1. ADOPTION OF MEMORANDUM OF UNDERSTANDING

- 1.1. The representatives of the County of Humboldt, hereinafter “the County,” and the representatives of AFSCME Local 1684, AFL-CIO, hereinafter “AFSCME” or “the Union,” after having met and conferred in good faith, have herewith reached an agreement on wages, hours and other terms and conditions of employment. Said representatives have further mutually agreed to recommend to the Board of Supervisors of the County and the general membership of the Union that the following Memorandum of Understanding be adopted and ratified. The Union understands and agrees that this Memorandum of Understanding is not binding upon the County unless and until the County Board of Supervisors approves the Memorandum of Understanding and authorizes its Chair to sign the Memorandum of Understanding and the Memorandum of Understanding is signed off.
- 1.2. The Parties will meet periodically during the term of the Agreement to update, clarify, reorganize or otherwise improve the MOU through mutual agreement. The Parties will memorialize any mutually acceptable changes in side letters of agreement. The County may also reopen negotiations during the term of the MOU to negotiate impacts, if any, associated with changes made to comply with the Fair Labor Standards Act and/or California Senate Bill 278.

2. RECOGNITION

- 2.1. The County of Humboldt recognizes AFSCME Local 1684 as the recognized employee organization of employees in the classifications listed in Appendix A.
- 2.2. If classes are added or deleted, amendments to the list set forth in Appendix A may be made at the discretion of the Employee Relations Officer only after proper advance notification to, and consultation with, the Union.

3. MANAGEMENT, SUPERVISORY, CONFIDENTIAL EXCLUSION

- 3.1. In the event that the Meyers-Milias-Brown Act is amended or superseded during the term of the Memorandum of Understanding with reference to the subject of exclusion of managers, supervisors or confidential employees from any represented unit, both the County and the Union agree to meet and confer forthwith on the effect of such amendment or supersession.

4. RELEASE TIME

- 4.1. AFSCME will notify the County Employee Relations Officer/Director of Human Resources, or designee of the names of the representatives selected to represent the Union prior to any formal meet and confer or consultation session. A reasonable number of representatives shall be allowed reasonable time off without loss of compensation or other benefits when formally meeting and conferring or consulting with a designated County representative on matters within the scope of representation.
- 4.2. Preferably, meeting and conferring or consulting shall be conducted during the normal working hours of 8:00 a.m. to 5:00 p.m., Monday through Friday, unless otherwise agreed upon by the parties.
- 4.3. For equity of application, employee representative shift workers whose regularly scheduled shift occurs at other than 8:00 a.m. to 5:00 p.m. or whose regularly scheduled

days off are other than Saturday and Sunday may have their regularly scheduled shift adjusted to accommodate a meet and confer or consultation session to the above-described regular work hour/shift. The decision to adjust the employee representative's(s') work hour/shift shall be made by the appropriate department head solely on the basis of projected workload and work schedules.

- 4.4. The employee representative may appeal a decision not to adjust a work hour/shift to the Employee Relations Officer who shall decide the issue. The decision of the Employee Relations Officer shall be a final and binding decision. If adjustments to the work hour/shift cannot be made to accommodate the employee representative, the designated County representatives will arrange their schedules to accommodate the convenience of the Union representatives in scheduling meet and confer or consultation sessions.
- 4.5. Union representatives shall receive release time from their normal workday or shift for meetings with County representatives, caucus time, and travel time to and from meetings. Release time for other periods may be approved by the Employee Relations Officer. Whenever practicable, advance notice of 48 hours shall be made to the employee's supervisor when release time shall be needed.
- 4.6. Nothing in this provision shall be construed to limit the rights and obligations of Union representatives in regard to grievance representation or other spontaneous situations where Union representatives need to meet with management representatives in the normal representational process.
- 4.7. Paid release time shall be provided when requested in advance for all participants in the investigating and processing of grievances, including the grievant, employee organization representatives, and witnesses.
- 4.8. At the beginning of each calendar year, the Human Resources Department will provide to the Union a schedule of New Employee Orientation programs to include date, time and location of orientation and shall release a representative identified by AFSCME to present Union information.
- 4.9. Shop stewards will be provided unpaid release time for up to two (2) training days per year. Given the operational requirements of the County, the County may restrict the concurrent release of stewards to three stewards per department, except for DHHS which may be restricted to three stewards for each of the three major branches or divisions of DHHS (Public Health, Mental Health and Social Services).

 - 5.1.2.3. The occurrence of the visit does not adversely affect or inconvenience an employee who is or is not a member of the Union or the bargaining unit.
- 5.2. The County shall allow the Union to conduct general membership meetings in County facilities provided:
 - 5.2.1. The meeting or use of the facility does not interfere with the normal course of County business;

 - 9.2.4. Extra-Help Position. A position intended to be occupied on less than a year-round basis to cover seasonal peak workloads, unanticipated workloads of a limited duration, normal vacation and sick leave relief, and other situations involving a fluctuating staff. Substitute employees have all the rights and benefits of the regular employees they are replacing, except for permanent status and any exclusive rights or privileges of employees with permanent status. - 9.3.8. Work Experience Appointment. The appointment of a person to a work experience position as defined in Paragraph 9.2.5 above.
- 9.3.9. Emergency Appointment. An appointment authorized by the County Administrative Officer in an emergency situation, as defined in Merit System Rule IV, Section 7.

10. APPOINTMENTS, ADVANCEMENTS AND DEMOTIONS

- 10.1. Appointments. Appointments to and employment in the service of the County of Humboldt of employees who are on a range and step basis may not be made at a rate of compensation greater than the minimum applicable rate of compensation (Step 1A) except as follows:
 - 10.1.1. Appointment at Advanced Salary. When the maintenance of continuity of skilled or experienced personnel so requires, and that the qualifications, education, previous training and/or experience of a proposed employee justify a beginning salary in excess of such minimum compensation, upon approval of the County Administrative Officer prior to the date of hire or within 30 days of hire, an appointment may be authorized at some higher step than such minimum compensation in the appropriate range. After 30 days following an employee's date of hire, salary advancements requested, other than those described in Paragraph 10.2 below, must be approved by the Board of Supervisors per Section 7 of the Salary Resolution.
 - 10.1.2. Appointment Prior to Vacancy. Upon recommendation of the department head, and with the approval of the County Administrative Officer, a person may be employed for training purposes for a period of time not to exceed two (2) weeks prior to the termination of services of the employee being replaced. The employment may be in the same position as the person being replaced.
- 10.2. Salary Advancements. Salary advancements for personnel who are on a range and step basis are predicated on length of service as follows:
 - 10.2.1. All such employees shall receive an automatic increase of one (1) step on the first day of the pay period following the date that the employee's total actual hours in paid status equals thirteen (13) pay periods of full-time service rendered by him/her to the County in the same class. Thereafter, each such employee shall receive an automatic one-step increase up to and including Step E when their total hours in a paid status at each step equals twenty-six (26) pay periods of full-time service rendered by him/her to the County in the

same class. The effective dates of each step increase will be the anniversary date of such employee.

