SOURCE OF FUNDING: State Office of Emergency Services**DISCUSSION:**

The Federal Government will award California new Homeland Security-related funding in the amount of \$213,644 for FFY 2014. That funding will be distributed to local government entities throughout the County starting around November 2014 and continue through around December 2015. This is a 100% reimbursement grant, with no match, which allows \$10,682 allocated to the County for its management and administrative costs.

The FFY 2014 grant is an extension of the FFY 2003 through FFY 2013 grants provided by the Department of Homeland Security. Previous "terrorism-related" grants in 1999 through 2002 were provided by the Federal Emergency Management Agency and by the Department of Justice. The state Office of Homeland Security is to

distribute the funding with assistance from the state Office of Emergency Services, and all local government funding, approximately 80% of the total, is to be distributed to the 58 California counties as the grantees. Each County Office of Emergency Services is to manage the grant process at the local government level.

The table below shows the amounts received by Humboldt County in previous years.

FFY1999	\$36,401	State Domestic Preparedness Needs Assessment and Equipment Procurement Program

Humboldt County's first responder agencies have been allocated a total of \$4,203,818 through FFY 2013 since the inception of the "terrorism grant" process in FFY1999. The current FFY 2013 grant is active through 31 May 2015. The total amount awarded to Humboldt County for FFY14 will be \$213,644 which brings the total amount awarded to Humboldt County since 1999 to \$4,417,462.

Budget Unit 213 was originally established by the Board of Supervisors in May 2003 for the State Homeland Security Grant Program. At that time, the Board agreed the Office of Emergency Services would administer the grant and oversee purchasing of items for all area agencies. The actual purchase of items is handled by County Purchasing. The County provides funding, up front, for equipment purchases and other grant activities for many local fire, police, and first responder agencies in Humboldt County. As has been practiced with FFY2003 through FFY2013 grant funding, items will be purchased and then given to local agencies. The County will bill the state for 100% reimbursement cost which is paid within 60 days of billing. Some County entities will receive equipment and other assistance from the FFY2014 grant.

FINANCIAL IMPACT:

Purchases are 100% reimbursable with no match required. The County will receive an administrative fee of 5% of the total allocation or \$10,682 for managing the grant funds.

This grant conforms with the Board's Strategic Framework by improving public safety.

ALTERNATIVE TO STAFF RECOMMENDATIONS:

The Board may choose not to accept the grant funding. This is not recommended as the grant provides funding for many agencies throughout the County that would otherwise not be able to purchase necessary equipment and training.

OTHER AGENCY INVOLVEMENT:

California Office of Emergency Services.
