life. The intent of these services is to eliminate the behavior of driving under the influence of drugs and/or alcohol, reinforcing the harmful consequences for the individual and for the community at large. The State of California licenses programs and requires counties to designate providers for Driving Under the Influence Programs. The Fortuna Community Services' Humboldt Alcohol Recovery Treatment Services (HART) is authorized by the County and licensed by and operated under general regulations established by the State Department of Alcohol and Drug Programs. Since 1991 "HART" has been a designated provider of driving under the influence program, fulfilling the State requirement to provide this service.

"HART" provides alcohol and other drug education and counseling service for persons whose license to drive has been administratively suspended or revoked. The Program assists clients in recognizing their level of chemical dependency, acquaints them with life problems associated with chemical dependency, and aids in their recovery. "HART" has demonstrated expertise and competence in alcohol treatment that further our mission throughout the Humboldt County community. "HART" is a California State licensed Driving Under the Influence program that meets requirements with the State of California Department of Motor Vehicles.

This agreement provides for the "HART" Program to pay the County for the service of monitoring their Program to assure compliance with State and Federal guidelines.

This Agreement is required due to the expiration of the previous Agreement on June 30, 2008.

FINANCIAL IMPACT:

Fortuna Community Services (HART) is self-supported by client fees. They receive no funds from the County. Fortuna Community Services agrees to pay the County a monitoring fee. Payment to the County will not exceed \$5,400 for each Fiscal year of this agreement; this revenue is included in the proposed budget for Alcohol and Other Drug Programs budget unit 1180-425 for Fiscal Year 2008-09. CONTRACTOR have met applicable professional licensure requirements pursuant to the California Welfare and Institutions and Business and Professions Codes. CONTRACTOR further agrees to comply with any applicable federal, state or local licensing standards, any applicable accrediting standards and any other applicable standards or criteria established locally or by the State or Federal governments.

CONTRACTOR agrees to comply with all applicable terms and conditions of COUNTY's Standard Agreement Number 07-NNA12 and subsequent NNA12 agreements as applicable with the State of California Department of Alcohol and Drug Programs (ADP), and all pertinent state and federal statutes and regulations, including but not limited to the Americans with Disabilities Act. Compliance with the Americans with Disabilities Act, includes, but is not limited to, the following areas:

- A. Whatever written information is provided regarding its programs will also be provided in alternate formats, including Braille, large print audio recording, and electronic formats, upon request.
- B. Enter into contracts or make other arrangements with qualified sign language and oral interpreters to ensure their availability when required for effective communication with persons who are deaf or hard of hearing. The type of aid that will be required for effective communication will depend on the individual's usual method of communication, and the nature, importance, and duration of the communication at issue. In many circumstances, oral communication supplemented by gestures and visual aids, an exchange of written notes, use of a computer or typewriter, or use of an assistive listening device may be effective. In other circumstances, qualified sign language or oral interpreters are needed to

communicate effectively with persons who are deaf or hard of hearing. The more lengthy, complex, and important the communication, the more likely it is that a qualified interpreter will be required for effective communication with a person whose primary means of communication is sign language or speech reading.

- C. If CONTRACTOR operates a hotline to take telephone calls of an emergency nature, CONTRACTOR shall ensure that it provides equivalent service for persons who use TTY's including providing direct-connection service for TTY users with hotline operators, without requiring TTY users to call through a third party operator, such as through the state or local Telecommunication Relay procedures, and provide the training necessary to ensure effective communication by Hotline staff with direct-connection callers using TTY's, as well as the training necessary to respond to callers who use the Telecommunication Relay Services.
- D. Survey facilities used as shelters or designated as potential shelters – or for counseling, job training, education, clothing or household provisioning, or other aspects of programs- to ensure that adequate arrangements are available for potential clients and family members with disabilities, including adults and children who have mobility impairments, who are blind or have low vision, and who are deaf or hard of hearing.
- E. Have written procedures and modify, as appropriate, eligibility criteria, to ensure that no person with a disability is turned away from a shelter or otherwise denied the opportunity to benefit from the services of CONTRACTOR's program on the basis of disability.

- F. Have written procedures to ensure that persons with disabilities who use service animals are not denied or discouraged from participating in CONTRACTOR's program, are able to be housed and served in an integrated environment, and are not separated from their service animals while participating in the program even if pets are normally not permitted in the facilities where such programs are conducted. The procedures will not unnecessarily segregate persons who use service animals from others but may take into account the potential presence of persons who, for safety or health reasons, should not be in contact with certain types of animals.
- G. Have written procedures to ensure that reasonable modifications are made to the CONTRACTOR's program when necessary for a client or family member with a disability to participate in such Programs, unless doing so would fundamentally alter the nature of the program.
- H. Have written policies to ensure that despite any "drug-free" policy of CONTRACTOR's program, persons with disabilities who use medication prescribed for their use are able to continue using such medication while participating in such Programs or being housed in a shelter.

19. VENUE AND APPLICABLE LAW:

This Agreement shall be construed in accordance with the laws of the State of California. Any dispute arising hereunder or relating to this Agreement shall be litigated in the State of California and venue shall lie in the County of Humboldt unless transferred by court order pursuant to Code of Civil Procedure §§394 and 395.

20. REFERENCE TO LAWS AND RULES:

In the event any law, regulation or policy referred to in this Agreement is amended during the term hereof, the parties agree to comply with the amended provision as of the effective date of such amendment.

30. PATIENT'S RIGHTS:

The parties to this Agreement shall comply with applicable laws, regulations and State policies relating to patient's rights.

31. CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE:

Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through State or local governments, by Federal grant, contract, loan or loan guarantee.

The law also applies to children's services that are provided in indoor facilities that are constructed, operated or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service CONTRACTORS whose sole source of applicable Federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing this Agreement, CONTRACTOR certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

32. UTILIZATION REVIEW:

COUNTY, through its Alcohol and Drug Administrator, may designate a person(s) to perform a utilization and/or professional standards review of all clients for which it is expected to make reimbursement.

33. DETERMINATION OF ABILITY TO PAY:

If so directed by the Alcohol and Drug Administrator of COUNTY, CONTRACTOR shall determine client's share of cost using the State's Uniform Method of Determining the Ability to Pay, relaying to COUNTY the results of such determination. This shall be done any time there is a demonstrable change in client's financial status but no less than annually. CONTRACTOR avers that inability to pay shall be no bar to CONTRACTOR's services. However, CONTRACTOR further agrees that unwillingness to pay may bar services (except in emergencies) following

consultation with COUNTY. COUNTY agrees to provide training in the determination of ability to pay.

34. AMENDMENT

This agreement may be amended at any time during the term of this agreement upon the written mutual consent of both parties.
