- C. Construction of Provision. The terms used herein shall have the meanings set forth in the definition and coverage sections of the rules implementing Federal Executive Order 12549.
- D. Effect of Non-Compliance. Failure to meet any of the requirements set forth herein shall constitute a material breach of this Agreement, upon which COUNTY may, in addition to any other available remedies, immediately suspend any and all payments due hereunder or terminate this Agreement as provided herein.
- E. Incorporation of Provisions. CONTRACTOR agrees to include the provisions contained herein, without substantial modification, in all lower tier covered transactions as well as all solicitations for lower tier covered transactions.

17. INTELLECTUAL PROPERTY RIGHTS:

CONTRACTOR hereby agrees to comply with any and all applicable intellectual property rights provisions contained in the Substance Use Disorder Services Agreement (State Standard Agreement No. 17-94129) that COUNTY has with DHCS, which are incorporated herein by reference and made a part hereof as if set forth in full.

A. Ownership. By executing this Agreement, CONTRACTOR, for itself, and its principals, assignees and successors in interest, agrees as follows:

1. Except where DHCS has agreed in a signed writing to accept a license, DHCS shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all “Intellectual Property,” from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement.
 - a. For purposes of this Agreement, “Intellectual Property” means any and all recognized and protectable rights and interests, including, without limitation, patents, whether issued or not, copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author’s rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, design flows, methodologies, devices, business processes, developments, innovations, know how, good will and all other legal rights protecting intangible proprietary information as may exist now and/or come into existence hereafter, and all renewals and extensions, regardless of whether those rights arise under the laws of any state, the United States or any other country or jurisdiction.
 - i. For purposes of the definition of “Intellectual Property,” “works” means all literary works, writings and printed matter, including the medium by which they are recorded or reproduced, photographs, art work, pictorial and graphic representations and works of a similar nature, film, motion pictures, digital images, animation cells and other audiovisual works, including positives and negatives thereof, sound recordings, tapes, educational materials, interactive videos and any other materials or products created, produced, conceptualized and fixed in a tangible medium of expression. It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. The term “works” does not include articles submitted to peer review, reference journals or independent research projects.
2. In the performance of this Agreement, CONTRACTOR will utilize certain of its Intellectual Property in existence prior to the effective date of this Agreement. In addition, CONTRACTOR may access and utilize certain of DHCS’ Intellectual Property in existence prior to the effective date of this Agreement. Except as otherwise set forth herein, CONTRACTOR shall not use any of DHCS’ Intellectual Property now existing or hereafter existing for any purpose without DHCS’ prior written permission. Except as otherwise set forth herein, neither CONTRACTOR nor DHCS shall give any ownership interest in, or rights to, its Intellectual Property to the other party. If during the term of this Agreement, CONTRACTOR accesses any third-party Intellectual Property that is licensed to DHCS, CONTRACTOR agrees to abide by any and all license and confidentiality restrictions applicable to DHCS in the third-party’s license agreement.
3. CONTRACTOR agrees to cooperate with DHCS in establishing or maintaining DHCS’ exclusive rights in the Intellectual Property, and in assuring DHCS’ sole rights against third parties with respect to the Intellectual Property. If CONTRACTOR enters into any agreements or subcontracts with other parties in order to perform its duties and obligations hereunder, CONTRACTOR shall require the terms of such agreements or subcontracts to include all of the

Intellectual Property provisions set forth herein. Such terms must include, without limitation, the subcontractor assigning and agreeing to assign to DHCS all rights, title and interest in Intellectual Property made, conceived, derived from or reduced to practice by the subcontractor, CONTRACTOR or DHCS as a direct or indirect result of this Agreement or any subcontract related hereto.

4. CONTRACTOR further agrees to assist and cooperate with DHCS in all reasonable respects, execute all documents, give testimony, subject to reasonable availability, and take all further acts reasonably necessary to acquire, transfer, maintain and enforce DHCS' Intellectual Property rights and interests.

