) are required by the Post Office, applicant shall obtain approval for the location of the mailbox unit from the Post Master. The pad for the mailbox unit shall be constructed as part of the subdivision and shall be encompassed by a sidewalk easement or other easement, as approved by this Department. If the NBUs will not be installed by the Post Office, the subdivider shall install the NBUs as part of the subdivision.

Note: The Post Office may not require an NBU for this project.

2.11 GATES: Gates are not permitted on County right of way for public roads without authorization of the Board of Supervisors. Gates must not create a traffic hazard and must provide an appropriate turnaround in front of the gate. Existing gates shall be evaluated for conformance.

2.12 COMPLETION OF IMPROVEMENTS ON PARCEL MAP SUBDIVISION: When improvements are not constructed before the subdivision map is filed with the County Recorder, the following apply:

(a) Pursuant to Government Code section 66411.1 (improvement timing), fulfillment of reasonable on-site and off-site construction requirements may be imposed prior to Parcel Map filing with the County Recorder if found necessary for the public health or safety or orderly development of the area. The following improvements are necessary for the public health or safety or orderly development of the area and shall be completed: (1) within twenty-four (24) months after the filing date of the Parcel Map, or (2) prior to issuance of a building permit on any property subject to this notice, or (3) prior to any other grant of approval for any property subject to this notice, whichever occurs first:

Parcel One

1. Construct ADA curb ramp at intersection of Quaker Street and 18th Street.
2. Construct two urban driveway aprons and residential driveway to County Standards.
3. Repair existing concrete curb to CalTrans A1 standards.
4. Retrofit all sidewalk which does not meet current ADA standards.
5. Relocate existing mailbox to meet current ADA standards.
6. Retrofit existing garage to comply with California Building Code section 3202.

(b) The following improvements shall be completed: (1) prior to issuance of a building permit on any property subject to this notice, or (2) prior to any other grant of approval for any property subject to this notice, whichever occurs first:

Parcel One

1. Construct two urban driveway aprons and residential driveway to County Standards.
2. Construct ADA curb ramp at intersection of Quaker Street and 18th Street.
3. Repair existing concrete curb to CalTrans A1 standards.

4. Retrofit all sidewalk which does not meet current ADA standards.
5. Relocate existing mailbox to meet current ADA standards.
6. Retrofit existing garage to comply with California Building Code section 3202.

(c) The following improvements shall be completed: (1) within twenty-four (24) months after the issuance of a Building Permit on any property subject to this notice, or (2) prior to issuance of an Occupancy Permit for any property subject to this notice, whichever occurs first:

<NONE>

2.13 The following note shall be placed on the development plan:

"This subdivision was approved with requirements to construct improvements. At the time the parcel map was filed, the improvements were not completed. The subdivision improvements must be completed within the timelines specified in the *Notice of Construction Requirements*. Building permits or other development permits cannot be obtained until the required improvements are constructed to the satisfaction of the County. The improvements required in the *Notice of Construction Requirements* are shown on the improvement plans prepared by _____, dated _____, and are signed as approved by the County on _____. Contact the Land Use Division of the Department of Public Works for details."

The Department shall cause to be recorded at the time of filing of the parcel map with the County Recorder a *Notice of Construction Requirements*.

3.0 DRAINAGE

- 3.1 DRAINAGE ISSUES:** Applicant shall be responsible to correct any involved drainage problems associated with the subdivision to the satisfaction of this Department.
- 3.2 DRAINAGE REPORT:** Applicant must submit a complete hydraulic report and drainage plan regarding the subdivision for review and approval by this Department. The report and plan must be prepared by a Civil Engineer registered by the State of California. This may require the construction of drainage facilities on-site and/or off-site in a manner and location approved by this Department.
- 3.3 STORM WATER DETENTION:** Storm water detention facilities shall be provided for Parcel 2 as Parcel 2 does not drain to a County Road or a drainage system.
- 3.4 STORM WATER QUALITY:** Applicant shall include within the project site the implementation of Best Management Practices (BMPs) to prevent storm water pollution. BMPs include, but are not limited to, stenciling drainage inlets.
- 3.5 LOW IMPACT DEVELOPMENT (LID):** The subdivision is required to comply with County Code Section 337-13. The applicant shall submit a Storm Water Information Sheet for review and approval by the County. Any deferred LID improvements must be shown and identified on the Development Plan. It is intended that this sheet will be attached to the development plan to facilitate issuance of a building permit at a later time.

4. Retrofit all sidewalk which does not meet current ADA standards.
 5. Relocate existing mailbox to meet current ADA standards.
 6. Retrofit existing garage to comply with California Building Code section 3202.
- c. The following improvements shall be completed: (1) within twenty-four (24) months after the issuance of a Building Permit on any property subject to this notice, or (2) prior to issuance of an Occupancy Permit for any property subject to this notice, whichever occurs first:

LAND USE DIVISION INTER OFFICE MEMORANDUM

TO: Desmond Johnston, Senior Planner

FROM: Robert W. Bronkall, Deputy Director 

DATE: October 17, 2022

RE: **FRIEDLEY, APN 015-081-008, PLN-2022-17910 PMS**

PRELIMINARY SUBDIVISION REPORT: A *preliminary report* was submitted in lieu of a *preliminary subdivision report* as specified in County Code Section 323-6(c).

PARCEL MAP IMPROVEMENT NOTE: Frontage improvements to Parcel 1 (an existing developed parcel) must be constructed per the Department's subdivision requirements. Pursuant to Government Code Section 66411.1 (b), the Department recommends that the frontage improvements on Parcel 1 be completed within twenty-four (24) months from the date that the subdivision map is filed with the County Recorder; or prior to issuance of a development permit (or building permit) for Parcels 1 or 2, whichever occurs first. This is based upon the need for orderly development of the surrounding area.

The construction of the subdivision improvements for Parcel 2 may be deferred to the time that a development permit (or building permit) is issued.
