Re: Fortuna Cemetery District Board of Trustee

I, Anthony Eusted, a resident of Rio Dell, California have attended the Fortuna Cemetery District Board of Trustee meetings for the past 22 years. I am the General Manager of the Fortuna Cemetery District. I am also the owner of Eel River Stone Works. I have seen many Board Members come and go for Fortuna Cemetery District and think I could fill this position for now and years to come.

I am asking for your approval of Appointment.

Sincerely, 

Anthony Eusted