10.2.2. Employees who are paid on an hourly basis shall receive an automatic increase in the same manner as described above, with the first increase on the first day of the pay period following the date that the employee's total actual hours in a continuous paid status equals thirteen (13) pay periods of full-time service rendered by him/her to the County in the same class. Other than for the purpose of computing salary, the starting date of an employee's service shall be the first date of the pay period if the initial employment, promotion, reclassification or demotion occurs during the first half of said pay period, or the first day of the next succeeding pay period if the initial employment, promotion, reclassification or demotion occurs during the last half of said pay period.

10.3. Promotional Salary Placement. An employee on a range and step basis promoted or reclassified to a position in a class having a higher maximum rate than that of their present class shall receive the minimum salary for that class or the rate in the new range which is next above their present rate, whichever is greater. Additional salary increases within the range shall be in accordance with the principle set forth in Paragraph 10.2 above, with the first increase on the first day of the pay period following the date that the employee's total actual hours in a paid status equals thirteen (13) pay periods of full-time service rendered by him/her to the County in the same class.

When the normal promotion or reclassification for any employee to a higher class would result in a salary increase of less than five percent (5%), the salary of such employee will be adjusted to the step in the new range which is at least five percent (5%) higher than the present salary rate, or the maximum salary for the class, whichever is less.

The effective date of a reclassification shall be the first day of the pay period following approval of the reclassification by the Board of Supervisors.

For reclassifications and promotions, additional ranges being received temporarily by an employee (acting supervisor, working out of class, etc.) are not included in the calculation for step placement.

10.3.1. Any classification whose advancement is based upon professional certification/registration shall be advanced effective the first pay period following receipt by the Department head of written receipt of a copy of the required certification/registration.

10.4. Demotions. Demotions for employees on a range and step basis are to be handled as follows:

10.4.1. Voluntary or Involuntary Demotions.

10.4.1.1. Voluntary Demotions. The wage of an employee who voluntarily demotes shall be adjusted to the step in the new range that would have been attained if the total service of said employee in county service were combined and full credit given for step increases. The employee's anniversary date will remain unchanged.

- 10.4.1.2. Involuntary Demotions. The wage of an employee who is involuntarily demoted will normally be adjusted to the step in the new range that would have been attained if the total service of said employee in the class from which the demotion occurred and the class to which the demotion is made (if any) county service were combined and full credit given for step increases. The appointing authority may place an employee in a lower step than provided above for just cause, subject to due process. The employee's anniversary date will remain unchanged.
- 10.4.2. Downward Reclassification. When an employee's position is reclassified to a class having a lower salary range, the employee shall be placed either:
 - 10.4.2.1. On the step in the new range that is equivalent to the salary received under the old range; or
 - 10.4.2.2. On the nearest higher step of the new range if the present salary falls between steps of the new range.
 - 10.4.2.3. The employee's salary shall remain unchanged (Y-rated) if the salary on the old range is higher than Step E of the new range and shall remain unchanged until such time as general salary range adjustments increase the salary for the new class to a level which encompasses the Y-rated salary.
 - 10.4.2.4. The salary of a downward reclassified employee that is within the range of the demoted class shall be adjusted to the next higher step in that range at the employee's next thirteen (13) pay period or twenty-six (26) pay period increase, whichever occurs first, except as provided in Section 7 of the Salary Resolution.
- 10.5. Employment of Relatives. No person shall be employed by an appointing power who is a relative of the appointing power, and no person shall be assigned to a position that would cause him to directly supervise or be supervised by a relative, except in cases where female prisoners require escorts, or, upon approval of the Director of Human Resources, in positions requiring peculiar or exceptional qualifications of a scientific, professional or expert character.
 - 10.5.1. "Relative" as used herein shall mean wife, husband, domestic partner, parent, child, grandparent, grandchild, brother or sister. "Domestic partner" shall mean a person who is neither married nor related by blood or marriage to the employee, is the employee's sole spousal equivalent, and is responsible with the employee for each other's welfare.

11. REGULAR PART-TIME STATUS

- 11.1. The County and the Union agree that employees in regular part-time positions within the classified service (as defined below) shall be subject to the following:
 - 11.1.1. Regular Part-Time Position. A position in the classified service in which an employee is paid on an hourly basis for working a continuing, year-round

work week of fewer hours than the established work week, but one-half (½) or more of a regular full-time work week, in the department in which they are employed. Employees working less than half-time (0.5 FTE) shall be considered extra-help as described in Salary Resolution Section 2 C (4).

11.2. The following provisions shall apply to regular part-time employees:

- 11.2.1. Merit System Rule IV (Recruitment, Selection and Appointment), Sections 3 (Promotional Examination) and 8 (Reinstatement).
- 11.2.2. Merit System Rule V (Probationary Periods).
- 11.2.3. Merit System Rule VI (In-Service Personnel Transactions), Section 3 (Demotion), 5 (Transfer), and 6 (Annual Performance Report).
- 11.2.4. Merit System Rule VII (Termination of Employment) except those sections applicable to Humboldt Deputy Sheriffs' Organization.

12. DIFFERENTIAL SALARIES

12.1. Night Shift Differential.

- 12.1.1. All employees who work a full-time shift (seven and one-half, eight, or ten hours) or more, which includes at least five (5) consecutive hours of work between 5:00 p.m. and 8:00 a.m. as a regular work assignment shall be paid fifty cents (\$0.50) per hour above their regular hourly rate for all hours worked. It is expressly understood that additional time, which is worked as an extension of an assigned day shift and on-call duty shall not qualify an employee for night shift differential.
- 12.1.2. Employees working at Sempervirens, PES or the Children's Center in the licensed classifications of Crisis Specialist, Mental Health Clinician I/II, Mental Health Case Manager II, Nurse Case Manager, Psychiatric Nurse, Psychiatric Technician I/II, and Supervising Psychiatric Nurse shall be paid a total of seventy-five cents (\$0.75) per hour during the swing shift (currently 3:00 p.m. – 11:00 p.m.) and a total of one dollar and seventy-five cents (\$1.75) per hour during the night shift (currently 11:00 p.m. – 7:00 a.m.). The ten (10) salary range increase shall not be included in the calculation for step placement for the salary the employee would receive were they promoted to the higher classification.

The County shall not rotate employees in and out of out of class assignments for the sole purpose of avoiding payment of any out of class differential, but may rotate to provide training of more than one employee, or for other valid reasons.

