

**ATTACHMENT 1A**  
**Conditions of Approval**

The conditions of approval effective November 19, 2020, shall remain in full force and effect and are not affected by this extension.

*NOTE: THE ORIGINAL STAFF REPORT AND SUPPORTING DOCUMENTATION IS ON FILE WITH THE PLANNING DIVISION AND AVAILABLE FOR PUBLIC INSPECTION.*

**ATTACHMENT 1A**  
**Original Conditions of Approval**

Approval of the tentative map is conditioned on the following terms and requirements which must be satisfied before the parcel map may be recorded.

1. All taxes to which the property is subject shall be paid in full if payable, or secured if not yet payable, to the satisfaction of the County Tax Collector's Office, and all special assessments on the property must be paid or reapportioned to the satisfaction of the affected assessment district. Please contact the Tax Collector's Office approximately three to four weeks prior to filing the parcel or final map to satisfy this condition. This requirement will be administered by the Department of Public Works.
2. The conditions on the Department of Public Works referral dated **February 24, 2020** included herein as Exhibit A shall be completed or secured to the satisfaction of that department. Prior to performing any work on the improvements, contact the Land Use Division of the Department of Public Works.
3. The Planning Division requires that two (2) copies of the Parcel Map be submitted for review and approval. Gross and net lot area shall be shown for each parcel.
4. A map revision fee as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors (currently \$110.00 per parcel) as required by the County Assessor's Office shall be paid to the County Planning Division, 3015 H Street, Eureka. The check shall be made payable to the "Humboldt County Planning Division". The fee is required to cover the Assessor's cost in updating the parcel boundaries.
5. Parkland dedication fees of \$3,067.95 shall be paid to the Humboldt County Planning and Building Department, 3015 "H" Street, Eureka. Alternately, a parkland dedication fee of \$2,300.94 may be paid, provided the applicant enters into a Conveyance and Agreement of development rights with the County of Humboldt for accessory dwelling units on Parcels 1 and 2. Release from the Conveyance and Agreement may be pursued upon payment of the \$1,533.97 parkland dedication fee balance. A copy of the Conveyance and Agreement form with *pro-rata* dedication payments amounts for each lot calculated will be provided by the Planning Department upon the election of this option by the applicant once the Parcel Map is prepared and approved for recordation. These fees may be paid for by individual lot owners on a *pro-rata* basis at the time individual lot owners apply for a permit to construct a second or secondary dwelling unit. Should the applicant elect to enter into a Conveyance and Agreement, legal document review fees as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors (currently \$415.00) will be required.
6. The applicant shall submit at least three (3) copies of a Development Plan to the Planning Division for review and approval. The map shall be drawn to scale and give detailed specifications as to the development and improvement of the site and the following site development details:
  - A. Mapping

- (1) Topography of the land in 1-foot contour intervals;
- (2) The location of all drainage improvements and related easements, including areas designated as treatment areas for Low Impact Development techniques demonstrating compliance with the MS4 program;
- (3) Development standards including setbacks, maximum lot coverage, maximum height and four (4) parking spaces on Parcel 1 and Parcel 2 consistent with Section 314-109.1 Humboldt County Code;

B. Notes to be placed on the Development Plan:

- (1) "The project site is not located within an area where known cultural resources have been located. However, as there exists the possibility that undiscovered cultural resources may be encountered during construction activities, the following mitigation measures are required under state and federal law:

If archaeological resources are encountered during construction activities, the contractor on site shall cease all work in the immediate area and within a 50 foot buffer of the discovery location. A qualified archaeologist as well as the appropriate Tribal Historic Preservation Officer(s) are to be contacted to evaluate the discovery and, in consultation with the applicant and lead agency, develop a treatment plan in any instance where significant impacts cannot be avoided.

The Native American Heritage Commission (NAHC) can provide information regarding the appropriate Tribal point(s) of contact for a specific area; the NAHC can be reached at 916-653-4082. Prehistoric materials may include obsidian or chert flakes, tools, locally darkened midden soils, groundstone artifacts, shellfish or faunal remains, and human burials. If human remains are found, California Health and Safety Code 7050.5 requires that the County Coroner be contacted immediately at 707-445-7242. If the Coroner determines the remains to be Native American, the NAHC will then be contacted by the Coroner to determine appropriate treatment of the remains pursuant to PRC 5097.98. Violators shall be prosecuted in accordance with PRC Section 5097.99.

The applicant and successors are ultimately responsible for ensuring compliance with this condition."

- (2) "The project is located in a designated non-attainment area for the state's health-based particulate matter (PM10) air quality standard. As such, additional emission from the project could exacerbate air quality problems, including non-attainment of ambient air quality standards. In order to address potential effects to air quality the District recommends:

- Prohibition of open fireplaces.
- Heating should be provided using clean fuels (electricity or natural gas), when feasible.
- If wood heating must be used, only US Environmental Protection Agency (EPA) certified heating appliances should be permitted in new construction."

