DISCUSSION:

The County of Humboldt Human Resources Department and the County of Humboldt Sheriff's Office wish to update the classification specifications for Corrections classifications. The industry standard for updating classification specifications is every 5-10 years. It has been about 11 years since these specifications have been updated. Classification specifications need to be updated regularly to ensure they accurately reflect the current responsibilities, skills, and expectations for a classification. Updated classification specifications help attract the right candidates, ensure fair and accurate performance evaluations, support compliance

with labor laws, and align classifications with organizational goals. They also clarify expectations for both current and prospective employees, contributing to better communication, productivity, and job satisfaction.

Additionally, the Human Resources Department and the Sheriff's Office wish to retitle the below classifications to be more aligned with the industry standard:

- Retitle Senior Correctional Deputy to Correctional Corporal
- Retitle Supervising Correctional Deputy to Correctional Sergeant
