Exhibit A – Charges for Services

Annual Computation:

The Sheriff's Office ("SO") shall prepare an annual computation utilizing the prior fiscal year's financial data and present the computation to the CITY Manager and designated CITY council member by email on or before February 15th of each year. In the event the SO is unable to provide the computation by February 15th due to delays in the annual financial data being completed, then the CITY Manager and designated council member will be notified by email of an updated timeline.

The CITY shall have fourteen (14) days from date of delivery of the computation email to notify the SO if a meeting is needed to discuss the updated charges for services or if the new computed amount is acceptable.

Provided a meeting is needed to review and discuss the charges, both the CITY and SO shall make every effort to meet and confer with the intent to finalize the new rate by March 30th, so that both parties can plan accordingly for their annual budget. The participants in the meeting to review the charges for services shall include the City Manager, a designated city council member, the SO Operations Division Commander, and the SO Finance Director.

For the period of November 1, 2024 through June 30, 2025, the CITY and SO have met and agreed that the charges for services rate will be \$207.67 per month for a total of \$1,661.33 for fiscal year (FY) 2024-25.

For all subsequent fiscal years, the new rate shall be agreed to by both parties by an amendment to the agreement effective July 1st of each year.

Methodology for the Annual Computation:

The SO shall use the following methodology for assessing the charges for services for the CITY.

A) The SO will calculate its Total Net Expenses to provide Animal Control Services to the county. The methodology for calculating Total Net Expenses for Animal Control Services is as follows:

1) The below SO charges shall NOT be included in the Total Net Expenses:

- Internal Service Fund Information Technology Charges
- Internal Service Fund Purchasing & Disposition Charges
- Internal Service Fund ADA Charges
- Internal Service Fund Communications/Radio Infrastructure Charges
- COUNTY General Liability, Property, or Bond Insurance
- COUNTY Cost Plan Charges (aka A87 Charges)
- Fixed Assets

- Grants

2) The below SO charges shall be included in the Total Net Expenses:

- The direct expenses for the Animal Control division.
- 20% of the salary and benefits of the Animal Shelter/Control Manager.
- Interfund Expenditures. These are charges to the SO from other county departments (i.e. Public Works) for direct services and/or supplies for the Animal Control division.
- The SO Indirect Costs that are allocated to Animal Control will be included. As of FY2024-25 the SO indirect cost centers include the following:

Administration	Operations Command Team
Backgrounds/Recruitment	Training
Main Station (<i>through its allocation to Admin, Training, and Operations Command Team</i>)	

3) Revenue for Animal Licenses, Dog Pound-Impound Fees will NOT be included in Total Net Expenses since this revenue is charged by each jurisdiction for their residents.

B) The CITY will pay its pro-rata share of the Total Net Expenses based on population.

1) Data from the US Census 2020 will be used for calculating population and is as follows:

Total Population of Humboldt County	136,463
Arcata	18,857
Eureka	26,512
Ferndale	1,398
Fortuna	12,516
Rio Dell	3,379
Trinidad	307
Blue Lake	1,208
Total Incorporated City Population	64,177
Remaining Unincorporated County	72,286

2) The City of Trinidad has a US Census 2020 population of 307. Trinidad has a higher proportion of short term rentals compared to other incorporated cities in our area and therefore Trinidad has agreed to a population adjustment of an additional 120 to account for this. That brings the total remaining population covered by the

SO to 73,921 resulting in the below pro-rata share for each contract city currently using Animal Control services.

City	Census	%
Blue Lake	1,208	1.63%
Trinidad	427	0.58%
Unincorporated County	72,286	97.79%
Total:	73,921	100.00%