- (3) "Construction activities shall be restricted to hours between 7:00 a.m. and 6:00 p.m. Monday through Friday and 9:00 a.m. and 5:00 p.m. on Saturday."
- (4) If applicable "Development rights for secondary dwelling units have been conveyed by the subdivider to the County of Humboldt. The terms and conditions of the Conveyance and Agreement must be satisfied in order for the County to accept an application for an accessory dwelling unit on any of the involved parcels. Please refer to the recorded Conveyance and Agreement for the specific requirements. Questions regarding this note should be directed to the Humboldt County Planning Division."
- (5) "The subdivision is considered a Regulated Project under the State Water Board's Phase II Small Municipal Separate Storm Sewer System (MS4) Program. Areas identified as treatment areas shall be maintained for the life of the project. Development of low impact development techniques other than those included on the improvement plans shall require a site-specific analysis to demonstrate conformance with this standard."
- (6) "Tree removal and vegetation clearing associated with the Project should be conducted outside of the bird breeding season (the nesting season is generally considered to be March 1 – August 15) in order to avoid 'take' as defined and prohibited by Fish and Game Code (FGC) §3503, 3503.5, 3513, and by the Federal Migratory Bird Treaty Act (16 U.S. Code 703 et seq.). If work must be conducted during the bird nesting season, a qualified ornithologist (someone who is able to identify Northern California birds, and who has experience in nest-searching for passerines and raptors) should thoroughly survey the area no more than seven days prior to tree/vegetation removal to determine whether active nests (nests containing eggs or nestlings) are present. If active nests are found, appropriate buffers should be developed in consultation with CDFW to avoid take."
- (7) "The lot depth for the parcels created by this subdivision have been established through lot size modification of the maximum lot depth approved by Special Permit issued concurrently with the subdivision. Changes to the parcel configuration may require modification of the Special Permit."
- (8) "Please note that the information and requirements described and/or depicted on this Development Plan are current at the time of preparation but may be superseded or modified by changes to the laws and regulations governing development activities. Before commencing a development project, please contact the Planning Division to verify if any standards or requirements have changed."

7. The applicant shall cause to be recorded a "Notice of Development Plan" for all parcels on forms provided by the Humboldt County Planning Division. Document review fees as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors (currently \$415.00 plus applicable recordation fees) will be required. The Development Plan shall also be noticed on the Parcel Map.
8. All activities related to the removal of trees under this permit shall be in strict conformance with the applicable County's Small Woodland Performance Standards (copy available from the Planning Division) in addition to Forest Practice Rules Section 1038 and applicable

sections of 1104.1. An executed copy of the Small Woodland Performance Standards shall be submitted to the Department prior to commencement of the harvest operation.

9. This project is required to pay for permit processing on a time and material basis as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors. Any and all outstanding Planning fees to cover the processing of the subdivision shall be paid to the Humboldt County Planning Division, 3015 "H" Street, Eureka. The Department will provide a bill to the applicant upon file close out after the Planning Commission decision.

### **Informational Notes**

1. To minimize costs the applicant is encouraged to bring in written evidence of compliance with all of the items listed as conditions of approval in this Exhibit that are administered by the Planning Department. The applicant should submit the listed item(s) for review as a package as early as possible before the desired date for final map checking and recordation. Post application assistance by the Assigned Planner, with prior appointment, will be subject to a Special Services Fee for planning services billed at the County's current burdened hourly rate. Copies of all required forms and written instructions are included in the final approval packet.

Each item evidencing compliance except legal documents to be recorded should note in the upper right hand corner:

Assessor's Parcel No. \_\_\_\_\_, Condition \_\_\_\_\_.  
(Specify) (Specify)

2. The project site is not located within an area where known cultural resources have been located. However, as there exists the possibility that undiscovered cultural resources might be encountered during construction activities, the following mitigation measures are required under state and federal law:

If suspected archaeological resources are encountered during the project: 1. Stop work within 100 feet of the find; 2. Call a professional archaeologist, the representatives from the Blue Lake Rancheria, Bear River Band of the Rohnerville Rancheria and the Wiyot Tribe, the Calfire project representative (if applicable) and the County Planning and Building Department; 3. The professional historic resource consultant, Tribes and Calfire officials will coordinate and provide an assessment of the find and determine the significance and recommend next steps.

If human remains are encountered: 1. All work shall stop and per CA Health and Safety Code Section 7050.5: 2. Call the Humboldt County Coroner at (707) 445-7242; 3. The Coroner will determine if the remains are of prehistoric/historic Native American origin. If the remains are Native American Heritage Commission within 24 hours. 4. The NAHC is responsible under CA PRC 5097.98. (a) for identifying the most likely descendent (MLD) immediately and providing contact information. The MLD may, with the permission of the owner of the land, or his or her authorized representative, inspect the site of the discovery of the Native American human remains and may recommend to the owner or the person responsible for the excavation work means for treatment or disposition, with appropriate dignity, of the human remains and

any associated grave goods. The descendants shall complete their inspection and make recommendations or preferences for treatment within 48 hours of being granted access to the site.

3. Under state planning and zoning law (CGC §66000 et seq.), a development project applicant who believes that a fee or other exaction imposed as a condition of project approval is excessive or inappropriately assessed may, within 90 days of the applicable date of the project's approval, file a written statement with the local agency stating the factual basis of their payment dispute. The applicant may then, within 180 days of the effective date of the fee's imposition, file an action against the local agency to set aside or adjust the challenged fee or exaction.
4. The term of the approved Tentative Map and Special Permit shall be 24 months from the effective date of the action except where otherwise provided by law. An extension of the tentative map and Special Permit may be requested prior to the date in accordance with Sections 326-21 and 312-11.3, respectively, of the Humboldt County Code.