B. Retained Rights and License Rights. By executing this Agreement, CONTRACTOR, for itself, and its principals, assignees and successors in interest, agrees as follows:

1. Except for Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement, CONTRACTOR shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. CONTRACTOR hereby grants to DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display or perform, distribute and dispose CONTRACTOR's Intellectual Property resulting from this Agreement, unless CONTRACTOR assigns all rights, title and interest in the Intellectual Property as set forth herein.
2. Nothing in this provision shall restrict, limit or otherwise prevent CONTRACTOR from using any ideas, concepts, know-how, methodology or techniques related to the performance of its duties and obligations hereunder, provided that CONTRACTOR's use does not infringe the patent, copyright, trademark, license or other Intellectual Property rights of DHCS or any third-party, or result in a breach of this Agreement or violation of any applicable local, state or federal laws, regulations or standards relating to confidentiality, data security or privacy.

C. Copyright. By executing this Agreement, CONTRACTOR, for itself, and its principals, assignees and successors in interest, agrees as follows:

1. CONTRACTOR agrees that for purposes of copyright law, all works, as defined herein, of authorship made by or on behalf of CONTRACTOR in connection with the performance of its duties and obligations hereunder shall be deemed "works made for hire." CONTRACTOR further agrees that the work of each person utilized by CONTRACTOR in connection with the performance of this Agreement will be a "work made for hire," whether that person is an employee of CONTRACTOR or has entered into an agreement with CONTRACTOR to perform the work. CONTRACTOR shall enter into a written agreement with any such person which provides that: all work performed for CONTRACTOR shall be deemed a "work made for hire" under the Copyright Act; and such person shall assign all right, title and interest to DHCS to any work product made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement.
2. Any and all materials, including, without limitation, visual works or text, reproduced or distributed pursuant to the terms and conditions of this Agreement that include Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement, shall include DHCS' notice of copyright, which shall read in three (3) millimeter or larger typeface: "© [*Enter Current Year e.g., 2010, etc.*], California Department of Health Care Services. This material may not be reproduced or disseminated without prior written permission from the California Department of Health Care Services." This notice should be placed prominently on the materials and set apart from other matter on the page

where it appears. Audio productions shall contain a similar audio notice of copyright.

- D. Patent Rights. With respect to inventions made by CONTRACTOR in the performance of its duties and obligations hereunder, which did not result from research and development specifically included in Exhibit A – Scope of Services, CONTRACTOR hereby grants to DHCS a license for any and all devices or materials incorporating, or made through the use of, such inventions. If such inventions result from research and development work specifically included within Exhibit A – Scope of Services, CONTRACTOR agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHCS in securing United States and foreign patents with respect thereto.
- E. Third-Party Intellectual Property. Except as provided herein, CONTRACTOR agrees that the performance of its obligations and duties hereunder shall not be dependent upon or include any Intellectual Property of CONTRACTOR or third-party without first: obtaining DHCS’ prior written approval; and granting to or obtaining for DHCS, without additional compensation, a license, as described herein, for any of CONTRACTOR’s or third-party’s Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon these terms is unattainable, and DHCS determines that Intellectual Property should be included in, or is required for CONTRACTOR’s performance of, this Agreement, CONTRACTOR shall obtain a license under terms acceptable to DHCS.
- F. Warranties. By executing this Agreement, CONTRACTOR, for itself, and its principals, assignees and successors in interest, represents, warrants and agrees as follows:
1. It is free to enter into and fully perform this Agreement.
 2. It has secured, and will secure, any and all rights and licenses necessary for the performance of its duties and obligations hereunder.
 3. Neither CONTRACTOR’s performance of this Agreement, nor the exercise by either party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display or performance, distribution and disposition of the Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement, will infringe upon or violate any Intellectual Property right, non-disclosure obligation or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States or any foreign country. There is currently no actual or threatened claim by any such third-party based on an alleged violation of any such right by CONTRACTOR.
 4. Neither CONTRACTOR’s performance of its duties and obligations hereunder, nor any part thereof, will violate the privacy rights of, or constitute a libel or slander against, any person or entity.
 5. It has secured, and will secure, any and all rights and licenses necessary for the use of Intellectual Property, including, without limitation, consents, waivers or releases from all authors of music or performances, talent, including radio, television and motion picture talent, and owners of any interest in sites, property or props that may be used or shown.
 6. It has not granted, and shall not grant to, any person or entity any right that might derogate, encumber or interfere with any of the rights granted to DHCS hereunder.
 7. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

8. It has no knowledge of any outstanding claims, licenses or other charges, liens or encumbrances of any kind or nature that could affect in any way CONTRACTOR's performance of its duties and obligations hereunder.
9. DHCS makes no warranty that the Intellectual Property resulting from this Agreement will not infringe upon any existing or subsequent patent, trademark, copyright or the like.

