Hi Wade and Capt. Christian,

Thank you so much for making those changes. Let this email serve that DSH approves of the changes and the subcontract.

I will check with our Contracts team to see what they estimate the date will be on when the contract between DSH and Humboldt will be executed by the Dept of General Services so you have an ETA on when the final executed contract can be added to the subcontract between Humboldt and Wellpath.

Thank you,

Capt. Christian,

Attached is a copy including the JBCT Staffing Matrix as Exhibit D, removing the DSH signature block, and including as placeholder/reference an unexecuted copy of the agreement between DSH and Humboldt. Please feel free to substitute an executed copy in its place for the version to be fully executed.

Hoping this brings us to a final executable document, but do let me know if anything else needs to be addressed!

Best,

**WADE K. SIMS**

Wade,

Can you include the Wellpath staffing matrix to our contract and remove the signature area for Department of State Hospital otherwise everything looks good and my counsel is ok with the contract as is. After you do those two things can you sign it and send me an electronic copy so I can get it signed by Risk and too the board.

Hi Captain Christian,

One feedback item/question from leadership was provided – is there the possibility that the staffing matrix for Wellpath can be included in contract?

So according to my counsel your guys own contract say that you need to approve any subcontracts in writing so will you be providing us anything that you approve of it?
