WHEREAS, COUNTY placed a one-half (.5) cent local sales and use tax measure, known as "Measure Z," on the November 2014 ballot to maintain and improve essential services; and

WHEREAS, Measure Z was passed by the voters of Humboldt County on November 4, 2014 and became operative on April 1, 2015; and

WHEREAS, on or about February 17, 2016, CITY submitted a Measure Z application to the Citizens' Advisory Committee requesting an allocation in the amount of Four Hundred Twenty-Eight Thousand Nine Hundred Thirty-Seven Dollars (\$428,937.00) for the purpose of creating two Student Resource Officer ("SRO"), and two Juvenile Probation Diversion ("JPD"), positions to directly serve K-12th grade students and families in Humboldt County, which is attached hereto as Exhibit A – Application for Measure Z Funding – and incorporated herein by reference; and

WHEREAS, on June 28, 2016, the Humboldt County Board of Supervisors approved the Measure Z application submitted by CITY in the amount of Three Hundred Twenty-Eight Thousand Nine Hundred Thirty-Seven Dollars (\$328,937.00) through June 30, 2017; and

WHEREAS, COUNTY and CITY desire to enter into an agreement which sets forth each party's rights and responsibilities regarding the expenditure of Measure Z funds allocated to CITY.

NOW THEREFORE, in consideration of the foregoing, and of the mutual promises contained herein, the parties hereto agree as follows:

1. COUNTY OBLIGATIONS:

COUNTY will provide CITY with an amount not to exceed Three Hundred Twenty-Eight Thousand Nine Hundred Thirty-Seven Dollars (\$328,937.00) for the purpose of creating one SRO and two JPD positions to directly serve K-12th grade students and families in Humboldt County.

2. CITY OBLIGATIONS:

- A. Law Enforcement Services. CITY will assign one of the newly created JPD positions to Arcata High School, with the other assigned at McKinleyville High School. The newly created SRO position will be assigned to both of the above-referenced schools. Each of the newly created positions will work collaboratively with the schools, the Arcata Police Department, the Humboldt County Sheriff's Office and the Humboldt County Probation Department.

3. TERM:

This MOU shall begin on July 1, 2016 and shall remain in full force and effect until June 30, 2017, unless sooner terminated as provided herein.

4. TERMINATION:

- A. Breach of Contract. If, in the opinion of COUNTY, CITY fails to adequately fulfill its obligations hereunder within the time limits specified herein, or otherwise fails to comply with the terms of this MOU, or violates any ordinance, regulation, or other law applicable to its performance herein, COUNTY may terminate this MOU immediately, upon notice.
- B. Without Cause. COUNTY may terminate this MOU without cause upon thirty (30) days advance written notice to CITY. Such notice shall state the effective date of the termination.
- C. Insufficient Funding. COUNTY's obligations under this MOU are contingent upon the availability of local funding resulting from the sales and use tax established by Measure Z. In the event such funding is reduced or eliminated, COUNTY shall, at its sole discretion, determine whether this MOU shall be terminated. COUNTY shall provide CITY seven (7) days advance written notice of its intent to terminate this MOU due to insufficient funding.
- D. Compensation Upon Termination. In the event this MOU is terminated, CITY shall be entitled to compensation for uncompensated law enforcement services provided hereunder through and including the effective date of such termination. However, this provision shall not limit or reduce any damages owed to COUNTY due to a breach of this MOU by CITY.

5. COMPENSATION:

- A. Maximum Amount Payable. The maximum amount payable by COUNTY for the law enforcement services rendered, and costs and expenses incurred, pursuant to the terms and conditions of this MOU is Three Hundred Twenty-Eight Thousand Nine Hundred Thirty-Seven Dollars (\$328,937.00). CITY agrees to perform all law enforcement services required by this MOU for an amount not to exceed such maximum dollar amount. However, if the allocation of local funding resulting from the sales and use tax established by Measure Z is reduced or eliminated, COUNTY may, by amendment, reduce the maximum amount payable for law enforcement services provided hereunder, or terminate this MOU as provided herein.
- B. Schedule of Rates. CITY shall set forth the specific rates and costs applicable to law enforcement services to be provided pursuant to the terms and conditions of this MOU using COUNTY's standard Measure Z budget form, which is attached hereto as Exhibit D – Schedule of Rates – and incorporated herein by reference.

