DISCUSSION:

In June 2025, the Department of Health and Human Services - Public Health Branch, (DHHS - PHB), Substance Use Prevention (SUP) staff began working with The Clinton Foundation (TCF). One of TCF's recent initiatives has been in overdose prevention with a focus on naloxone distribution and education. As of today, the organization has distributed over 998,000 doses of naloxone through their Overdose Response Network.

DHHS - PHB, SUP became involved with TCF when the Department of Health Care Services (DHCS) recommended the County of Humboldt as TCF's first rural California county to partner with because of DHHS - PHB, SUP's leadership in rural overdose prevention work. The project that DHHS - PHB, SUP is assisting with is specifically aimed at engaging faith leaders in overdose prevention work through meetings and trainings from June 2025 through June 2026.

On March 12, 2026, DHHS - PHB SUP staff presented at the Empowering Faith Leaders training series with 24 County of Humboldt faith leaders as a part of TCF's work in this area. In recognition of DHHS - PHB, SUP's work at that event, the team lead, Katie Jo Slaughter, was offered an honorarium of \$1000.00 which will be used to supplement DHHS - PHB SUP's ongoing work in substance use prevention in the County of Humboldt. The honorarium is brought to you today for a decision on whether to accept or reject the gifts, consistent with Government Code section 25355 and the Board's Policy on Accepting Gifts and Donations.
