December of this year. As part of this process IT recently had several vendors come out and review the existing cabling in order to provide quotes for the re-cabling that would be necessary in order to move forward with this project. Communications Cabling Systems Inc., license number 942337, submitted a bid on November 5, 2015 of \$12,740 which would cover upgrading 50 of the cable drops in the building from CAT-3 (not compatible with the new phone system) to CAT-6 as well as decommissioning the old wiring. The quote was accepted and work was scheduled to begin November 17, 2015.

It was discovered after the quote was accepted and work was scheduled to begin, that the size and scope of this project, along with being a modification to a County-owned structure, meant that it needed to be a Public Works project per the County Purchasing Policy. Public Works began drafting a contract between the County and the Contractor (CCS) which was signed November 16, 2015. The Public Works Project number for this project is 162446 and with the addition of the Public Works estimated 15% administrative costs, the revised project estimate is \$14,651.

The nature of this project also dictates that the project must be paid from a fixed asset line which does not currently exist in the 235 budget unit. This appropriation transfer would establish that line (8998) and transfer funds from Contract Services (1100-235-2325) to 1100-235-8998.

FINANCIAL IMPACT:

The funds for this project already exist within the Probation Department's 235 budget unit; this transfer would move them from contract services into fixed asset with no net impact on the budget unit. There is also no impact to the County General Fund. This item supports the Board's Strategic Framework by providing for and maintaining infrastructure.

Neither shall such payment impair or prejudice any remedy available to COUNTY with respect to the breach or default. COUNTY shall have the right to demand of CONTRACTOR the repayment of any funds disbursed to CONTRACTOR under this Agreement, which in the judgment of COUNTY were not expended in accordance with the terms of this Agreement.
