throughout the Humboldt County community. On June 24, 2014 (item C-16), the Board approved an Agreement with ADCS to provide alcohol and other drug residential treatment and recovery services to indigent community members diagnosed with alcohol and/or other substance-related disorders. ADCS' services include individual assessments, group therapy and support, education about chemical dependency, and referral and linkage to services. ADCS also provides non-medical residential detoxification recovery services for community members at risk of physiological withdrawal from alcohol and/or chemical substances. The term of the Agreement dated June 24, 2014 is active from July 1, 2014 through June 30, 2016.

On September 22, 2015, the Board approved the Memorandum of Understanding (MOU) with the City of Eureka item D-3 which provides funding for homeless supportive services. This Agreement before the Board will provide additional 3-day to 7-day alcohol and drug residential detoxification bed days and 30-day Alcohol and Drug Residential Treatment program days to increase the county's current detoxification and alcohol and drug residential treatment program services capacity provided under the June 24, 2014 Agreement with ADCS. Services provided under the agreement before your Board today is funded by Measure Z, and will allow for approximately 1,033 additional residential detoxification (alcohol and drug) bed days annually to serve the target population identified under City of Eureka MOU.

#### FINANCIAL IMPACT:

The maximum amount of this Agreement is Four Hundred Thirteen Thousand, Two Hundred Dollars (\$413,200) from the date of execution through June 30, 2020; services pursuant to this agreement will not exceed Eighty-Two Thousand Six Hundred-Forty Dollars (\$82,640) per fiscal year. Funding is provided in the form of Measure Z funds, a half-cent local sales and use tax approved by Humboldt County voters in November of 2014. This expenditure has been included in the adopted FY 2015-16 budget, Measure Z Contribution budget unit 1100-197-3225. There will be no impact to the county's General Fund.

This Agreement supports the Board's Strategic Framework by protecting vulnerable populations, supporting self reliance of citizens and improving the safety and health of our communities.

#### OTHER AGENCY INVOLVEMENT:

Alcohol Drug Care Services

#### ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board can choose not to approve this Agreement; however DHHS does not recommend this alternative. ADCS offers the only non-medical Detox services available in our area. This Agreement makes detoxification and alcohol and drug residential treatment program services available to low-income /indigent clients who seek treatment, or who are referred by a variety of entities, when no other funding source is available.

Unannounced visits may be made at the discretion of the State. Employees who might reasonably have information related to such records may be interviewed.

C. D. CONTRACTOR shall provide all reasonable facilities and assistance for the safety and convenience of the authorized representatives in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

15. LOCATION EXPANSION:

CONTRACTOR shall not provide services under this Agreement at a location other than those locations it uses as of the date of this Agreement without prior written permission by COUNTY.

16. RELATIONSHIP OF PARTIES:

It is understood that this is an Agreement by and between two independent contractors and is not

intended to, and shall not be construed to, create the relationship of agents, servant, employee, partnership, joint venture, or any other similar association. Both parties further agree that CONTRACTOR shall not be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, retirement benefits, worker's compensation and injury leave or other leave benefits.

17. NUCLEAR FREE HUMBOLDT COUNTY ORDINANCE COMPLIANCE:

CONTRACTOR certifies by its signature below that it is not a Nuclear Weapons Contractor, in that CONTRACTOR is not knowingly or intentionally engaged in the research, development, production, or testing of nuclear warheads, nuclear weapons systems, or nuclear weapons components as defined by the Nuclear Free Humboldt County Ordinance. CONTRACTOR agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONTRACTOR becomes a Nuclear Weapons Contractor.

18. COMPLIANCE WITH LAWS:

A. CONTRACTOR agrees that all professional level persons employed by CONTRACTOR have met applicable professional licensure requirements pursuant to the California Welfare and Institutions and Business and Professions Codes. CONTRACTOR further agrees to comply with any applicable federal, state or local licensing standards, any applicable accrediting standards and any other applicable standards or criteria established locally or by the State or Federal governments.

