

CUSTOMER PURCHASE AUTHORIZATION

(November 9, 2023)

County of Humboldt (Customer) hereby directs and authorizes General Transervice, Inc. (GTI) to begin manufacture of the Rampmaster refueler(s) listed Page 2, in accordance with the terms and conditions set forth on page 3 of this authorization. GTI will secure the equipment, parts and accessories required for such manufacture to standard factory specifications and proceed with production.

Equipment price is based on our standard specification. Options are provided to meet specific customer requirements and priced separately. Any changes to the specification or additional options that increase cost will be presented to the Customer for approval and acceptance prior to inclusion of those changes into production.

In order to preserve the pricing herein, this authorization letter must be executed not later than 12/15/2023. GTI has used best efforts to provide accurate pricing to Customer, however, due to current extreme fluctuations in the actual costs of the chassis, tank, and other components, as well as supply chain availability of materials and components, the price stated herein may be increased due to surcharges and cost increases imposed by GTI's suppliers. This additional cost will be a pass through to Customer to be paid additionally to the price shown herein.

Payment is due in full upon delivery of the refueler(s) according to the prices below. Transportation costs from the factory (unless shown as an option and selected) are not included and are to be paid by Customer upon delivery.

It is expressly agreed that the Terms and Conditions attached on the third page of this Authorization shall form part of this contract between the parties hereto. My signature on Page 2 indicates that I have read said terms and conditions and have agreed thereto and that I am authorized to enter into this Agreement on behalf of the company below. This contract shall be the governing set of terms and conditions for this transaction and will supersede purchasing and other documents submitted by Customer. Any changes to this Authorization must be captured in an amendment to this document and agreed by signature of both parties.