All unauthorized costs and expenses incurred above the maximum payable amount set forth herein shall be the responsibility of CITY. CITY shall notify COUNTY, in writing, at least six (6) weeks prior to the date upon which CITY estimates that the maximum payable amount will be reached.

6. PAYMENT:

CITY shall submit to COUNTY quarterly invoices itemizing all law enforcement services rendered, and costs and expenses incurred, pursuant to the terms and conditions of this MOU. Invoices shall be in the format set forth in Exhibit E – Measure Z Invoice Form – which is attached hereto and incorporated herein by reference. CITY shall submit a final undisputed invoice for payment within thirty (30) days following the expiration or termination date of this MOU. Payment for law enforcement services rendered, and costs and expenses incurred, pursuant to the terms and conditions of this MOU will be made within thirty (30) days after the receipt of approved invoices. 9. MONITORING:

- B. Continuing Compliance with Confidentiality Laws. The parties acknowledge that local, state and federal laws, regulations, and standards pertaining to confidentiality, electronic data security and privacy are rapidly evolving and that amendment of this MOU may be required to ensure compliance with such developments. Each party agrees to promptly enter into negotiations concerning an amendment to this MOU embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, the CMIA and any other applicable local, state and federal laws, regulations or standards.

11. NON-DISCRIMINATION COMPLIANCE:

- A. Professional Services and Employment. 12. NUCLEAR FREE HUMBOLDT COUNTY ORDINANCE COMPLIANCE:

CITY certifies by its signature below that it is not a Nuclear Weapons Contractor, in that CITY is not knowingly or intentionally engaged in the research, development, production or testing of nuclear warheads, nuclear weapons systems or nuclear weapons components as defined by the Nuclear Free Humboldt County Ordinance. CITY agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this MOU if it determines that the foregoing certification is false or if CITY subsequently becomes a Nuclear Weapons Contractor.

13. INDEMNIFICATION:

- A. Hold Harmless, Defense and Indemnification. CITY shall hold harmless, defend and indemnify COUNTY and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages, liabilities, expenses and costs of any kind or nature, including, without limitation, attorney's fees and other costs of litigation, arising out of, or in connection with, CITY's negligent performance of, or failure to comply with, any of the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of COUNTY.
- B. Effect of Insurance. Acceptance of the insurance required by this MOU shall not relieve CITY from liability under this provision. This provision shall apply to all claims for damages related to the law enforcement services performed by CITY pursuant to the terms and conditions of this MOU regardless if any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided by CITY hereunder.

14. INSURANCE REQUIREMENTS:

This MOU shall not be executed by COUNTY, and CITY is not entitled to any rights hereunder, unless certificates of insurance or other sufficient proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

- A. General Insurance Requirements. Without limiting CITY's indemnification obligations provided for herein, CITY shall, and shall require that all subcontractors hereunder, take out and maintain, throughout the entire period of this MOU, and any extended term thereof, the following policies of insurance placed with insurers authorized to do business in the State of California and with a current A.M. Bests rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of CITY and its agents, officers, directors, employees, licensees, invitees, assignees or subcontractors:
 - 1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000.00) per occurrence for any one incident, including, but not limited to, personal injury, death and property damage. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.

////

2. Automobile/Motor Liability Insurance with a limit of liability of no less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles. Said coverage shall be at least as broad as Insurance Service Office Form Code 1 (any auto).
3. Workers' Compensation Insurance, as required by the Labor Code of the State of California, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY, its agents, officers, officials, employees and volunteers.
4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than Two Million Dollars (\$2,000,000.00) for each occurrence (Four Million Dollars (\$4,000,000.00) general aggregate). Said insurance shall be maintained for the statutory period during which CITY may be exposed to liability. CITY shall require that such coverage be incorporated into its professional services agreements with any other entities.

B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:

1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by or on behalf of CITY. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY, its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:
 - a. Includes contractual liability.
 - b. Does not contain exclusions as to loss or damage to property caused by explosion or resulting from collapse of buildings or structures or damage to property underground, commonly referred to as "XCU Hazards."
 - c. Is the primary insurance with regard to COUNTY.
 - d. Does not contain a pro-rata, excess only and/or escape clause.
 - e. Contains a cross liability, severability of interest or separation of insureds clause.
2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice provisions set forth herein. It is further understood that CITY shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
3. The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the insurer's liability.