This requires the payment of FLSA overtime for all hours actually worked by non-exempt personnel in excess of forty (40) hours in the seven-day work period.
- 13.14 Overtime Dispute Resolution Procedures.
The County and AFSCME acknowledge and agree that subsections 13.1-13.12 above establish the full extent of the County's contractual obligations to pay overtime for

services rendered within the course and scope of employment by members of the bargaining unit and that to the extent individual claims for statutory overtime under the FLSA are asserted by or on behalf of any member of the bargaining unit during the term of the MOU, such claims will not present or support a claim for contract overtime under the MOU. The County and AFSCME further acknowledge and agree that any and all claims for statutory overtime under the FLSA are expressly excluded from the parties' applicable grievance procedure set forth in the County's Merit System Rules.

Nothing in this section precludes a division from establishing an alternative overtime bid system after meeting and conferring with the Union.

- 18.3.2. After completion of ten (10) continuous years of full-time service, each employee shall be allowed, for each calendar month of service, the hourly equivalent of one-third (1/3) of an established work week of credit for vacation with pay.
- 18.3.3. After completion of fifteen (15) continuous years of full-time service, each employee shall be allowed, for each calendar month of service, the hourly equivalent of five-twelfths (5/12) of an established work week of credit for vacation with pay.
- 18.3.4. After completion of twenty (20) continuous years of full-time service, each employee shall be allowed, for each calendar month of service, the hourly equivalent of one-half (1/2) of an established work week of credit for vacation with pay.
- 18.3.5. The following table is illustrative of the number of vacation days employees may earn for continuous employment, providing they are not absent for more than one-half (1/2) of any month on leave of absence without pay:

| Years of Service | Vacation Days Earned Per Year |
|-------------------------|--|
| 1 – 3 | 12 |
| 4 – 10 | 15 |
| 11 – 15 | 20 |
| 16 – 20 | 25 |
| 21 – up | 30 |

- 18.4. Vacation Accumulation – Maximum. It is the intent and desire of the Board of Supervisors that each employee take a vacation each year. The time when vacation is taken shall be determined by the appointing power of the employee. No employee shall be entitled to accumulate more unused vacation than the equivalent of that which has been earned during the preceding twenty-four (24) month period. No additional credit for vacation shall be allowed to an employee so long as they have to their credit accumulated unused vacation in the foregoing maximum amount. It shall be the duty of each appointing power to grant vacation time in such a manner that an employee will not forfeit any earned vacation time. Denial of vacation request may be appealed to the Director of Human Resources.

- 18.5. Payment for Vacation on Termination. Any employee who has been in continuous full-time service of the County for a period two (2) pay periods or more who resigns, terminates or retires there from, without prior thereto having taken the earned vacation to their credit at the time, shall thereupon be paid the monetary value of such earned vacation computed upon the base pay of that employee in effect at the time of the termination of their employment. It shall not be necessary to carry such employee on the payroll for the vacation period, and the vacancy thus created may be filled at any time after the employee ceases to perform the duties of their office or employment.
- 18.5.1. Accumulated vacation will be paid off in cash at the time of termination of employment, rather than being taken off immediately prior to termination with the intent of extending the termination date by the amount of the leave time.
- 18.6. Payment for Vacation on Death. In case an employee dies while employed by the County with earned vacation to their credit at the time they die, their heirs or legatees shall thereupon be paid the monetary value of such accrued vacation time computed upon the base pay of the employee at the time of their death. Except as provided in this and Paragraph 18.5 above, no employee shall be entitled to any compensation for accrued vacation that is not taken.
- 18.7. No Vacation for Temporary Employees; Part-Time Vacation Accumulation. No vacation with pay is allowable to temporary employees. Regular part-time employees shall be entitled to vacation benefits provided by this section in that proportion that the actual number of hours worked bears to full-time employment.
- 18.8. Temporary Employee Appointed to Regular Position – Vacation. If a temporary employee who has been working full-time is appointed to a regular position without a break in service, the hours of continuous service as a temporary employee shall be recognized in the computation of vacation benefits provided by this section.
- 18.9. Vacation/Use or lose Holiday or Comp-time - Conversion to Sick Leave. When an employee is using authorized, pre-approved vacation, use or lose Holiday or Comp-time, credit they may convert the approved leave to sick leave under the following conditions:
- 18.9.1. The employee must submit written documentation from a physician verifying that the employee was ill or injured during the time period requested for the conversion; and
- 18.9.2. The physician’s written documentation must verify that the illness or injury would have prevented the employee from reporting to work and continuing to work their entire shift; and
- 18.9.3. Leave credits may not be converted for less than one regular work shift.
- 18.10. Correctional Deputies may take vacation on a seniority basis as follows:
- 18.10.1. Employees shall submit a vacation request at least thirty (30) days prior to the effective date of the vacation, except when an employee and department agree to less advance notice to their supervisor or the supervisor’s designee.
- 18.10.2. Such request shall be returned to the employee within ten (10) days of the date the request was submitted, either approved or disapproved. Such

requests shall be evaluated on a first come basis. Two or more requests for the same vacation day(s) submitted on the same day shall be approved on a seniority basis (seniority for this section shall be defined as date of hire as a Correctional Deputy). If an employee does not receive a dated written response from their supervisor in person, by submission to the employee's office mailbox, or by electronic mail within ten (10) days of submission, the employee will automatically receive the requested days off.

- 18.10.3. Cancellation of an approved scheduled vacation may be authorized, at the division administrator level and above, only in the event of an emergency.
- 18.10.4. An emergency means a natural or manmade disaster or sudden unexpected need to increase the level of services to the community.
- 18.10.5. An employee whose vacation is cancelled by the Department shall receive preference in rescheduling vacation.
- 18.10.6. Employees who voluntarily transfer from one work assignment unit to another will be subject to review. This would also apply when a Deputy requests and receives a shift trade. When a shift trade occurs any previously approved requests will be evaluated on a case by case basis.
- 18.10.7. For bargaining unit employees assigned to the Correctional Facility, maximum vacation accrual under the MOU shall increase from two (2) times to three and one-half (3.5) times commencing from the issuance of written notice of mandated over time for all Correctional Deputies covered by the MOU and shall revert to two (2) times upon issuance of written notice that such mandatory overtime is lifted. At the time such mandatory overtime is lifted, any hours accrued in excess of the Correctional Deputy's maximum vacation accrual, plus 48 hours, shall be transferred to the employee's holiday time bank.
- 18.10.8. The parties shall conduct a differential study for journey level Juvenile Corrections Officers and Correctional Deputies. The agencies to be included in this study shall include Mendocino, Del Norte, Trinity, Shasta and Lake Counties. The results of the study shall not require any meet and confer or meet and consult obligations by either party for the life of the MOU.

