FERNDALE, RIO DELL AND HUMBOLDT COUNTY
AND
ACCESS HUMBOLDT

AGREEMENT

This Agreement is made this 9th day of May, 2014, by and between the Cities of Arcata, Eureka, Blue Lake, Fortuna, Ferndale, Rio Dell and Humboldt County (collectively the "Cities/County"), and Access Humboldt, a California nonprofit corporation, who agree as follows:

RECITALS

1. The Cities/County desire to provide support for the use of public, educational, and governmental ("PEG") access cable channels provided pursuant to federal law.
2. Each of the Cities/County granted an identical franchise to Cebridge Acquisition, L.P. d/b/a Suddenlink ("Cebridge") to operate a cable television system in the Cities/County (each referred to as a "Franchise Agreement," collectively as the "Franchise Agreements").
3. The Franchise Agreements indicate that the Cities/County shall designate a non-profit PEG Access Management Organization ("AMO") to operate and administer the public educational and governmental ("PEG") access channels, facilities, services and programming.
4. The Franchise Agreements provide that certain channel capacity and fiber links shall be provided for PEG access.
5. The Franchise Agreements provide that certain grant payments shall be made by the Franchisee for PEG access equipment, facilities, and services (hereafter "PEG Uses").
6. The Franchise Agreements provide that certain in-kind services shall be provided by the Franchisee to support PEG Uses.

7. The Franchise Agreements will expire in April/May 2014 (varies by City/County) and will be replaced by video service franchises issued by the California Public Utilities Commission pursuant to the Digital Infrastructure and Video Competition Act ("DIVCA") of 2006. Pursuant to DIVCA upon the expiration of the Franchise Agreements, the Cities/County no longer have the authority to grant franchise agreements. The authority to grant Franchise Agreements is provided to the State of California Public Utilities Commission.
8. The Cities/County have codified their rights pursuant to DIVCA in the Cities/County Code. Pursuant to those rights, cable/video service providers granted franchises pursuant to DIVCA must provide certain PEG access channels, funding, and resources to the Cities/County.
9. Through a community based effort that included diverse stakeholders and best practice design, Access Humboldt was formed in 2006 to develop and provide PEG access services and to build sustainable community media and broadband access for Humboldt County and the region. By previous agreement Access Humboldt has provided PEG services since May 9, 2006.
10. The Cities/County have determined that they wish to provide continuing support for PEG access.
11. The Cities/County have designated Access Humboldt as the AMO to operate and manage PEG access and to be the recipient of those PEG access channels, funding, and resources.
12. Access Humboldt has agreed to serve the Cities/County by managing the Community Media Center and providing PEG access programming and services.

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, the parties agree as follows:
