1. Declare four (4) vehicles surplus;
2. Authorize the sale of vehicles to College of the Redwoods Law Enforcement Training Center;
3. Deposit the proceeds from the sale in the Motor Pool Fund (3500 351); and
4. Authorize Auditor-Controller staff to make any technical corrections necessary to effectuate the Board's direction.

SOURCE OF FUNDING:

DISCUSSION:

The following vehicles have been replaced after being fully depreciated and should be declared surplus. Per a request from staff at College of the Redwoods, Public Works Motor Pool wishes to sell the surplus vehicles directly to College of the Redwoods Law Enforcement Training Center, to be used to train future law enforcement officers. The sales price would be \$3,000.00 per vehicle, this price is based on historical auction prices received by the county and is consistent with Kelly Blue Book estimates for this type of vehicle.

FINANCIAL IMPACT:

Proceeds from the sale of the surplus vehicles will be deposited in the Motor Pool Fund 3500, budget unit 351 and used to offset the purchase of replacement vehicles. There is no impact to the General Fund.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by managing our resources to ensure sustainability of services .

OTHER AGENCY INVOLVEMENT:

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board could deny the direct sale, but then the vehicles would still be sold at surplus auction and would not help to train recruits in law enforcement activities.
