Dear Supervisor Madrone,

Please accept this letter as my formal resignation as an appointed member of the McKinleyville Municipal Advisory Committee. I am no longer able to serve as a member to serve the community of McKinleyville. My new position and family obligations require time that I am unable to sacrifice for the community to serve on this committee. My sincerest apologies to the community and to you for my inability to serve as I had initially committed to. Thank you for the opportunity to serve and to provide an indigenous female perspective from a Yurok Tribal member work view. I will do my best to attend meetings as a participant and offer input and solutions when I am available.

Thank you again.

Respectfully,

Stephanie Weldon
