SOURCE OF FUNDING:

United States Department of Justice Drug Enforcement Administration
General Fund (Grant Fiscal Year 2021 1100-221931)
General Fund (Grant Fiscal Year 2022 1100-221930)
General Fund (Grant Fiscal Year 2023 1100-221931)

DISCUSSION:

Each year the DEA makes funding available to reimburse agencies for certain expenditures related to

the eradication of black market cannabis in local jurisdictions. Last year HCSO received approval for \$225,000.00 for the period of Oct. 1, 2021 to Sept. 30, 2022. We expect similar amounts awarded in subsequent years.

The funds will be spent for overtime of deputies or officers directly engaged in the black market cannabis eradication process, as well as some direct costs associated with the eradication and/or arrest of controlled substance violators. Examples of direct costs utilized by HCSO in the past include rental of aircraft, fuel for aircraft, and minor repairs and maintenance to support black market cannabis eradication.

FINANCIAL IMPACT:

Funds provided will be used for specified activities directly related to the black market cannabis eradication and controlled substance investigation and arrest. There is no grant match or additional general fund request for this program. Grant income and expenditures for county Fiscal Year 2022-23 were budgeted in 1100-221931 DCE/SP as part of the annual budget submission. HCSO will bring back a supplemental budget if necessary at a later date.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by seeking outside funding sources to benefit Humboldt County needs.

OTHER AGENCY INVOLVEMENT:

United States Department of Justice Drug Enforcement Administration

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could deny the request to sign the Governing Body Resolution for the DCE/SP grant however, this is not recommended as these funds are integral to continuance of the county's black market cannabis control programs. In order to continue these programs without interruption the department would have to seek funding elsewhere or request additional monies from the general fund to cover overtime and other direct costs associated with the eradication program.
