Hello John and Eugene.

I was unable to get the planning clerk nor Meghan to upload my supplemental evidence for my responses today.

I had emailed this prior to our Dec 3rd meeting and it was uploaded after the meeting took place.

I was billed 2 hrs for Meghan to put together the supplemental document.

I have asked repeatedly to have the same document added to today's hearing.

Well two weeks later and it is still not added to today's hearing.

What am I suppose to do?

Thanks for your help.

Brian
