

**SUPPLEMENTAL INFORMATION  
No. 2**

For Planning Commission Agenda of:  
February 2, 2017

Re:     Applicant:             HMCP Humboldt, LLC  
       Case Number:         SP-16-011  
       APN Number:         511-131-016-000

Attached is an email received from the Division of Environmental Health regarding processing waste from water extraction. Based on these comments, the following condition of approval will be added to the project:

Process waste from water extraction, as proposed under section 13a. of the Operations Manual, is under the jurisdiction of the Regional Water Quality Control Board and must **not** be routed to the onsite septic without their approval.

## Estlow, Trevor

**From:** Kalson, Mario  
**Sent:** Wednesday, February 01, 2017 1:43 PM  
**To:** Estlow, Trevor  
**Cc:** Hawkins, Carolyn  
**Subject:** HMCP, LLC APPS# 10240 for APN:511-131-016

The proposal includes 1-3 FTE on page 1 of HMCP, LLC Operations Manual. Ok for approval, however, process waste from water extraction, as proposed under section 13a. of the Operations Manual, is under the jurisdiction of the Regional Board and must **not** be routed to the onsite septic without their approval.
