Subject: Submission of documentation to be included for Aug. 16th Board Packet

Caution: This email was sent from an EXTERNAL source. Please take care when clicking links or opening attachments.

To whom it may concern,

NorCal 4 Health, a project of the California Health Collaborative would like to submit information for the Aug. 16th Board of Supervisors meeting. It has been brought to our attention that Public Health will be giving a presentation to the board on Tobacco Retail Licensing. We wanted to offer an additional informational flier and a video of local youth talking about their experience with vaping <https://youtu.be/hakj-ij3oY> for additional information or public comment.

Please let me know if there are any questions or if we should be submitting these through another process.

Sincerely,

Amber Wier
She/her
Project Director.