19. **SICK LEAVE WITH PAY**

- 19.1. Computation of Sick Leave. Employees in regular full-time positions shall earn and shall be entitled to the hourly equivalent of one (1) working day of sick leave with pay for each month of service. Such sick leave with pay can be granted only for bona fide illness or injury, exposure to contagious disease, or dental, eye or other physical, psychiatric or medical examination or treatment by a licensed practitioner. The total amount of sick leave accrued shall be unlimited.
- 19.2. No Accrual Provision. Sick leave shall be considered a benefit and not a right of the employee. No sick leave shall be accrued for a month wherein the employee is on leave of absence without pay for more than one-half (1/2) of that month. Furthermore, under no circumstances shall an employee accrue sick leave when the employee is absent from work and has exhausted all paid leave accruals.

- 19.3. Approval by Department Head. The appointing power shall approve sick leave only after having ascertained that the absence was for an authorized reason. After three (3) days of absence due to sickness, the Department Head may require the employee to submit substantiating evidence including, but not limited to, a licensed physician (including Doctor of Chiropractic), nurse practitioner, or physician's assistant certificate using the County's Health Care Provider Certification form. If the appointing power does not consider the evidence adequate, he shall disapprove the request for sick leave. A person who is ill without benefit of sick leave will not be considered AWOL due to the lack of sick leave provided they have met the above requirements for sick leave approval. If the County has placed the employee on notice of attendance issues in writing, the County may require the employee to submit substantiating evidence at any time (waives the 3 day grace period for a doctor's note).
- 19.4. Effect of Temporary Disability. A County employee who is entitled to temporary disability indemnity under Division 4 or 4.5 of the Labor Code may elect to take as much of their accumulated sick leave, or their accumulated vacation, or their accumulated compensable overtime, as when added to their disability income will result in a payment to the employee of not more than their full salary or wage. When computing vacation, sick leave or overtime under this paragraph, the employee shall be given credit for any holidays that occur during the period of absence hereunder.
- 19.4.1. Such employee is nevertheless entitled to medical, surgical and hospital treatment as provided in the Labor Code. When their accumulated sick leave, vacation or overtime, or all, are exhausted, he is still entitled to receive disability indemnity.
- 19.5. Part-Time Employee Computation. Regular part-time employees shall be entitled to sick leave benefits as provided by this section in that proportion that the actual number of hours worked bears to full-time employment.
- 19.6. Leave Not to be Used as Vacation. Sick leave shall not be used in lieu of or in addition to vacation.
- 19.7. No Payment for Accumulation on Termination. Termination of an employee's service shall cancel all sick leave accrued to the time of such termination, regardless of whether or not such person subsequently re-enters County employment, except as provided in Paragraph 19.12 below or as provided by the PERS sick leave credit option. Payment shall be made to any employee for unused sick leave time accumulated to their credit at the time of their termination in accordance with the provisions of Paragraph 19.10 below except that no employee hired after January 1, 1997 shall receive payment for sick leave accrued upon termination.
- 19.8. No Sick Leave for Emergency or Temporary Employees; Exceptions. No sick leave with pay is allowable to temporary or emergency employees except as provided by law; provided, however, if a temporary employee who has been working full-time is appointed to a regular position without a break in service, the hours of continuous service as a temporary employee shall be recognized in the computation of sick leave benefits provided by this section.
- 19.9. Part Pay for Accumulation on Termination (15-25 Years). Any County employee hired prior to January 2, 1997 who separates from County service for any reason is entitled to

receive compensation for unused sick leave accumulated to the time of such separation on the basis of the following schedule:

| Years of Continuous Service | Compensation Percentage |
|------------------------------------|--------------------------------|
| 0 – 14 | 0% |
| 15 – 19 | 50% |
| 20 – 24 | 75% |
| 25 or more | 100% |

19.9.1. The compensation schedule shall be interpreted as follows:

19.9.1.1. Completion of fourteen (14) years of continuous service to the County qualifies an employee to be compensated for fifty percent (50%) of their unused sick leave at the time of their separation.

19.9.1.2. Completion of nineteen (19) years of continuous service to the County qualifies an employee to be compensated for seventy-five percent (75%) of their unused sick leave at the time of their separation.

19.9.1.3. Completion of twenty-four (24) years of continuous service to the County qualifies an employee to be compensated for one hundred percent (100%) of their unused sick leave at the time of their separation.

19.9.2. The compensation shall be calculated on the basis of the base salary earned at the effective date of separation.

19.9.3. Any County employee hired prior to January 2, 1997 may, in the 36 months prior to retirement, elect to have any portion of accumulated sick leave and holiday time bank that is subject to compensation based on the schedule in 19.10.1 compensated by having the cash equivalent deposited into deferred compensation, subject to applicable State and federal tax laws. The employee may elect to do this in one deposit or to have up to three separate deposits in three separate calendar years.

19.9.3.1. The amount of sick leave an employee may elect to convert is based on their sick leave payoff compensation percentage as of the date they make the deposit(s). Employees must have completed at least 14 years of continuous service to the County to be eligible for sick leave conversion.

19.9.3.2. At no time shall an employee reduce their accumulated sick leave to less than three weeks by deposit into deferred compensation.

19.9.3.3. Any sick leave subject to compensation per 19.10.1 that remains upon separation shall be paid to the employee by check

or by deposit into deferred compensation, at the employee's option.

- 19.10. Sick Leave for Ten Hour Per Day Employees. Sick leave shall be accrued and taken on the basis of a ten hour day for employees working a ten hour day.
- 19.11. Effect of Layoff on Accumulation. When an employee is laid off due to a reduction in force, payment shall be made to such employee for unused sick leave time accumulated to their credit at the time of their layoff in accordance with the provisions of Paragraph 19.10 above. At the time of their reinstatement to County service from a layoff list, any such employee shall receive credit for all unused sick leave time for which they did not receive compensation under the provisions of Paragraph 19.10 at the time of the layoff.
- 19.12. Sick Leave Abuse (includes, but is not limited to):
- Falsification of documents.
 - Dishonesty.

Pattern Abuse: Consistent periods of sick leave usage, for example:

- Habitual and unplanned use before and/or after holidays.
- Habitual and unplanned use before and/or after weekends or regular days.
- Habitual and unplanned use before/after pay days.
- Habitual excessive absenteeism – use of more sick leave than granted unless in compliance with FMLA, CFRA, ADA and other protected programs.

20. HOLIDAYS

- 20.1. Holiday Policy. All employees, except those excluded in Paragraph 20.3 below, shall be entitled to the paid scheduled holidays listed below provided they are in a paid status during any portion of the working day immediately preceding or succeeding the scheduled holiday. A new employee whose first working day is after a paid scheduled holiday shall not be paid for the holiday, and an employee who is terminating and whose last day is the day before a paid scheduled holiday shall not be paid for that holiday.