4. For claims related to this MOU, CITY's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CITY's insurance and will not be used to contribute therewith.
 5. Any failure to comply with the provisions of this MOU, including breach of warranties, shall not affect coverage provided to COUNTY, its agents, officers, officials, employees and volunteers.
 6. CITY shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this MOU. The endorsements shall be on forms approved by the Humboldt County Risk Manager or County Counsel. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. If CITY does not keep all required policies in full force and effect, COUNTY may, in addition to other remedies under this MOU, take out the necessary insurance, and CITY agrees to pay the cost thereof. COUNTY is also hereby authorized with the discretion to deduct the cost of said insurance from the monies owed to CITY under this MOU.
 7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CITY shall be required to purchase additional coverage to meet the above-referenced aggregate limits.
- C. Insurance Notices. Any and all insurance notices required to be given pursuant to the terms of this MOU shall be sent to the addresses set forth below in accordance with the notice provisions described herein.

It is understood that this is an MOU by and between two (2) independent entities and is not intended to, and shall not be construed to, create the relationship of agent, servant, employee, partnership, joint venture, or any other similar association. Both parties further agree that CITY shall not be entitled to any benefits to which COUNTY employees are entitled, including, but not limited to, overtime, retirement benefits, leave benefits or workers' compensation. In no event shall any payment by COUNTY constitute a waiver of any breach of this MOU or any default which may then exist on the part of CITY. Nor shall such payment impair or prejudice any remedy available to COUNTY with respect to any breach or default. COUNTY shall have the right to demand repayment of, and CITY shall promptly refund, any funds disbursed to CITY, which in the judgment of COUNTY were not expended in accordance with the terms of this MOU.

The City of Arcata (the City) and the Humboldt County Sheriff's Office (HCSO) in partnership with the Northern Humboldt Union High School District, Arcata, Blue Lake, Field Brook, Jacoby Creek, McKinleyville and Pacific Union Elementary Districts and the Humboldt County Teen Court seek funding for a two full time Student Resource Officers (SROs) and two Juvenile Probation Diversion positions (JPD) to directly serve K-12th students and families in the 3rd Supervisorial District and the western portion of the 5th Supervisorial District (west of Berry Summit).

One SRO and JPD will be based at Arcata High and the other pair at McKinleyville High. They will work collaboratively with the schools, APD, HCSO and Probation to identify and serve at-risk students and families starting as early as grades four and five. The purpose is threefold:

- (1) to focus on crimes and other antisocial behaviors committed by juveniles in the north county and through that focus deter additional behaviors.
- (2) to use the Juvenile Diversion staffers (supported by the SROs) to keep juveniles out of the Probation and Juvenile Justice system.
- (3) to work with the schools to support struggling families and students so their children remain in school (truancy prevention) and out of the Juvenile Justice system.

The project's goals are to:

- (a) reduce by 50% the amount of Juvenile Crime in the service area,
- (b) reduce by 50% the number of high school students who dropout and/or go to continuation high schools for this autumn's incoming 9th graders (the Class of 2019).

4. *Measure Z* funding is scheduled to "sunset" in 2020. How are you developing a plan for sustainability, including diversification of funding sources, in order for your proposal to carry on without reliance on future *Measure Z* funds?

These positions can sustained by 2020 using the following sources of revenue:

1. Reallocation of HCSO and APD funds to pay for SROs non-school based days.
2. Support for the JPDs from Humboldt County Probation (similar to past funding of diversion activities).
3. Future grant funding through the US Dept. of Justice's SRO and School Safety grant programs.
4. Schools pay a portion of the cost through revenues from increased daily attendance; for instance, a 1% overall increase in the districts attendance will cover over 20% of the cost of positions. Successfully intervening with students will result in better attendance in middle and high school.

5. If this request is for the continuation, or expansion, of an existing program/service, what is the current source of funding for that program/service?

These are new positions though in the past HCSO and APD have stationed SROs at the two high schools and the area was served by an APD Diversion staffer. However, these positions were not closely coordinated.

6. If you are awarded *Measure Z* funds, how will you use them to leverage additional grants, contributions, or community support?

This combination of an SRO and JPD will serve as a pilot for the other local schools. The benefit of keeping students in schools on track for graduation and out of the alternative education or the juvenile justice system is potentially enormous. Student who graduate from the comprehensive high schools are far less likely to commit crimes and become involved with the juvenile justice system. Students in the comprehensive high schools also are at school all day (and thus not out in the community during the day time).

