Kathy Hayes, Clerk of the Board

The Davis Guest Home is located in Modesto, California, and is licensed to provide services to mentally ill clients in a residential setting. The Davis Guest Home has provided Humboldt County Mental Health residential care beds and services for many years, and the current agreement will expire June 30, 2012.

This facility is a good option for dually diagnosed clients who have substance abuse issues and their local contacts are contraindicated to recovery.

Therefore, the DHHS-Mental Health Branch recommends that the Board approve and authorize the Chair to sign Agreement with Davis Guest Home for the fiscal years 2012-2013 and 2013-2014.

FINANCIAL IMPACT:

The maximum value of this agreement is not to exceed Two Hundred Forty Eight Thousand, Four Hundred Dollars (\$248,400) per fiscal year; this contract cap is unchanged from prior FY. Projected expenditure for FY 2011-12 for Davis Guest Home placements is \$208,275. This expenditure for residential placement has been included in the proposed budget for Fiscal Year 2012-13, DHHS-Mental Health Branch Adult Services budget unit 1170-496. Funding for this contract is available through Mental Health Services Act (MHSA) and Realignment revenues. There is no impact to the County General Fund.

If State, Federal, or County funding, including MHSA is reduced or deleted, maximum reimbursement may be reduced or eliminated.

This Agreement will protect vulnerable populations, support self reliance of citizens and improve the safety and health of our communities.

OTHER AGENCY INVOLVEMENT:

Public Guardian

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board can choose not to approve this Agreement; however the DHHS-Mental Health Branch does not recommend this alternative.

If State, Federal or County funding or State Maximum Allowance Rates are reduced or deleted, the maximum reimbursement shall be reduced or deleted.

8. NO WAIVER OF DEFAULT:

The waiver by either party of any breach or violation of any requirement of this Agreement shall not be deemed to be a waiver of any such breach in the future, or of the breach of any other requirement of this Agreement.

In no event shall any payment by COUNTY constitute a waiver of any breach of this Agreement or any default which may then exist on the part of the CONTRACTOR. Neither shall such payment impair or prejudice any remedy available to COUNTY with respect to the breach or default. COUNTY shall have the right to demand of the CONTRACTOR the repayment of any funds disbursed to the CONTRACTOR under this Agreement, which in the judgment of COUNTY were not expended in accordance with the terms of this Agreement. The CONTRACTOR shall promptly refund any such funds upon demand.

CONTRACTOR agrees to provide COUNTY with any reports that may be

required by County, State or Federal agencies for compliance with this Agreement.

11. MONITORING:

CONTRACTOR agrees to extend to the Humboldt County Mental Health Branch Director, the State Department of Mental Health or their designees, the right to review and monitor records, programs or procedures, at any time, in regards to clients, as well as the overall operation of CONTRACTOR'S programs in order to ensure compliance with the terms and conditions of this Agreement.

12. ASSIGNMENT:

Neither party shall assign its obligations under this Agreement without the prior written consent of the other party. Any assignment by CONTRACTOR in violation of this provision shall be void and shall be cause for immediate termination of this Agreement.

13. SUBCONTRACTING:

CONTRACTOR shall not subcontract for any services without prior written approval of COUNTY.

14. RELATIONSHIP OF PARTIES:

It is understood that this is an Agreement by and between two independent contractors and is not intended to, and shall not be construed to, create the relationship of agents, servant, employee, partnership, joint venture, or any other similar association. Both parties further agree that CONTRACTOR shall not be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, retirement benefits, worker's compensation and injury

leave or other leave benefits.

15. NUCLEAR FREE HUMBOLDT COUNTY ORDINANCE COMPLIANCE:

CONTRACTOR certifies by its signature below that CONTRACTOR is not a Nuclear Weapons Contractor, in that CONTRACTOR is not knowingly or intentionally engaged in the research, development, production, or testing of nuclear warheads, nuclear weapons systems, or nuclear weapons components as defined by the Nuclear Free Humboldt County Ordinance. CONTRACTOR agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONTRACTOR becomes a Nuclear Weapons Contractor.