20.1.1. The scheduled holidays are:

- January 1, New Year's Day
- The third Monday in January, Martin Luther King Day
- The twelfth day in February, Lincoln's Birthday
- The third Monday in February, President's Day
- The thirty-first day of March, Cesar Chavez Day

20.1.2. In addition to the paid scheduled holidays above, those eligible employees will receive two (2) additional holidays per year that may be taken at the option of the employee after receiving approval by the appointing authority. At least one of these holidays must be taken in the fiscal year in which the holiday units are credited. On the first pay day in July of every year all eligible employees will be credited with the appropriate number of holiday units that equal their regular work day (to a maximum of 8 holiday units). Newly hired employees shall receive a pro-rata share of these two (2) additional holidays based upon their date of hire. Part-time employees shall receive such credits pursuant to Paragraph 20.3.2.

20.2. Saturday and Sunday Holidays.

20.2.1. When a scheduled holiday falls upon a Sunday, the following Monday shall be a holiday. When a scheduled holiday falls upon a Saturday, the preceding Friday shall be a holiday. Notwithstanding the above, if a scheduled holiday falls on a Sunday and an employee is required to work that day, then Sunday shall be the scheduled holiday for that employee, rather than the following Monday; if a scheduled holiday falls on a Saturday and an employee is required to work that day, then Saturday shall be the scheduled holiday for that employee, rather than the preceding Friday.

20.2.2. Regardless of days worked or days off, all employees working on a regular basis shall be entitled to the same number of days off or fractions thereof for legal holidays which occur during the year as would normally be earned by an employee whose work week extends from Monday through Friday and whose regular days off are Saturday and Sunday. This paragraph is provided with the intent of assuring equitable treatment for all employees.

20.3. Part-Time Employees Holiday Computation.

20.3.1. All regular part-time employees who are normally scheduled to work one-half (½) time or more will be compensated for scheduled holidays occurring during the pay period if they meet the requirements of Paragraph 20.1 above. Such compensation shall be calculated at the same rate as the employee's budgeted position bears to a full-time position, e.g., an employee who holds a 50% position would be eligible to receive 50% holiday compensation or credit.

20.3.2. Regular part-time employees who are eligible for compensation for scheduled holidays shall also be eligible for optional holiday credit. Such credits shall be calculated at the same rate as the employee's budgeted position bears to a full-time position.

20.3.3. Temporary employees and employees paid on a daily rate basis shall not be compensated for holidays not worked, and any employee hired specifically to work on a holiday shall not receive holiday units for working on the holiday.

- 20.4. Ten Hour Per Day Employees Holiday Computation. Holiday time for those employees working a ten (10) hour day, four (4) days per week, shall be accrued and taken on the basis of an eight (8) hour day.
- 20.5. Disposition of Accumulated Holiday Credit Upon Termination. Accumulated holiday credit will be paid off in cash based upon the base pay of the employee in effect at the time of termination of employment, rather than being taken off immediately prior to termination with the intent of extending the termination date by the amount of leave time.
- 20.6. Compensation for Work on Holidays..
 - 20.6.1. Pensionable Holiday Pay: An employee who is scheduled to work without regard to holidays and required to work on a County observed holiday that falls within their normal schedule shall be paid one and one-half times the employee's regular rate of pay on the holiday. This holiday compensation will be reported to CalPERS as special compensation.
 - 20.6.2. Non-Pensionable Holiday Pay: An employee who is not required to work on a County observed holiday, but volunteers to work, bids for the option to work, or elects to work on an observed holiday shall be paid one and one-half times the employee's regular rate of pay on the holiday. This premium pay above straight time compensation will not be reported to CalPERS.
 - 20.6.3. The above holiday premiums shall be paid in monetary compensation for the pay period in which the holiday is worked.
- 20.7. Holiday Time for Work on Holidays. Any employee who works on an approved holiday shall be paid as specified in Section 20.6 above and, in addition, shall receive an appropriate number of holiday units for actual hours worked up to a maximum of 8 hours for employees who work 80 hours biweekly and 7.5 hours for employees who work 75 hours biweekly. The holiday units can be taken off at any time with the approval of the appointing power. This section is provided with the intent of assuring equitable treatment for all employees.

21. LEAVES OF ABSENCE

- 21.1. Leaves Without Pay.
 - 21.1.1. Leave Policy. Leaves of absence without pay for more than ten (10) working days that are in the best interests of the County may be granted by the Director of Human Resources. Requests for leave of absence without pay of ten (10) working days or less duration, for other than medical reasons or union business, shall be submitted by the employee to the department head in writing and shall be considered by the department head on their individual merit and circumstances. Reasons for rejection of such requests shall be submitted in writing to the employee by the department head.
 - 21.1.2. Unpaid Leave for Union Business. An employee may, with approval of their department head, take an unpaid leave of absence of up to five (5) days for

purposes of Union business. Such leave of absence may be taken more than once, but shall not exceed a total of five (5) days per fiscal year.

- 21.1.3. Leave Procedure. The request for such unpaid leave of absence shall be submitted a reasonable number of days in advance of the requested effective date.
- 21.1.4. Denial by Department Head. If the department head denies the request, he shall submit the reasons(s) therefore in writing to the employee.
- 21.1.5. Appeal Procedure. The employee may appeal the department head's denial to the Employee Relations Officer, who shall decide the issue. The decision of the Employee Relations Officer shall be a final and binding decision.

21.2. Military Leave

- 21.2.1. Military leave shall be granted in accordance with the provisions of State law. All employees entitled to and taking military leave shall give the appointing power the right, within the limits of military necessity and regulations, to determine when such leave shall be taken.
- 21.2.2. No person shall be appointed permanently to a position from which another is on military leave, provided that nothing in this section shall prevent an employee originally appointed to a military leave vacancy from obtaining a permanent appointment to a vacant position in the same class.

21.3. Family Sick Leave and Family Bereavement Leave.

- 21.3.1. Effective the first pay period beginning in January through the last pay period beginning in December, up to five (5) days of special leave with pay, and up to six (6) days of an employee's accumulated individual sick leave (per Article 19 of this Memorandum of Understanding), may be granted to an employee, whose employment status normally entitles him to vacation and sick leave benefits, for the care or attendance upon members of their immediate family who are sick (as defined in Article 19.1), upon written request to and approval of the appointing power. Regular part-time employees who are eligible under this section may be granted such leave in the same proportion that the number of hours budgeted for that position bears to full-time. Family sick leave may be utilized for immediate family members for purposes defined in Article 19.1.
- 21.3.2. Up to five (5) days of special leave with pay may be granted to an employee whose employment status normally entitles him to vacation and sick leave benefits, for each episode involving one or more deaths that occur in the employee's immediate family, upon written request to and the approval of the appointing power.
- 21.3.3. For purposes of this section, "immediate family" shall mean husband, wife, domestic partner, parent, child, stepparent, grandparent, grandchild, brother, sister, foster child, stepchild, or other child relative for whom care is being provided by an employee, mother-in-law, father-in-law, brother-in-law, sister-in-law, or any household member who maintains a unique or non-typical family relationship with the employee so as to be considered a

member of the employee's immediate family as listed above. Non-traditional relations may require substantiation. Questions regarding eligibility for non-traditional relations may be appealed to the Director of Human Resources.

