STRATEGIC PLAN:

DISCUSSION:

On Sept. 29, 2023, the California Interagency Council on Homelessness announced the availability of \$869.5 million in noncompetitive block grant funds for the fifth round of the Homeless Housing, Assistance and Prevention Program (HHAP Program). The HHAP Program is intended to allow cities, counties and local Continuums of Care to address immediate homelessness challenges

throughout the state. As a result, HHAP Program funding may be used for a broad range of activities that are designed to assist individuals and families experiencing homelessness with obtaining and maintaining permanent housing, including all of the following:

- Rental assistance, housing relocation and stabilization, outreach, coordination, homelessness prevention and shelter diversion services;
- Operating subsidies in new and existing affordable or supportive housing units, emergency shelters and navigation centers;
- Security deposits, holding fees and other landlord incentives;
- Operational support related to the creation and maintenance of a homeless services and housing delivery system; and
- Capital improvements, including, without limitation, conversion of hotels or motels to permanent housing and construction of new navigation centers and emergency shelters based on demonstrated jurisdictional need.

Pursuant to the HHAP Program allocation formula, which is based on the proportionate share of the state's total homeless population as reflected by a point-in-time count of people experiencing homelessness, the California Interagency Council on Homelessness allocated \$2,381,311.91 to the Humboldt Housing and Homelessness Coalition and \$2,284,657.84 to the County of Humboldt. The Humboldt Housing and Homelessness Coalition authorized the County to file a joint application for the fifth round of HHAP Program funding on its behalf for a combined allocation of \$4,665,969.75.

On March 24, 2025, the Humboldt County DHHS - Social Services issued a Request for Proposals (RFP), which solicited proposals from qualified community organizations interested in working collaboratively with the County of Humboldt to implement various eligible projects that would be funded by the fifth round of HHAP Program funding. DHHS received proposals from five entities in response to the above-referenced RFP, which contained funding requests totaling \$4,602,519.05.

On June 10, 2025 (Item 25-725), your Board approved funding allocations recommended by the RFP Evaluation Committee for the above-referenced projects, which included the project proposed by City of Eureka. The attached professional services agreement with City of Eureka will allow individuals and families who are experiencing homelessness in Humboldt County to receive rental assistance, case management and supportive services that are consistent with the County of Humboldt's goals and objectives for reducing homelessness in Humboldt County for the period of Jan. 6, 2026, through June 30, 2028.

Accordingly, DHHS - Social Services recommends that the Board approve, and authorize the Chair of the Board to execute, the attached professional services agreement with City of Eureka regarding the provision of rental assistance, case management and supportive services to individuals and families who are experiencing homelessness in Humboldt County for the period of January 6, 2026, through June 30, 2028. It is also recommended that the Board authorize the DHHS - Social Services Director, or a designee thereof, to execute any and all subsequent amendments to the attached professional services agreement with City of Eureka, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any delays in the provision of needed rental assistance, case management and supportive services.
