

10/20/22

It is with great regret that I need to resign from my position on the RID board. This is for personal and family reasons. Over the last couple years the course of my life has changed dramatically and as a result my family will be relocating in the near future to Southern California. Between now and then my travel will be extensive limiting my availability to attend and participate in board meetings and related activities. I would like to make this effective Nov 1st but I am willing to do what I can while the board makes this transition. I apologize in advance for any inconvenience to everyone involved.

Respectfully,