21.4. Medical Leave of Absence.

21.4.1. Subject to Merit System Rule XI, Section 3A, and the other provisions of this article, an appointing power may, with the approval of the Director of Human Resources, grant a leave of absence to an employee whose ability to perform their normal duties has been impaired through injury or illness. Such leave shall be called "medical leave of absence,". Medical leave of absence may be considered a final opportunity to recover from a mental or physical incapacity to perform required duties prior to being terminated from County employment.

21.4.2. When an employee is on a medical leave of absence, the County shall continue to pay its share of premiums for employee health and dental insurance coverage. If dependents of the employee are covered by the health insurance plan at the time the medical leave goes into effect, and the employee elects to continue coverage for dependents while on medical leave of absence, the County shall continue to pay its share of dependent coverage as described in the current Memorandum of Understanding for as long as the employee continues to pay their share of dependent premiums and agrees to the health insurance payment schedule by signing the form and returning it to Payroll within 15 calendar days. If the signed payment schedule is not returned to Payroll within 15 calendar days, the employee will be changed to Direct Pay status and pay the entire premium directly to the medical insurance provider. The employer share of the premium would be reimbursed to the employee upon verification from the medical insurance provider that the premium was received.

21.4.3. In order to be granted a medical leave of absence, an employee shall make a request in writing to the appointing power, and shall submit the certificate of a licensed physician (including Doctor of Chiropractic), nurse practitioner or physician's assistant using the County's Health Care Provider Certification form. Any extensions of the leave shall require similar medical certification or other verification of the employee's continued disability.

21.4.4. The duration of a medical leave of absence shall depend upon the nature and extent of the employee's illness. A medical leave of absence shall be granted for up to one year from the time the employee has exhausted their accrued sick leave, beginning the day after the employee exhausts paid sick leave. Employees may not use other forms of paid leave (i.e., vacation, holiday or compensatory time) in lieu of sick leave to prolong the time period prior to a medical leave of absence. The medical leave of absence will be unpaid and/or the employee may use other forms of paid leave accruals during the leave of absence for the purposes of wages only. During a medical leave of absence, an employee shall not accrue any form of paid leave including but not limited to sick, vacation, holiday and floating holiday. The Director of Human Resources extend the one year maximum medical

leave of absence by six months if an employee has a terminal illness. The employee must present certification from a licensed physician (including Doctor of Chiropractic), nurse practitioner, or physician's assistant using the County's Health Care Provider Certification form that they have a terminal condition to receive this extension. At the end of the medical leave of absence, the employee may return to work subject to the provisions of the Merit System Rules (including but not limited to Rule XII.3) or separate from employment in a legally appropriate manner. Employees may have other legal rights regarding these issues that are not addressed by this Memorandum of Understanding.

- 21.4.4.1. In a disputed workers' compensation case, an employee must exhaust all categories of accumulated benefit time prior to being granted a medical leave of absence.
- 21.4.5. For purposes of this leave policy, concurrent multiple injuries or illnesses, new injuries or illnesses occurring while an employee is on a medical leave of absence, and the recurrence of the same injuries or illnesses for which the medical leave of absence was granted following the employee's return to work, shall be treated as one incident and shall render an employee eligible for only one medical leave of absence subject to applicable law. However, an employee who has returned to work for one year following a medical leave of absence will be eligible for an additional medical leave of absence if medically necessary.
- 21.4.6. An employee who has been granted a medical leave of absence who is unable to return to their former position within one (1) year from the start date of the medical leave may be terminated for mental or physical incapacity to perform the required duties. An employee terminated under this provision is eligible for reinstatement to return to County employment pursuant to Humboldt County Merit System Rule IV, Section 8, but shall be subject to medical examination by a County-approved physician to certify fitness to perform required duties.
- 21.4.7. A female employee may be granted a medical leave of absence for maternity purposes, under the medical leave of absence provisions of this policy. The duration of such medical leave of absence shall not exceed six (6) months from the time the employee is physically unable to perform her job, as determined by her attending physician. Extension of the medical leave of absence shall be granted, up to the one year maximum cited in Paragraph 21.4.4 above, upon the certification of the employee's attending physician that there has been a complication caused by the pregnancy which renders the employee incapable of performing her regular duties.
- 21.4.8. The provisions of this policy shall supersede any conflicting provisions of Humboldt County Merit System Rule XI, Section 3.
- 21.5. Jury Duty. An employee ordered to jury duty during the employee's regularly scheduled working hours shall be entitled to leave with pay during actual jury service. The following regulations shall apply:

- 21.5.1. All employees shall willingly accept ordered jury duty as one of the obligations of citizenship.
 - 21.5.2. Employees on leave with pay status for jury duty shall deposit jury fees in the General Fund of the County, but shall be entitled to retain mileage payments. Employees shall provide their own transportation in attending court as jurors.
 - 21.5.3. Each appointing power shall properly notify jury officials when jury service by an employee would seriously impair the proper operation of the department.
 - 21.5.4. Each employee shall expeditiously report their probable absence for jury duty and shall immediately report the termination of such jury service.
 - 21.5.5. Appointing powers are responsible for insuring that these provisions are observed by all concerned.
 - 21.5.6. Upon request of an employee who has been ordered to jury duty, the County shall endeavor to change an employee's work schedule when said employee's work schedule is other than "day shift." If the employee's schedule cannot be changed, the reasons for the denial shall be submitted in writing to the employee.
- 21.6. Court Appearances. Employees required by subpoena or otherwise to be present in court other than as jurors shall be subject to the following regulations:
- 21.6.1. Where such court appearances are directly connected with County employment, time in court shall be considered as full-duty status.
 - 21.6.2. Fees shall be demanded from nongovernmental litigants for court appearances while on full-duty status and shall be deposited in the General Fund of the County.
 - 21.6.3. Mileage payments may be retained by an employee providing their own transportation to court.
 - 21.6.4. In the case of a member of the Sheriff's Department appearing as a witness in a civil case in connection with a matter regarding an event or transaction which has been perceived or investigated in the course of duty, the party requesting the subpoena shall be required to make the deposit specified by Government Code Section 68097.2.
- 21.7. Leaves for Disasters or Emergency Conditions. Special leave with pay may be provided when a disaster or emergency condition prevents an employee from making the regular commute between their primary residence and the job site. It is anticipated that this special leave will be unique and infrequent but necessary to cover the special conditions that do occur from time to time. The appointing authority shall advise the Auditor-Controller concerning the date and duration of this special leave granted to all employees under their supervision.
- 21.8. Investigative Leave With Pay.
- 21.8.1. If an employee's actions clearly indicate that the employee's continued presence at the worksite would have detrimental consequences and has

impaired the effectiveness of the employee in their position, the appointing authority may place the employee in an “investigative leave with pay” status. The length of such leave shall be determined by the appointing authority, pending notice of proposed disciplinary action and the effective date of the proposed action.

