Dear Luke,

Congratulations! Humboldt County Public Defender Office has been awarded \$743,864 for the Expanded Public Defense Services (Holistic Defense) Grant. The Office of the State Public Defender (OSPD)'s offer of these grant funds is contingent on your agreement to the following terms:

1. Grant Period and Service Term

- The grant service term – meaning the period during which services must be made available to clients using grant funds – is March 2, 2026 – May 15, 2028.
- The grant period is February 1, 2026 – June 1, 2028.
 - This allows for some time before and after the service term to use funds for planning and wrap up. Some examples may include data collection planning or reporting and work related to hiring. All grant funds expire on June 1, 2028.

2. Disbursement of Funds

- Grantees may commence work when all approvals have been obtained, the grant period has commenced, and Grantee has been given written authorization to begin work by OSPD.
- Grantee shall provide written acknowledgment to OSPD at ospd.grant@ospd.ca.gov within 10-days of receipt of funds.
-

3. Allowable Uses

- Grant funds may only be used to fund activities and services explicitly specified in the approved project proposal.

- Should the Grantee determine that a change in the proposed scope of work or proposed budget become necessary, Grantee shall submit a written request to OSPD at ospdgrant@ospd.ca.gov within 15-days of the identified need and await written approval by OSPD of any requested change before taking action.

4. Fiscal and Programmatic Reporting

- Grantee shall submit progress and expenditure reports biannually utilizing reporting templates provided by OSPD on the schedule outlined in the table below.
 - In addition to the required reports, grantee shall comply with all reasonable requests from OSPD for additional information about program activities and/or expenditures.
- Grantee shall maintain all supporting documentation (including, but not limited to executed contracts, invoices, receipts, and accounting records) for a minimum of three (3) fiscal years after the end of the grant period to document and account for all funding received.
 - OSPD, their designee, or any legally authorized state audit official, will be permitted access to review or audit all applicable records to verify expenditures and activities under the grant.
- Grantee must identify and disclose any unspent grant funds in the final grant expenditure report and commit to return or repay any portion of the funds not used for the specified purposes outlined in the grant proposal within 15-days after submitting the final grant expenditure report.
