Subject: Funding for Humboldt County Department of Public Works
 Portion of Improvements for the city of Arcata's Resurfacing Project

Dear Ryan:

This letter serves to Document our verbal agreement with City staff regarding the County's participation in the above referenced project. The Humboldt County Department of Public Works (HCDPW) has set aside \$310,000.00 of Measure O funds to be used by the City for the Slurry Seal Surfacing Work within the County's right-of-way, particularly in the unincorporated area of McKinleyville on portions of Duchess Road (portion non PRD), Oakdale Drive (portion non PRD), Grange Road, Airport Road, Murray Road, and Heartwood Drive. This is work added to previously agreed PRD projects that totaled an additional \$45,000.00. The city will invoice HCDPW for the completed work. The city agrees to provide a detailed description of all work completed. Invoicing should be sent to:

Humboldt County Department of Public Works
 Attn: Paul Donoho
 1106 Second Street
 Eureka, CA
 95501

In accordance with our verbal agreement, HCDPW's portion of this project will not exceed the bid items quantities as listed in the attached summary. HCDPW will pay for actual costs uncured up to the bid summary total quantities.

Please respond indicating that you concur with this understanding.

Sincerely,

THOMAS MATTSON

Director, Humboldt County Department of Public Works