This new model will make the consortium more likely to receive funding through the US Dept. of Justice's SRO and School Safety grant programs.

7. Will this proposal require new or expanded activity on the part of another entity to be fully functional and effective? If so, please describe.

No.

North Bay Juvenile Safety Measure Z Grant Application Narrative

HCSO and APD's request is a preventative proposal. Its goal is to keep students out of the criminal justice system, in school and on track graduate high school. The **project's overall goals** are to (a) reduce by 50% the amount of Juvenile Crime in the service area, and (b) reduce by 50% the number of students who dropout and/or go to continuation high schools for this autumn's incoming 9th graders (the Class of 2019).

Progress towards these goals will be measured as follows:

Short term, ongoing progress measure: By May 2016 show a 200% increase of juveniles in area schools being supported/ monitored by SROs or JPDs as compared to Autumn 2015 numbers.

Mid-term project goal by January 2018: (a) 25% reduction in Juvenile Crime in the service area, (b) 35% reduction of truant Gr. 5-12 students, (c) 25% reduction in service area students in Juvenile Justice system.

Five year goal: reduce by 50% the amount of Juvenile Crime in the service area.

How does this relate to public safety? The four requested positions are public safety positions. These positions will allow other deputies and police officers to focus on adult offenders. Basing these positions at the high schools ensures close collaboration with the schools. The school – law enforcement partnership provides law enforcement access to school based services to which they can refer students (including at the most basic level: a place juveniles must be during the day as well as counseling).

According to the Office of Juvenile Justice and Delinquency Prevention nearly 80% of prison inmates lack a high school diploma. Simply put, keeping kids in high school and on track to graduate greatly reduces the odds of their becoming involved with the criminal justice system and puts them on the path to be productive citizens.

What would the SROs and JPDs do? The positions will focus on *juvenile crime prevention* starting as early as elementary school when the JPDs will work with students and parents to improve attendance and in school behavior. The SROs will work at the elementary schools and host programs like DARE or lunch time/ afterschool sports and activities that allow the officers to get to know children before delinquency begins.

The SROs and JPDs will focus on *truancy prevention*. They will help lead the School Attendance Review Board and as needed make home visits. The JPDs will provide counseling services to students as young as 4th or 5th grade with the goal of preventing more serious problems in middle and high school.

Drug and alcohol use among at-risk juveniles starts as early as Gr. 5. The JPDs will provide drug and alcohol counseling for students who are caught in possession or under the influence. While the high schools provide this service now, none of the K-8 schools have trained drug and alcohol abuse counselors.

This deployment to the schools will support *referrals to Child Welfare* so struggling families receive support before their children join gangs or other antisocial groups.

Gang prevention and support: The positions will work to prevent students from joining gangs and through diversion activities help gang-affiliated students leave the gangs. Juveniles affiliated with gangs will be directly served/monitored by the SROs and JPDs daily at the schools. This focus on gang activities starting in the middle schools is of heightened importance in light of the recent emergence of the Mack Town Boys gang and the killing in Eureka of a former graduate from Tsurai High School who had ties to local gangs. The North Bay has a serious situation that needs immediate attention, otherwise we will miss an opportunity to cease current activity. In the words of Northern Humboldt Superintendent Chris Hartley, who was an administrator at Zoe Barnum Continuation High in Eureka in the early 1990s, "these are the same symptoms as nearly 20 years ago that began the influx of gang activity in Eureka."

Early detection of at-risk juveniles: Through this partnership the schools will have frequent if not daily contact with the SROs and JPDs. This contact will allow the schools to bring struggling juveniles to the attention of the SROs and JPDs. These referrals will provide early warning before minors commit crimes that require stricter sanctions and they will allow the SROs and JPDs to establish relationships with students before they commit acts that require a more formal response.

Diversion of Juveniles from the Criminal Justice System: The SROs and JPDs, working with the Humboldt County Teen Court and the schools, will prevent youth from entering the justice system through a system that delivers consequences (through the JPDs, Teen Court and schools) and support including counseling.

An effective investment: The total grant request is approximately 5% of the projected Measure Z budget. If it results in 30 additional students a year graduating high school, entering the work force/going to college instead of dropping out and becoming burdens on the community the benefit to Humboldt will be profound.