B. CONTRACTOR agrees to comply with all applicable state and federal statutes and regulations, including but not limited to the Americans with Disabilities Act. Compliance with the Americans with Disabilities Act, includes, but is not limited to, the following areas:

1. Whatever written information is provided regarding its programs will also be provided in alternate formats, including Braille, large print audio recording, and electronic formats, upon request.
2. Enter into contracts or make other arrangements with qualified sign language and oral interpreters to ensure their availability when required for effective communication with persons who are deaf or hard of hearing. The type of aid that will be required for effective communication will depend on the individual's usual method of communication, and the nature, importance, and duration of the communication at issue. In many circumstances, oral communication supplemented by gestures and visual aids, an exchange of written notes, use of a computer or typewriter, or use of an assistive listening device may be effective. In other circumstances, qualified sign language or oral interpreters are needed to communicate effectively with persons who are deaf or hard of hearing. The more lengthy, complex, and important the communication, the more likely it is that a qualified interpreter will be required for effective communication with a person whose primary means of communication is sign language or speech reading.
3. If CONTRACTOR operates a hotline to take telephone calls of an emergency nature, CONTRACTOR shall ensure that it provides equivalent service for persons who use TTY's including providing direct-connection service for TTY users with hotline operators, without requiring TTY users to call through a third party operator, such as through the state or local Telecommunication Relay procedures, and provide the training necessary to ensure effective communication by Hotline staff with direct-connection

callers using TTY's, as well as the training necessary to respond to callers who use the Telecommunication Relay Services.

4. Survey facilities used as shelters or designated as potential shelters – or for counseling, job training, education, clothing or household provisioning, or other aspects of programs- to ensure that adequate arrangements are available for potential clients and family members with disabilities, including adults and children who have mobility impairments, who are blind or have low vision, and who are deaf or hard of hearing.
5. Have written procedures and modify, as appropriate, eligibility criteria, to ensure that no person with a disability is turned away from a shelter or otherwise denied the opportunity to benefit from the services of CONTRACTOR's program on the basis of disability.
6. Have written procedures to ensure that persons with disabilities who use service animals are not denied or discouraged from participating in CONTRACTOR's program, are able to be housed and served in an integrated environment, and are not separated from their service animals while participating in the program even if pets are normally not permitted in the facilities where such programs are conducted. The procedures will not unnecessarily segregate persons who use service animals from others but may take into account the potential presence of persons who, for safety or health reasons, should not be in contact with certain types of animals.
7. Have written procedures to ensure that reasonable modifications are made to the CONTRACTOR's program when necessary for a client or family member with a disability to participate in such Programs, unless doing so would fundamentally alter the nature of the program.
8. Have written policies to ensure that despite any "drug-free" policy of CONTRACTOR's program, persons with disabilities who use medication prescribed for their use are able to continue using such medication while participating in such Programs or being housed in a shelter.

19. VENUE AND APPLICABLE LAW:

This Agreement shall be construed in accordance with the laws of the State of California. Any dispute arising hereunder or relating to this Agreement shall be litigated in the State of California and venue shall lie in the County of Humboldt unless transferred by court order pursuant to Code of Civil Procedure §§394 and 395.

20. REFERENCE TO LAWS AND RULES:

In the event any law, regulation or policy referred to in this Agreement is amended during the term hereof, the parties agree to comply with the amended provision as of the effective date of such amendment.

