Ryan,

We want to once again thank your department, and the Department of Health and Human Services as a whole, for your ongoing support of Family and Community Resource Centers.

We are so proud of the impact we have on the lives of Humboldt County residents, and we know we could not do it without your generous support and partnership. In the past few years, the pandemic has only highlighted how important this partnership is in supporting families and individuals in Humboldt County.

For Fiscal Year 2024-2025 we are requesting a total of **\$1,237,082** for all **16 Resource Centers**. We have attached a list of the funding requests for all 16 Humboldt Network of Family Resource Center members on the next page. The requests are based on each site's need, and will be invaluable in continuing to support the on-the-ground work we are doing every day in our communities.

Please let us know if we can submit any additional information regarding this request. Thank you for again your support, and we look forward to working with you in Fiscal Year 2024-2025.

Please call us at (707) 834-2445 if you have any questions or if we can provide any additional information. Thank you to you and your team at the County for your continued partnership with our Resource Centers.

Sincerely,

Cassi Le-Hue, HNFRC Chair

Taffy Stockton, HNFRC Coordinator
