

COUNTY OF HUMBOLDT

AGENDA ITEM NO.

D-8

For the meeting of: April 19, 2016

Date: April 7, 2016

To: Board of Supervisors

From: Connie Beck, Director, Department of Health and Human Services

Subject: Amendment to section 591-3 of the Humboldt County code relating to the Partnership HealthPlan of California Commission

RECOMMENDATION(S):

That the Board of Supervisors:

1. Adopt Ordinance No. 2548 amending Chapter 1 (Partnership HealthPlan of California Commission), Title V (Health and Safety), Division 9 (Health Care), of the Humboldt County Code.
2. Direct the Clerk of the Board, within fifteen days after the adoption of the ordinance, to publish a post-adoption summary of the ordinance with the names of the Supervisors voting for and against the ordinance, and direct the Clerk to post in the office of the Clerk of the Board a certified copy of the full text of the adopted ordinance.

SOURCE OF FUNDING: Federal and State Medi-Cal dollars

DISCUSSION: As part of the 2012/13 state budget, the State of California authorized expansion of Medi-Cal managed care into the twenty-eight rural counties that had provided Medi-Cal benefits on a fee-for-service basis only. On February 27, 2013, the California Department of Health Care Services announced that Medi-Cal benefits in Humboldt County would be provided by Partnership HealthPlan of California (PHC), an existing county organized health system model of Medi-Cal managed care.

On May 14, 2013 the Board of Supervisors adopted Ordinance No. 2501 adding Chapter 1 (Partnership HealthPlan of California Commission), Title V (Health and Safety), Division 9 (Health Care), to the Humboldt County Code. Ordinance 2501 authorizes the County of Humboldt to implement a county

organized health system and join the Partnership HealthPlan Commission. Section 591-3 of the ordinance states that the Partnership HealthPlan Commission representation shall be based on the number of Medi-Cal beneficiaries enrolled in the HealthPlan in each county as follows:

0-10,000 beneficiaries = 1 seat; 10,000-25,000 = 2 seats; 25,000-40,000 = 3 seats; 40,000+ = 4 seats.

On April 22, 2015, the PHC Board of Commissioners approved a resolution modifying the commission configuration to account for an increase in patient enrollment and limit the number of commissioners to 31, as follows:

0-25,000 = 1 seat; 25,000-40,000 = 2 seats; 40,000-55,000 = 3 seats; 55,000+ = 4 seats

On March 22, 2016, the Board of Supervisors introduced the above ordinance (Attachment 1) for adoption and directed the Clerk of the Board to publish a pre-adoption summary of the ordinance and set the ordinance for adoption at least one week away. This action completes adoption of the ordinance and will result in publication of a post-adoption summary.

FINANCIAL IMPACT: There is no additional financial impact to the county's General Fund associated with the recommendation before your board. This action supports the board's strategic framework by protecting vulnerable populations and creating opportunities for improved safety and health.

OTHER AGENCY INVOLVEMENT: Partnership HealthPlan of California

ALTERNATIVES TO STAFF RECOMMENDATIONS: The board could elect not to approve this action. This is not recommended as continued representation on the Partnership HealthPlan Commission is necessary to ensure participation in the county organized health system.

service basis only. On February 27, 2013, the California Department of Health Care Services announced that Medi-Cal benefits in Humboldt County would be provided by Partnership HealthPlan of California (PHC), an existing county organized health system model of Medi-Cal managed care.

On May 14, 2013 the Board of Supervisors adopted Ordinance No. 2501 adding Chapter 1 (Partnership HealthPlan of California Commission), Title V (Health and Safety), Division 9 (Health Care), to the Humboldt County Code (Attachment 1). Ordinance 2501 authorizes the County of Humboldt to implement a county organized health system and join the Partnership HealthPlan Commission. Section 591-3 of the ordinance states that the Partnership HealthPlan Commission representation shall be based on the number of Medi-Cal beneficiaries enrolled in the HealthPlan in each county as follows:

0-10,000 beneficiaries = 1 seat; 10,000-25,000 = 2 seats; 25,000-40,000 = 3 seats; 40,000+ = 4 seats.

With the large increase in Medi-Cal enrollment under the Affordable Care Act, the formula described in the existing ordinance would result in a PHC Board of Commissioners with 39 Members. On April 22, 2015, the PHC Board of Commissioners approved a resolution (Attachment 2) modifying the commission configuration to account for the increase in patient enrollment and limit the number of commissioners to 31, as follows:

0-25,000 = 1 seat; 25,000-40,000 = 2 seats; 40,000-55,000 = 3 seats; 55,000+ = 4 seats

The item before the board requests to amend Section 591-3 of the Humboldt County code to reflect the PHC Board of Commissioners action. This change does not affect the number of commissioners currently allocated to Humboldt County; the county will retain three seats on the PHC Board of Commissioners.

FINANCIAL IMPACT: There is no additional financial impact to the county's General Fund associated with the recommendation before your board. This action supports the board's strategic framework by protecting vulnerable populations and creating opportunities for improved safety and health.

CHAPTER 1

(Ord. 2501, § 1, 05/14/2013; Ord. ____, § __, __/__/2016)

The members appointed by the Humboldt County Board of Supervisors shall serve at the pleasure of the board and shall be selected as follows: (Ord. 2501, § 1, 05/14/2013)

591-4. TERM OF OFFICE.

The term for the commissioners shall be for four-year periods. Nothing herein shall prohibit a person from serving more than one term. REGULAR AGENDA REQUEST
for
PARTNERSHIP HEALTHPLAN OF CALIFORNIA

Board Meeting Date:
April 22, 2015

Agenda Item Number:
11.10

Resolution Sponsor:
Jack Horn, CEO, Partnership HealthPlan of CA

Recommendation by:
Governance Committee and PHC Staff

Topic Description:

On April, 16, 2015, the Governance Committee met to discuss current board configuration and a consumer at large position.

The committee's recommendations are highlighted below.

Board Configuration: with PHC membership projected to be approximately 550,000 by the end of 2015. Without modifying the board configuration with membership growth the Board would expand to 39 seats, so the committee approved Rule D below.

Rule D Board Configuration:

0 - 25,000 = 1 seat; 25,000 – 40,000 = 2 seats; 40,000 – 55,000 = 3 seats; 55,000+ = 4

Consumer Representation on the Board: many COHS plans have consumer or at-large positions on their boards. In past years, PHC has had consumer representation on the board. Staff feel it is importation to add back the consumer seat to capture the voice of members. Committee members agreed and felt the term should be for one year.

Bi-annual Board Training: while we have had training in the past, committee members felt it would be good to include them on the regular schedule. Staff will develop an official policy that includes new board member requirements and schedule a bi-annual board training to be done in the fall; beginning in 2015. Staff will also survey board members for topics of interest.

Note: Refer to the attached minutes for more information on each item discussed above.

Reason for Resolution:

The attached minutes contain the committee's recommendations:

1. New Rule D Board Configuration (attached).
2. Adding two at-large consumer members to the Board (One from the Northern Region and one from the Southern Region).
3. Establish a bi-annual Board Training to be done during the education session portion of the Board meeting.

Financial Impact:

There is no quantifiable impact to the HealthPlan.

Requested Action of the Board:

The Board is asked to approve the attached Governance Committee minutes and committee recommendations stated above.
