MISSION INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

On Thursday, March 6, 2014 at 6:00 p.m., or as soon thereafter as the matters can be heard, the Humboldt County Planning Commission will hold a public hearing on the proposed Mitigated Negative Declaration for the proposed project, located at 707-258-3730.

HUMBOLDT COUNTY DEPARTMENT OF PUBLIC WORKS, Korb area: Case No. 13-066/CUP-13-025-10-06; Assessor Parcel Number (APN) 316-144-001. The project is for approval of Conditional Use Permit and Reclamation Plan and review of Financial Assurances to develop an upland surface mining site for use by Humboldt County. As proposed the project would result in the extraction of up to 150,000 cubic yards of aggregate per year, not to exceed 150,000 cubic yards over the 15-year life of the permit. Material will be crushed and stored on privately owned and Humboldt County has entered into a license agreement with the property owners to extract, crush, and stockpile aggregate on the subject property. The project site is located in Humboldt County, in the Korb area, west of Snow Camp Road, approximately 1.8 miles south west from the intersection of Snow Camp Road with Maple Creek Road, on the property known as 7285 Maple Creek Road. The Humboldt County Planning Commission intends to adopt a Mitigated Negative Declaration of Environmental Impact for this project.

LEGAL NOTICES

Fei River Disposal, Samoa area: Case No. CD-13-077/CUP-13-026; Assessor Parcel Number (APN) 401-031-067. The project is for approval of a Coastal Development Permit and Conditional Use Permit to allow for re-opening of a facility previously used as a recycled materials processing facility, which will now be used as a medium-volume waste transfer station in approximately 2.5-acre parcel within the general industrial area of the town of Samoa. Municipal waste would be transported to the site for recycling to be sorted from the waste. Recyclables would be packaged and exported and remaining waste taken to the Anderson Landfill. The existing structure is a 38,000-sq.-foot facility that accommodates a sort line technology, tipping floor area, and bale storage area, all capable of handling up to 100 tons per day (TPD). The facility will be open for public drop off and Fei River Disposal anticipates the facility could generate up to 175 vehicles per day, five days a week. Hours of operation would be from Monday through Friday. The project site is located in Humboldt County, in the Samoa area, on the east side of New Navy Base Road, adjacent to Vance Road, approximately 500 feet northeast of the intersection of Vance Road with L2 Drive, on property known as 525 Vance Avenue. The Humboldt County Planning Commission intends to adopt a Mitigated Negative Declaration of Environmental Impact for this project.

NOTICE TO CONTRACTORS

Sealed proposals will be received by (and all bids should be mailed or delivered to) the Clerk of the Board of Supervisors, Humboldt County Courthouse, 825 Fifth Street, Eureka, California, 95501, until 2:00 PM, TUESDAY, FEBRUARY 18, 2014, at which time they will be publicly opened by the Clerk of the Board of the County of Humboldt at a public meeting in the Office of the Clerk of the Board of Supervisors, Humboldt County Courthouse, Eureka, California, for performing work as follows:

UNION STREET AND SEA AVENUE RECONSTRUCTION

PROJECT NO. RPL-9504(057)
CONTRACT NO. 387791

Bids are required for the entire work as described herein:

The road work to be done consists, in general, of traffic control, clearing and grubbing, removing, adjusting or reconstructing existing facilities, earthwork required to construct new curbs and walks, retaining wall structures and drainage facilities, and grading portions of Union Street and Sea Avenue, constructing mechanical earth or gabion support structures, concrete retaining walls, concrete curb, gutter and sidewalks at various locations, placing aggregate base and surfacing or overlaying existing surfaces with hot mix asphalt, new storm drainage facilities, aluminum box culverts, ditch excavation, guard railing, and new fencing, placing thermoplastic stripings and pavement markings and signs (not included). Major water and sewer lines with related appurtenances are included as Additive Option B. The project will require coordination with utility providers due to the extensive amount of relocation and replacement of the various underground and overhead facilities. Bidders are advised that the work must be completed within 100 working days. The Engineer's Estimate for this work is: \$2,877,700.

Plans, Special Provisions (not including documents included by reference) and Proposal Forms may be obtained by prospective bidders upon advance payment of a non-refundable printing and service charge in the amount of \$150.00. All checks shall be made payable to COUNTY OF HUMBOLDT and should be mailed along with the request for Plans to the Humboldt County Department of Public Works, 1106 Second Street, Eureka, California, 95501.

Telephone: (707) 445-7652 Requests for plans, plan holder list or project estimate (707) 445-7171 Engineering division, questions regarding plans or specs (707) 445-7409 Fax transmissions

The successful Bidder shall furnish a Payment Bond and a Performance Bond.

The Contractor shall possess a CLASS "A" Contractors License at the time this contract is awarded.

This contract is subject to state contract nondiscrimination and compliance requirements pursuant to Government Code, Section 12596.

Pursuant to Section 1773 of the Labor Code, the general prevailing wage rates in the county or counties, in which the work is to be done have been determined by the Director of the California Department of Industrial Relations. These wages are set forth in the General Prevailing Wage Rates for this project, available at Humboldt, 1106 Second Street, Eureka, CA 95501 and available from the California Department of Industrial Relations internet web site at <http://www.dir.ca.gov>.