21.8.2. Such investigative leave shall not be granted in lieu of the five (5) day suspension which may be imposed during disciplinary proceedings under Merit System Rule X, Section 2. Investigative leave, if granted, shall not be continued when an investigation has been concluded and absence from duty is a result of disciplinary proceedings.

21.8.3. If the investigation and processing of the allegation has not been concluded by the end of the investigative leave, the employee may take earned leave time off or may be placed on unpaid leave of absence by the Director of Human Resources pending the disposition of the charge or allegation.

21.9. Family Leave of Absence.

21.9.1. Upon request, an employee may be granted up to a total of four (4) months of unpaid leave of absence for the birth, adoption, or serious illness of a child, or in the event of the serious illness of a spouse or parent, pursuant to the California Family Rights Act of 1991. At the request of the employee, such family leave may be extended at the discretion of the County.

21.9.2. When an employee is on a family leave of absence, the County shall continue to pay premiums for employee health and dental insurance coverage. If dependents of the employee are covered by the health insurance plan at the time the leave goes into effect, and the employee elects to continue coverage for dependents while on leave, the County shall continue to pay its share of dependent coverage. Employees who have chosen not to participate in medical coverage shall continue to receive the “opt-out” cash benefit (MOU Article 44.3).

The County is responsible for the safety of employees pursuant to the Labor Code, General Industry Safety Orders, including Section 3203 (Injury and Illness Prevention Program), and other applicable administrative CAL/OSHA regulations. Representational access, as described in Paragraph 5.1.1 of this Memorandum of Understanding, shall include access to County facilities to meet with the employees on health and safety problems. - 32.11. Employees who believe their health and safety has been threatened during the course of their County work duties shall have the right to report such threat(s) to the appropriate law enforcement agency during the employee's normal work hours without loss of compensation, subject to notification of and approval from their immediate supervisor.

- 32.12. The County will comply with applicable state law regarding the use of hazardous chemicals.
- 32.13. The County and AFSCME are committed to establishing and maintaining a work environment for County employees that is free from the effects of drugs and alcohol. - 35.4. In addition to the provisions above, there shall be established a Unit 3 Labor-Management Committee, with an equal number of representatives from the County and AFSCME to pursue ways to provide ongoing supervisory training and consider issues affecting supervisory caseloads and workloads.

35.5. The County shall endeavor to provide resource information on potential training/educational opportunities to County employees. When possible, departments will attempt to make training available to employees in other departments who might benefit from such training. It shall be the sole responsibility of an employee's appointing authority to authorize an employee to attend training and to determine whether or not the training will be on County paid time. 37.1.3. Whenever a holiday observed by the County, pursuant to Memorandum of Understanding Article 20, falls on a day when an employee serving in a temporary appointment might normally have been expected to work except for such holiday, the unpaid holiday shall not be considered a break in service.

44. **INSURANCE COVERAGE**

- 44.1. The County health insurance premium contribution for CalPERS health insurance includes two components. 1) The County will pay a percentage of premiums for the lowest cost CalPERS medical plan available in Humboldt County. Employee only coverage will be paid by the County at 89.61% of the monthly premium. Dependent coverage will be paid by the County at 69.01% of the monthly premium for employee and one dependent, and at 64.27% of the monthly premium for employee plus two or more dependents. 2) In addition, the County will pay up to an additional \$200.00 per month, which combined with the first component shall not exceed one hundred percent of the monthly premium for the health insurance plan selected by the employee. These contributions are made through the County's Flexible Benefit Plan, and are inclusive of the County's required employer contribution as spelled out in subsection 44.2 herein.
- 44.2. For both active and retired employees, the County, for purposes of compliance with CalPERS regulations, shall contribute the minimum monthly premium required in the County's CalPERS contract for medical insurance. This minimum monthly premium shall be included in the County's contribution to the Flexible Benefit Plan as described in

subsection 44.1 above. Should the minimum monthly County contribution increase due to CalPERS requirements, the new amount shall be included in the County's contribution to the Flexible Benefit Plan as described in subsection 44.1 above.

- 44.3. Employees who choose not to participate in a County sponsored medical plan and can certify coverage in another health insurance plan shall be entitled to receive premium \$493.00 per month opt-out incentive under either of the following two circumstances.
- 44.3.1. Bona Fide Religious Objection. An employee may choose not to participate in a County sponsored medical plan if they are a member of a bona fide religious body which has an objection to medical insurance to the extent allowed by law. To do so any employee must present a written declaration to the County Director of Human Resources that the employee is a member of a bona fide religious body (by name) which objects to medical insurance. Newly hired employees who provide such declaration prior to the start of their medical insurance coverage will not be required to participate in a County sponsored medical plan unless required by law. Current employees who are covered by a County sponsored medical plan will be removed from the medical plan the month following the receipt of their written declaration by the County Director of Human Resources unless otherwise required by law.
- 44.3.2. Alternative Group Health Insurance Coverage. An employee who has alternative group health insurance coverage may receive the opt-out incentive subject to the following conditions:
1. The employee certifies that the employee and all individuals in the employee's tax family for whom coverage is waived, have alternative Minimum Essential Coverage as defined by the Patient Protection and Affordable Care Act through a provider other than a federal marketplace, a state exchange or an individual policy.
 2. During the county's annual open enrollment period, the employee must complete an annual written attestation confirming that the employee and the other members of the employee's tax family are enrolled in alternative Minimum Essential Coverage. The employee agrees to notify the county no later than 30 days if the employee or other member(s) of the employee' tax family lose coverage under the alternative Minimum Essential Coverage Plan.
 3. The employee understands that the county is legally required to immediately stop conditional op-out payments if the county learns that the employee and/or members of the employee's tax family do not have the alternative Minimum Essential Coverage.
- 44.4. Dental Insurance. The current County provided dental insurance coverage shall be maintained during the term of this Memorandum of Understanding with the County paying 100% of employee and eligible dependent premiums. Effective January 1, 2009,

the twelve (12) month wait for new hires for certain plan benefit coverage shall be eliminated. Effective January 1, 2009, the calendar year maximum benefit will be increased from \$1,000 to \$1,500 per person.

