DISCUSSION:

The Board of Supervisors has authorized the Department of Health and Human Services - Behavioral Health (DHHS - Behavioral Health) to operate the County of Humboldt's Mental Health Plan. The provision of specialty mental health services to all Medi-Cal beneficiaries residing in Humboldt County that meet necessary criteria is, and will remain, the responsibility of DHHS - Behavioral Health. Therefore, since April 1998, DHHS - Behavioral Health has contracted with qualified specialty mental health providers, including Restpadd Inc., who have historically served Medi-Cal beneficiaries residing in Humboldt County. DHHS - Behavioral Health has established a provider network with in-county as well as out-of-county providers for referrals of Medi-Cal beneficiaries residing in Humboldt County to ensure that such beneficiaries have a choice of appropriate providers.

Psychiatric Health Facilities (PHF) offer an alternative to repeated psychiatric hospitalization. Adults placed at these facilities are stabilized, treated and transitioned to a variety of less restrictive placements as part of each individual's long-term permanency plan. Restpadd Inc.'s PHF, located in Redding, California, is an inpatient acute care treatment facility that provides multi-disciplinary evaluation, treatment, rapid stabilization and coordinated discharge planning services to adults from 18 to 64 years of age who are unable to maintain and safely function at home or in the community. When an initial placement at Restpadd's PHF occurs, the client is stabilized and transitional plans are put into place and reviewed on a regular basis in order to transition the client to community living as soon as may be clinically appropriate. All psychiatric adult inpatient services provided at Restpadd Inc.'s PHF are delivered with a wellness and recovery focus.

On Aug. 20, 2019, the Humboldt County Purchasing Agent approved the current professional services agreement with Restpadd Inc. regarding the provision of adult inpatient psychiatric services to eligible Medi-Cal beneficiaries residing in Humboldt County for the period of July 1, 2019 through June 30, 2020. The attached first amendment to the professional services agreement with Restpadd Inc. will extend the term thereof to June 30, 2021 and increase the maximum amount payable thereunder in order to cover unexpected utilization of the adult inpatient psychiatric services provided by Restpadd Inc.

Accordingly, DHHS - Behavioral Health recommends that the Board approve, and authorize the Chair of the Board to execute, the attached first amendment to the professional services agreement with Restpadd Inc. regarding the provision of adult psychiatric inpatient services to eligible Medi-Cal beneficiaries residing in Humboldt County for the period of July 1, 2019 through June 30, 2020. It is also recommended that the Board authorize the DHHS - Behavioral Health Director, or a designee thereof, to execute any and all future amendments to the professional services agreement with Restpadd Inc. dated August 20, 2019, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the provision of needed inpatient psychiatric services.

FINANCIAL IMPACT:

The attached first amendment to the professional services agreement with Restpadd Inc. will increase the maximum amount payable thereunder from \$55,460 for the period of July 1, 2019 through June 30, 2020 to \$210,920 for the period of July 1, 2019 through June 30, 2021. In no event shall the maximum amount paid under the professional services agreement with Restpadd Inc. exceed \$110,920 for FY 2019-20 and \$100,000 for FY 2020-21. However, in the event local, state or federal funding is reduced or eliminated, the County of Humboldt may reduce the above-referenced maximum amount payable or terminate the professional services agreement with Restpadd Inc. in its entirety.

Expenditure appropriations related to the attached first amendment to the professional services agreement with Restpadd Inc. have been included in the approved FY 2019-20 and proposed FY 2020-21 budgets for DHHS - Behavioral Health Administration budget unit 1170-424. Funding for the attached first amendment to the professional services agreement with Restpadd Inc. is available through federal Medicaid financial participation and state realignment revenues received by DHHS -

Behavioral Health. As a result, approval of the attached first amendment to the professional services agreement with Restpadd Inc. will not impact the Humboldt County General Fund.

STRATEGIC FRAMEWORK:

The recommended actions support the Board of Supervisors' Strategic Framework by protecting vulnerable populations, creating opportunities for improved safety and health and providing appropriate levels of services.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose to not approve the attached first amendment to the professional services agreement with Restpadd Inc. regarding the provision of adult inpatient psychiatric services to eligible Medi-Cal beneficiaries residing in Humboldt County. However, this alternative is not recommended since it would require DHHS - Behavioral Health to directly provide the adult inpatient psychiatric services currently being provided by Restpadd Inc., which is not feasible at this time.
