Building Division's Referral Comments for Cannabis Operations:

Application No.: 12124 Parcel No.: 216-135-015 Case No.: Cup16-538
The following comments apply to the proposed project, (check all that apply).
☐ Site/plot plan appears to be accurate.
Submit revised site/plot plan showing all of the following items: all grading including ponds and roads, location of any water course including springs, all structure including size and use and all setbacks from the above stated to each other and property lines.
☐ Existing operation appears to have expanded, see comments:
Existing structures used in the cannabis operation shall not to be used/occupied until all required permits have been obtained.
☐ Proposed new operation has already started.
Recommend approval based on the condition that all required grading, building, plumbing electrical and mechanical permits and or Agricultural Exemption are obtained.
Other Comments: Revise plot plan to show Correct property lines, western CA as shrunken out of SMA, western CA as not to be relocated, and area the northern CA will be relocated to.
