Subject: Proposed Speed Tables in Freshwater Near Garfield School

To: Humboldt County Board of Supervisors

From: Terry D. Roelofs and Erica Upton, 120 Pacific Lumber Camp Rd., Freshwater, CA 95503

Subject: Three Proposed Speed Tables on Freshwater/Kneeland Road

We will not be able to attend your meeting on July 10th at 9am when you consider approving the installation of 3 speed tables to slow down traffic near the Garfield School. The 25 mile per hour speed limit (15 miles per hour when children are present) is often ignored by many drivers. We have lived in Freshwater for the past 20 years and drive thru the proposed sites for these speed tables daily. We urge the Board to approve these structures and hope that they are constructed in a manner insuring that vehicles HAVE to slow down to drive over them.
