Planning and Building Department  
3015 H Street  
Eureka, Ca 95501

**Subject:** Grading Statement Less than 50 yards  
Client: Kevin Peak  
Parcel Number 216-082-006

Let this communication state that the total grading done on the subject parcel referenced above, was determined to be less than 50 cubic yards, and therefore, does not need a grading plan or design. No further review is considered necessary, unless additional activity is observed.