16. COMPLIANCE WITH LAWS:

CONTRACTOR agrees to comply with all applicable local, State and Federal laws and regulations, including but not limited to the Americans with Disabilities Act. Compliance with the Americans with Disabilities Act, includes, but is not limited to, the following areas:

- A. Whatever written information is provided regarding its programs will also be provided in alternate formats, including Braille, large print audio recording, and electronic formats, upon request.
- B. Enter into contracts or make other arrangements with qualified sign language and oral interpreters to ensure their availability when required for effective communication with persons who are deaf or hard of hearing. The type of aid that will be required for effective communication will

depend on the individual's usual method of communication, and the nature, importance, and duration of the communication at issue. In many circumstances, oral communication supplemented by gestures and visual aids, an exchange of written notes, use of a computer or typewriter, or use of an assistive listening device may be effective. In other circumstances, qualified sign language or oral interpreters are needed to communicate effectively with persons who are deaf or hard of hearing. The more lengthy, complex, and important the communication, the more likely it is that a qualified interpreter will be required for effective communication with a person whose primary means of communication is sign language or speech reading.

- C. If CONTRACTOR operates a hotline to take telephone calls of an emergency nature, the Contractor shall ensure that it provides equivalent service for persons who use TTY's including providing direct-connection service for TTY users with hotline operators, without requiring TTY users to call through a third party operator, such as through the State or local Telecommunication Relay procedures, and provide the training necessary to ensure effective communication by Hotline staff with direct-connection callers using TTY's, as well as the training necessary to respond to callers who use the Telecommunication Relay Services.
- D. Survey facilities used as shelters or designated as potential shelters – or for counseling, job training, education, clothing or household provisioning, or other aspects of programs- to ensure that adequate arrangements are

available for potential clients and family members with disabilities, including adults and children who have mobility impairments, who are blind or have low vision, and who are deaf or hard of hearing.

- E. Have written procedures and modify, as appropriate, eligibility criteria, to ensure that no person with a disability is turned away from a shelter or otherwise denied the opportunity to benefit from the services of CONTRACTOR'S program on the basis of disability.
- F. Have written procedures to ensure that persons with disabilities who use service animals are not denied or discouraged from participating in CONTRACTOR'S program, are able to be housed and served in an integrated environment, and are not separated from their service animals while participating in the program even if pets are normally not permitted in the facilities where such programs are conducted. The procedures will not unnecessarily segregate persons who use service animals from others but may take into account the potential presence of persons who, for safety or health reasons, should not be in contact with certain types of animals.
- G. Have written procedures to ensure that reasonable modifications are made to the CONTRACTOR'S program when necessary for a client or family member with a disability to participate in such programs, unless doing so would fundamentally alter the nature of the program.
- H. Have written policies to ensure that despite any "drug-free" policy of the CONTRACTOR'S program, persons with disabilities who use medication

prescribed for their use are able to continue using such medication while participating in such Programs or being housed in a shelter.

CONTRACTOR agrees that all professional level persons employed by CONTRACTOR have met applicable professional licensure requirements pursuant to the Welfare and Institutions and Business and Professions Codes.

CONTRACTOR further agrees to comply with any applicable Federal, State or local licensing standards, any applicable accrediting standards and any other applicable standards or criteria established locally or by the State or Federal governments.

17. VENUE AND APPLICABLE LAW:

This Agreement shall be construed in accordance with the laws of the State of California. Any dispute arising hereunder or relating to this Agreement shall be litigated in the State of California and venue shall lie in the County of Humboldt unless transferred by court order pursuant to Code of Civil Procedure Sections 394 and 395.

18. REFERENCE TO LAWS AND RULES:

In the event any law, regulation or policy referred to in this Agreement is amended during the term hereof, the parties agree to comply with the amended provision as of the effective date of such amendment.

19. NONDISCRIMINATION:

A. Consistent with the requirements of applicable Federal or State law, CONTRACTOR will not engage in any unlawful discriminatory practices in the admission of patients, assignments of accommodations, treatment,

evaluation, employment of personnel, or in any other respect on the basis of race, color, gender, religion, marital status, national origin, age, sexual orientation or mental or physical handicap.

- B. During the performance of this Agreement, CONTRACTOR and its subcontractors will not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, mental or physical handicap, medical conditions, marital status, age, sexual orientation or sex. CONTRACTOR and its subcontractors will comply with the Disabilities Act of 1990, the Fair Employment and Housing Act (Government Code, Section 12900 et seq.) and the applicable regulations promulgated thereunder (Title 2, CCR, Section 7285 et seq.). CONTRACTOR will ensure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination. The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990, set forth in Chapter 5, Division 4 of Title 2, CCR, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. CONTRACTOR and its subcontractors will give written notice of their obligation under this clause to labor organizations with which they have a collective bargaining or other agreement.
- C. CONTRACTOR will comply with the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, pertaining to the prohibition of discrimination against qualified handicapped persons in all federally

assisted programs or activities, as detailed in regulations signed by the Secretary of Health and Welfare Agency, effective June 2, 1977, and found in the Federal Register, Volume 42, No. 86, dated May 4, 1977.

- D. CONTRACTOR will include the nondiscrimination and compliance provisions of this Agreement in all subcontracts to perform work under this Agreement.

20. RECORDS:

CONTRACTOR shall maintain statistical, clinical and financial records in the manner provided by the State Health and Welfare Agency and make such records available to COUNTY as required by the Humboldt County Mental Health Branch Director, and the California State Health and Welfare Agency.

- A. Fiscal Records -- if applicable, CONTRACTOR shall maintain accurate records of its costs and operating expenses. Such records of costs, expenditures and reimbursements shall be maintained for at least five (5) years from the close of the State's fiscal year during which services were provided, or until audit findings are resolved, whichever is later. Such records shall be open to inspection by the Humboldt County Mental Health Branch Director, the Humboldt County Auditor-Controller, the Humboldt County Grand Jury, the State Controller, the State Director of the Department of Mental Health or any of their designees.
- B. Clinical Records -- if direct patient or client treatment services have been provided, CONTRACTOR shall maintain accurate and legible clinical/medical records in accordance with the Humboldt County Mental

Health Medical Records Policy and Procedures. CONTRACTOR shall maintain medical records for at least seven (7) years from the close of the State's fiscal year during which services were provided, except that the records of persons under age eighteen (18) at the time of treatment shall be maintained: a) until one (1) year beyond the person's eighteenth (18th) birthday or b) for a period of seven (7) years beyond the date of discharge, whichever is later. All such records shall be considered confidential patient records in accordance with California Welfare and Institutions Code, Section 5328, regarding patient confidentiality. Clinical records shall contain sufficient detail to make possible an evaluation by the Humboldt County Mental Health Branch Director or designee or the State Department of Mental Health, and shall be kept in accordance with the rules and regulations of the California Code of Regulations, Title XXII.

21. CONFIDENTIALITY OF RECORDS:

In the performance of this Agreement, CONTRACTOR may receive confidential information. All press releases and informational material related to this Agreement shall

funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated or maintained with such Federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable Federal funds is Medicare or Medicaid; or facilities where Women, Infants and Children Program (WIC) coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to One Thousand Dollars (\$1,000.00) for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing this Agreement, CONTRACTOR certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

29. UTILIZATION REVIEW:

COUNTY, through its Mental Health Branch Director, may designate a person(s) to perform a utilization and/or professional standards review of all patients for which it is expected to make reimbursement.

31. DETERMINATION OF ABILITY TO PAY:

This shall be done any time there is a demonstrable change in patient/clients financial status but no less than annually. CONTRACTOR avers that inability to pay shall be no bar to CONTRACTOR's services. However, CONTRACTOR further agrees that unwillingness to pay may bar services (except in emergencies) following consultation with COUNTY. COUNTY agrees to provide training in the determination of ability to pay.

32. AMENDMENT:

This Agreement may be amended at any time during the term of this Agreement upon the written mutual consent of both parties.

33. ADMISSION POLICIES:

The patient population to be served is adults with mental illness in need of long-term treatment. In order for proper reimbursement:

- A. All referrals to CONTRACTOR must be authorized by the Humboldt County Mental Health Branch Director or designee.
- B. The final admission decision shall rest with CONTRACTOR.
- C. If admission is denied, the Humboldt County Mental Health Branch Director or designee shall be immediately notified and shall be informed of the reasons leading to the denial.
- D. Policies and procedures for admission shall be written by CONTRACTOR

based on this Agreement. Policies include a provision that patients are accepted for care without discrimination on the basis of race, color, religion, gender, national origin, age, sexual preference, or physical or mental disability.

E. In recognition of the fact that clients are referred by DHHS and that DHHS has specific responsibilities for long-term case coordination, CONTRACTOR agrees to participate in and accept the overall care plan for patients, including but not limited to discharge planning and timeliness for discharges as a condition of acceptance of the client for admission.

34. HIPAA COMPLIANCE-COVERED ENTITY TO COVERED ENTITY

COUNTY and CONTRACTOR each consider and represent themselves as covered entities as defined by the U.S. Health Information Portability and Accountability Act and agree to use and disclose protected health information as required by law.
