☐ Test Well Provide CEQA Project No.

Terms of Permit

1. Work on a well shall not be started prior to approval of the Water Well Application by DEH.
2. Any changes made to the location of a new well shall be approved by DEH prior to commencement of drilling.
3. DEH personnel will be notified a minimum of 24 hours prior to sealing the annular space to arrange for final inspection. Drillers who anticipate completing a well in less than one day shall notify DEH 24 hours prior to commencement of drilling and provide the anticipated time to commence the sealing of the annular space. Should situations arise that prohibit a final inspection at the appointed time, DEH may allow a seal to be tremied or placed without inspection. In such cases, no seal shall be tremied or placed until permission to proceed is given by DEH. Sanitary seals placed without the benefit of DEH inspection shall require photo documentation demonstrating adequate installation for final approval.
4. All drilling fluids and other drilling materials used in connection with the permitted work shall be disposed of in a safe and appropriate manner.
5. The permittee shall maintain a copy of this permit on the drilling site during all stages of construction or destruction.
6. Any deviation from the approved plan without prior approval from DEH may result in revocation of this permit.
7. Well construction permits will expire three years after the date approved by DEH. Incomplete water well applications will expire one year after DEH staff completes a request to the applicant for more information.

Special Provisions for Test Wells

1. Test well construction permit applications will only be accepted if the property owner is the permit applicant.
2. Test well permit applications will only be approved to support a pending CEQA project with another Lead Agency.
3. Test wells are only to be used for information collection purposes and are not permitted for any other use. After completion of the well, seal and pump test, a permanent welded cap (PVC or steel) shall be installed onto the well casing and observed by DEH staff in order to receive final approval.
4. Aside from completing necessary information collection, test wells shall not be used prior to receiving approval from the Lead Agency and obtaining a modification permit to convert the test well to a production well.
5. If the CEQA project is cancelled, denied, revoked, or otherwise discontinued, the owner must obtain a permit, within six months of the decision, to destroy the well; destruction must be completed prior to expiration of the test well permit.

DIRECTOR'S DEED

KNOW ALL MEN BY THESE PRESENTS:

That the STATE OF CALIFORNIA, acting by and through its Director of Public Works, does hereby grant to ELSIE H. WISE, JOHN J. HANSEN and RUBY H. WINZLER, each as to an undivided 1/4 interest; JOHN H. HANSEN, LOIS ANN HANSEN and HARRIET H. RICHARDS, each as to an undivided 1/12 interest, all that certain real property situate, lying and being in the _____

County of Humboldt, State of California, described as follows, to-wit:

That portion of the parcel of land conveyed from Henry W. Perrott to the State of California by deed dated May 28, 1956, recorded in Book 408 of Official Records, page 123, Humboldt County Records, which lies within the following described boundaries:

Beginning at a point from which the northwest corner of Section 29, Township 3 North, Range 1 West, Humboldt Base and Meridian, bears N. 88° 03' 34" W., 1619.98 feet, and from which point of beginning Engineer's Station "G" 148+50.00 P.O.C. of the Department of Public Works' survey from 0.4 mile north of Fernbridge to 0.7 mile north of Hookton Road, State highway I-Hum-1-G, bears N. 19° 47' 36" E., 260.00 feet;

(1) Thence, S. 19° 47' 36" W., 89.48 feet to the southerly line of the parcel of land conveyed from Mary E. Van Duzer to the State of California by deed dated June 14, 1930, recorded in Book 198 of Deeds, page 274, Humboldt County Records;

(2) Thence, northwesterly, along said southerly line, 200 feet to the westerly line of said parcel of land conveyed by Henry W. Perrott to the State of California;

(3) Thence, northerly, along said westerly line, 151.64 feet to a point that bears N. 50° 02' 05" W., from the point of beginning;

(4) Thence, S. 50° 02' 05" E., 203.56 feet to the point of beginning.

Containing 0.49 of an acre.

Excepting and reserving unto the State of California any and all rights of ingress to or egress from the land herein conveyed over and across the northeasterly 55.48 feet of course (1) and over and across course (4).

It is the purpose of the foregoing exception and reservation to provide that no easement of access shall attach or be appurtenant to the property hereby conveyed, by reason of the fact that the same abuts upon a public way and upon a State highway, with access only to the State highway being restricted.

The conveyance of the fee interest in the above described parcel of land does not include any appurtenant easements or rights to water or pipe lines.

20157

Subject to special assessments if any, restrictions, reservations, and easements of record.

AND BE IT FURTHER KNOWN:

FIRST, the Director of Public Works has heretofore found and determined and does hereby find and determine, that the said lands were acquired for State highway purposes and are no longer necessary, and are not now being used for highway uses or purposes;

SECOND, that this conveyance is executed pursuant to the authority vested in the Director of Public Works by law and, in particular, by the Streets and Highways Code.

WITNESS the hand of the Director of Public Works, and the seal of the Department of Public Works of the State of California, this 30th day of November, 1960.
