To the Planning Commission,

I encourage you to take any and all actions that would eliminate or dramatically reduce the number of Short Term Rentals (STR) in Humboldt County. If STRs are permitted, I support the idea of only allowing Home Share STRs.

I feel that STRs reduce the available housing options for county residents. I also think that too many STRs destroy the fabric of the community by eliminating year round residents who have an interest in the community's well-being.

Thank you for your consideration.