44.5. Vision Coverage. The current County provided vision coverage shall be maintained during the term of this Memorandum of Understanding with the County paying 100% of the premium for employee and eligible dependents (those covered on the County medical insurance). Effective July 2008, covered benefits shall be doubled for claims filed after said effective date.

45. DEFERRED COMPENSATION

45.1. AFSCME represented employees shall be allowed to participate in the voluntary deferred compensation plan in accordance with the County rules and regulations established by the plan administrator and the County.

46. EMPLOYEE ASSISTANCE PROGRAM

46.1. AFSCME represented employees shall be provided with an Employee Assistance and Counseling program, subject to the rules and regulations provided by the County.

46.2. The County shall meet and consult with AFSCME prior to changing the program administrator.

46.3. AFSCME's support for this program shall be identified on the brochure developed for the County entitled "Employee Assistance and Counseling Program."

46.4. Employees who elect to participate in the Management Referral portion of the program shall be allowed up to five (5) hours of paid release time per calendar year for attendance at counseling sessions resulting from the Management Referral.

46.4.1. Employees utilizing paid release time under this provision shall verify their attendance at such counseling sessions upon request of the appointing power or their designee.

46.4.2. The Management Referral portion of the program is entirely voluntary.

46.5. Participation in the Employee Assistance and Counseling Program is strictly confidential, except as provided by applicable law and the contingent requirement for verified attendance specified in Paragraph 46.4.1.

47. WORKLOADS AND CASELOADS

47.1. It is acknowledged by the parties that budgetary constraints may cause workload changes for County employees by reducing the number of employees available to do the work, or other similar reason. Employees who have experienced such workload changes shall not be subject to disciplinary action or poor performance evaluations for failure to increase their relative work output above that which was expected prior to the change. It is understood that in order to gain this protection, employees must have been performing an acceptable level of work output prior to the change, and must have made reasonable efforts to do the work assigned after the change.

- 47.2. "Relative work output" means that amount of work production expected of an employee, given the various circumstances which have an environmental effect upon productivity, such as: fluctuations in work input (quantity), incremental changes in the nature of the work, expectations of supervisory employees (quality and timeliness), ability of the employee, type of equipment used, training, and other factors which have an effect on the work an employee produces, as determined by the employee's supervisor.
- 47.3. The County shall furnish the Union such reports as may be available on employee workloads by June 30 of each fiscal year. Available reports for June 30, 2015 shall be forwarded by November 1, 2015. Reports may include, but are not limited to, the Departments of Health and Human Services, Planning and Building and Child Support Services.

48. REINSTATEMENT TO FULL-TIME STATUS

- 48.1. The County agrees to make every reasonable effort to restore employees whose positions were reduced from full-time to part-time as a result of the adoption of the 1982-83 budget back to full-time status at the earliest possible date as attrition occurs or as additional funds become available.
- 48.2. As the time base of part-time positions is extended back to full-time, job offers will be made to people whose positions were reduced from full-time to part-time in the order that their names appear on the reemployment lists, as governed by Section 17518 of the Local Agency Personnel Standards (LAPS) or Humboldt County Merit System Rule VII.
- 48.3. If vacant part-time positions are filled in a department where full-time employees were reduced to part-time as a result of the adoption of the 1982-83 budget, the County agrees to advise the Union in writing, upon request, why such action was taken. The County also agrees that for the duration of the current Memorandum of Understanding, the Union will receive copies of any vacant position reports submitted to the Board of Supervisors to explain the justification for filling such part-time positions. If vacant position reports are not required of department heads for filling positions, the Union will receive advance copies of position requisition forms for such part-time positions.

49. PERSONNEL FILES & PERFORMANCE EVALUATIONS

- 49.1. The County shall give notice to each employee of any material placed in the employee's permanent personnel file which has not been submitted by the employee. The employee shall be given an opportunity to view the material. For purposes of this Article, notice shall be deemed to have been given if the employee has received a copy of the material. The employee shall be permitted to submit a reasonable written response to any materials in the personnel file. Such response shall be placed in the personnel file. Employees may appeal to the Director of Human Resources to have discipline removed from file after five years from the date of the incident.
- 49.2. Documents excepted from the requirements of this Article shall be confidential letters of recommendation and/or reference, scored test results, and medical examination results.

The parties agree that the EEO Policy is not subject to the meet and confer process.

54. AMERICANS WITH DISABILITIES ACT

54.1. Both the County and the Union are committed to implementation of the Americans with Disabilities Act of 1990.

54.2. The parties acknowledge that certain provisions of this Memorandum of Understanding or related terms and conditions of employment may need to be altered to meet the requirements of the Americans with Disabilities Act.

54.3. The Union recognizes that the County has the legal obligation to meet with individual employees to be accommodated before any adjustment is made in working conditions. The Union will be notified of the proposed accommodation prior to implementation by the County.

54.4. Any accommodation provided to an individual protected by the ADA shall not establish a past practice, nor shall it be cited or used as evidence of a past practice in the grievance procedure process.

54.5. Prior to altering any provision of this Memorandum of Understanding in order to undertake required accommodations for an individual protected by the Act, the County will provide the Union with written notice of its intent to disregard the Memorandum of Understanding provision, and will provide the Union with the opportunity to discuss other options.

55. SEXUAL HARASSMENT

Humboldt County Harassment Policy allows zero tolerance for harassment, discrimination and retaliation on the basis of legally protected statuses. Employees who believe they are the victims of protected status harassment, discrimination and retaliation may file a complaint with the county as described in the policy.

57. MAINTENANCE OF OPERATIONS

- 57.1. AFSCME agrees that during the term of this Agreement and for the period of time necessary for the meet and confer process to conclude a successor agreement to this Memorandum of Understanding, neither the Union nor any representative acting on its behalf will cause, authorize, engage in, condone or sanction a strike, sick-in, work stoppage, slow-down, picketing (other than informational picketing on the employee's own time), concerted or individual failure to report for duty, unauthorized absence, including compliance with a request of another unit's labor organization to engage in or honor such activities against the County, or any activity by any other euphemism known which results in less than the full and faithful performance of any duties of employment.
- 57.2. The Union agrees to instruct its members that public employees who engage in any of the prohibited activities in Paragraph 57.1 would be engaging in an act that is prohibited by this Memorandum of Understanding.
- 57.3. If the Board of Supervisors determines that an employee has engaged in any activity which violates Paragraph 57.1 above, the employee shall be subject to disciplinary action up to and including discharge from County service.
- 57.4. The County agrees that during the term of this Agreement, the County shall not lock out any employees from their work.

58. MANAGEMENT RIGHTS

- 58.1. The management of the County of Humboldt and the direction of its work force is vested totally and exclusively in the Board of Supervisors or as delegated by said Board to its agents or as prescribed by the laws of California.