G. Intellectual Property Indemnity. By executing this Agreement, CONTRACTOR, for itself, and its principals, assignees and successors in interest, agrees as follows:

1. CONTRACTOR shall indemnify, defend and hold harmless DHCS, its licensees, assignees, officers, directors, employees, agents, representatives, successors and users of its products ("Indemnitees"), from and against all claims, actions, damages, losses or liabilities, whether or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto, including, without limitation, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action or proceeding, whether commenced or threatened, to which any of the Indemnitees may be subject, whether or not CONTRACTOR is a party to any pending or threatened litigation, which arise out of or are related to: the incorrectness or breach of any of the representations, warranties, covenants or agreements of CONTRACTOR pertaining to Intellectual Property; or any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance or display, license and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement. CONTRACTOR's indemnity obligations hereunder shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in, at CONTRACTOR's expense, any such infringement action brought against DHCS.
2. Should any Intellectual Property licensed by CONTRACTOR to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, CONTRACTOR shall exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with the terms and conditions of this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel, at CONTRACTOR's expense, in any such claim or action. In the defense or settlement of the claim, CONTRACTOR may obtain the right for DHCS to continue using the licensed Intellectual Property; or replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other available rights and remedies.
3. CONTRACTOR agrees that damages alone would be inadequate to compensate DHCS for CONTRACTOR's breach of the Intellectual Property provisions set forth herein. CONTRACTOR acknowledges DHCS would suffer irreparable harm in the event of such breach, and agrees DHCS shall be entitled to obtain equitable relief, including, without limitation, an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

H. Federal Funding. In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title and ownership, which results directly or indirectly from this Agreement; except as provided in 37 C.F.R. Section 401.14; however, the federal government shall have a worldwide, non-exclusive, nontransferable, irrevocable, paid-up license to

use, duplicate or dispose of such Intellectual Property in any manner for governmental purposes and to have and permit others to do so.

- I. Survival. The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule associated therewith.

18. NON-DISCRIMINATION COMPLIANCE:

- A. Compliance with Anti-Discrimination laws. CONTRACTOR hereby assures that it, and its subcontractors, shall comply with the provisions of Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1975, California Welfare and Institutions Code Section 10000, Division 21 of the California Department of Social Services Manual of Policies and Procedures, Federal Executive Order 11246, as amended, the Americans with Disabilities Act of 1990, the California Fair Employment and Housing Act and any other applicable local, state and federal laws, regulations or standards, all as may be amended from time to time. Such actions shall include, without limitation: employment, promotion, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including, but not limited to, apprenticeship. Nothing herein shall be construed to require the employment of unqualified persons.

Such insurance shall include coverage of all owned, hired and non-owned vehicles, and be at least as broad as Insurance Service Offices Form Code 1 (any auto).

3. Workers' Compensation Insurance, as required by the California Labor Code, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY and its agents, officers, officials, employees and volunteers.

B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:

1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, and its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by, or on behalf of, CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY or its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:
 - a. Includes contractual liability.
 - b. Does not contain exclusions as to property damage caused by explosion or collapse of structures or underground damage, commonly referred to as "XCU Hazards."
 - c. Is the primary insurance with regard to COUNTY.
 - d. Does not contain a pro-rata, excess only and/or escape clause.
 - e. Contains a cross liability, severability of interest or separation of insureds clause.
2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice requirements set forth herein. It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
3. The inclusion of more than one (1) insured shall not operate to impair the rights of one (1) insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer's liability.
4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
5. Any failure to comply with the terms and conditions of this Agreement shall not affect the coverage provided to COUNTY or its agents, officers, officials, employees and volunteers.
6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. The procedures shall not unnecessarily segregate persons who use service animals from others, but may take into account the potential presence of persons who, for safety or health reasons, should not be in contact with certain types of animals.
7. CONTRACTOR shall have written procedures to ensure that reasonable modifications are made to CONTRACTOR's program when necessary for a client or family member with a disability to participate in such programs, unless doing so would fundamentally alter the nature of the program.
