Condition: Parcel Status : 201-322-006 LP 1:1 Severity: Notice  
 Total conditions: 1 (Notice: 1)

Task Environmental Health	Due Date 06/26/2021	Assigned Date
Assigned to Department Environmental Health	Assigned to Joey Whittlesey	Status Approved with Conditions
Action by Department Environmental Health	Action By Joey Whittlesey	Status Date 06/16/2021
Start Time	End Time	Hours Spent 0.0
Billable No	Overtime No	Comments The Cultivation and Operations Plan describes a proposed water well as a source of water supply for the operation. Applicant shall submit a County certified CEQA Environmental Document resulting from the project's Planning review and must explicitly address the well and all environmental impacts associated with its proposed use prior to DEH approval of water well permit.   Processing activities must be supported by an approved onsite wastewater treatment system. Seasonal/outdoor cultivation sites may be supported by portable toilets. Applicant must obtain a permit for, and install, an approved onsite wastewater treatment system to support the processing location and either install approved septic systems or provide portable toilets to cultivation areas.
