DISCUSSION:

The general duties and responsibilities of the Coroner/Public Administrator division of the Sheriff's Office is to investigate and determine the manner and cause of death, protect the property of the decedent, ensure that the decedent is properly interred, and administer the decedent's estate where appropriate. The Sheriff-Coroner signs the death certificate, listing the manner and cause of death and as Public Administrator the office assists attorneys and private citizens with management of estates.

The Sheriff-Coroner contracts with medical doctors and outside laboratory facilities to provide autopsies and forensic medical services. Supplemental budget adjustment #1 was approved by your Board on June 2, 2015; however, an unexpectedly high number of deaths requiring these specialized services have exceeded projections at that time.

Expenses through eleven months of the fiscal year, plus projected expenses for June 2015 have exceeded original budget projections by 66% and necessitate a second adjustment to the Coroner's budget to finish out the remainder of the year.

FINANCIAL IMPACT:

A supplemental budget adjustment in the amount of \$25,000 is requested to cover the over-expenditure of line item 1100-272-2118 Professional Services and allow for continued autopsy and forensic medical services through June 30, 2015. The Sheriff-Coroner is able to recover costs for the additional expenses through fees that are deposited to revenue line 614020. There will be no impact to the General Fund.

The supplemental budget adjustment meets the Board of Supervisors Strategic Framework Plan goal of providing community-appropriate levels of service.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could deny the request to approve the supplemental budget adjustment #2, however, this is not recommended as Budget Unit 272 for the Coroner/Public Administrator would be overdrawn and unable to meet obligations for the remainder of fiscal year 2014-15.
