To: Those who control things

Subject: Real World

As one who has worked with, trained, and lead people,  
I have found most in control  
(Most politicians like Humboldt County Supervisors)  
Do not understand some basic things.

## **Good Private Economy Equals More Tax Revenues**

When you are in over your head  
or  
Facing a problem you have never faced before

## **Experience and common sense are golden**

(Unproven legalese, theory, speculation, and protectionism are for the birds)

Charles L. Ciano