21. NONDISCRIMINATION:

- A. Consistent with the requirements of applicable Federal or State law, CONTRACTOR will not engage in any unlawful discriminatory practices in the admission of patients, assignments of accommodations, treatment, evaluation, employment of personnel, or in any other respect on the basis of race, religion or religious creed, color, age (over 40), sex (including gender identity and expression, pregnancy, childbirth and related medical conditions), sexual

This policy does not require the employment of unqualified persons.
- C. CONTRACTOR and its subcontractors will comply with the Disabilities Act of 1990, the Fair Employment and Housing Act (Government Code, Section 12900 et seq.) and the applicable regulations promulgated thereunder (Title 2, CCR, Section 7285 et seq.). CONTRACTOR will ensure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination. The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990, set forth in Chapter 5, Division 4 of Title 2, CCR, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. CONTRACTOR and its subcontractors will give written notice of their obligation under this clause to labor organizations with which they have a collective bargaining or other agreement.
- D. CONTRACTOR will comply with the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, pertaining to the prohibition of discrimination against qualified handicapped persons in all federally assisted programs or activities, as detailed in regulations signed by the Secretary of Health and Welfare Agency, effective June 2, 1977, and found in the Federal Register, Volume 42, No. 86, dated May 4, 1977.
- E. CONTRACTOR will include the nondiscrimination and compliance provisions of this Agreement in all subcontracts to perform work under this Agreement.

22. NO UNLAWFUL USE OR UNLAWFUL USE MESSAGE REGARDING DRUGS:

Any information produced by CONTRACTOR pursuant to this Agreement, and which pertains to drug and alcohol-related programs, shall contain a clearly written statement that there shall be no unlawful use of drugs or alcohol associated with the program. Additionally, no aspect of a drug- or alcohol-related program shall include any message on the responsible use, if the use is unlawful, of drugs or alcohol (Health & Safety Code Sections 11999-11999.3).

23. RECORDS:

- A. CONTRACTOR shall maintain sufficient books, records, documents, and other evidence necessary for the COUNTY and State to audit contract performance and contract compliance. CONTRACTOR shall make these records available to the COUNTY and State, upon request, to evaluate the quality and quantity of services, accessibility and appropriateness of services, and to ensure fiscal accountability. Regardless of the location or ownership of such records, they shall be sufficient to determine the reasonableness, allowableness, and allocation of costs incurred by CONTRACTOR. All records must be capable of verification by qualified

auditors.

B. CONTRACTOR shall maintain statistical, clinical and financial records in the manner provided by the State Department of Alcohol and Drug Programs and make such records available to COUNTY as required by the Humboldt County Alcohol and Drug Administrator, and the California State Department of Alcohol and Drug Programs.

All such records shall be considered confidential patient records in accordance with California Welfare and Institutions Code Section 5328; California Health and Safety Code Section 11845.5; and the Code of Federal Regulations, Title 42-Public Health, Part 2, regarding confidentiality of alcohol and drug abuse patient records. Clinical records shall contain sufficient detail to make possible an evaluation by the Humboldt County Alcohol and Drug Administrator or designee or the State Department of Alcohol Drug Programs, and shall be kept in accordance with the rules and regulations of the California Code of Regulations, Title 22 and Title 9.

#### 24. CONFIDENTIALITY OF RECORDS:

25. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance, or other sufficient proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

A. General Insurance Requirements. Without limiting CONTRACTOR's indemnification obligations provided for herein, CONTRACTOR shall, and shall require that all subcontractors hereunder, take out and maintain, throughout the entire period of this Agreement, and any extended term thereof, the following policies of insurance, placed with insurers authorized to do business in California and with a current A.M. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
2. Automobile/Motor Liability Insurance with a limit of liability not less than One Million Dollars (\$1,000,000) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles. Said coverage shall be at least as broad as Insurance Service Office Form Code 1 (any auto).
3. Workers' Compensation Insurance, as required by the California Labor Code, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY, its agents, officers, officials, employees and volunteers.
4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than One Million Dollars (\$1,000,000) for each occurrence (Three Million Dollars (\$3,000,000) general aggregate). The coverage shall contain no special limitations on the scope of protection afforded to COUNTY, its agents, officers, officials, employees and volunteers.   3. The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the insurer's liability.
  4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
  5. Any failure to comply with the provisions of this Agreement, including breach of warranties, shall not affect coverage provided to COUNTY, its agents, officers, officials, employees and volunteers.
