By executing this Agreement, CONTRACTOR certifies that it is not a Nuclear Weapons Contractor, in that CONTRACTOR is not knowingly or intentionally engaged in the research, development, production or testing of nuclear warheads, nuclear weapons systems or nuclear weapons components as defined by the Nuclear-Free Humboldt County Ordinance. CONTRACTOR agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONTRACTOR subsequently becomes a Nuclear Weapons Contractor.

13. **DRUG-FREE WORKPLACE CERTIFICATION:**

By executing this Agreement, CONTRACTOR certifies that it will provide a drug-free workplace in accordance with the requirements of the Drug-Free Workplace Act of 1990 (California Government Code Sections 8350, *et seq.*), by doing all of the following:

- A. **Drug-Free Policy Statement.** Publish, as required by California Government Code Section 8355(a)(1), a Drug-Free Policy Statement which notifies employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited, and specifies the actions to be taken against employees for violations.
- B. **Drug-Free Awareness Program.** Establish, as required by California Government Code Section 8355(a)(2), a Drug-Free Awareness Program which informs employees about:
1. The dangers of drug abuse in the workplace;
 2. CONTRACTOR's policy of maintaining a drug-free workplace;

3. Any available counseling, rehabilitation and employee assistance programs; and
 4. Penalties that may be imposed upon employees for drug abuse violations.
- C. **Drug-Free Employment Agreement.** Ensure, as required by California Government Code Section 8355(a)(3), that every employee who provides services pursuant to the terms and conditions of this Agreement will:
1. Receive a copy of CONTRACTOR's Drug-Free Policy Statement; and
 2. Agree to abide by CONTRACTOR's Drug-Free Policy as a condition of employment.
- D. **Effect of Non-Compliance.** Failure to comply with the requirements set forth herein may result in termination of this Agreement and/or ineligibility for award of future contracts.

14. **INDEMNIFICATION:**

- A. **Hold Harmless, Defense and Indemnification.** CONTRACTOR shall hold harmless, defend and indemnify COUNTY and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages and liabilities of any kind or nature, including, without limitation, attorney's fees and other costs of litigation, arising out of, or in connection with, CONTRACTOR's negligent performance of, or failure to comply with, any of the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of COUNTY.
- B. **Effect of Insurance.** Acceptance of the insurance required by this Agreement shall not relieve CONTRACTOR from liability under this provision. This provision shall apply to all claims for damages related to CONTRACTOR's performance hereunder, regardless of whether any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided hereunder.

15. **INSURANCE REQUIREMENTS:**

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance, or other proof that the following provisions have been complied with, are received by the Humboldt County Risk Manager or a designee thereof.

- A. **General Insurance Requirements.** Without limiting CONTRACTOR's indemnification obligations set forth herein, CONTRACTOR, and its subcontractors hereunder, shall take out and maintain, throughout the entire term of this Agreement, and any extensions thereof, the following policies of insurance, placed with insurers authorized to do business in the State of California with a current A.M. Bests rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of CONTRACTOR or its agents, officers, directors, employees, licensees, invitees, assignees or subcontractors:
1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000.00) per occurrence for any one (1) incident, including, without limitation, personal injury, death and property damage. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.

2. Workers' Compensation Insurance, as required by the California Labor Code, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY and its agents, officers, officials, employees and volunteers.
 4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than Two Million Dollars (\$2,000,000.00) for each occurrence (Four Million Dollars (\$4,000,000.00) general aggregate). Said insurance shall be maintained for the statutory period during which CONTRACTOR may be exposed to liability regarding the services provided pursuant to the terms and conditions of this Agreement. CONTRACTOR shall require that such coverage be incorporated into its professional services agreements with any other entities.
- B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:
1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, and its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by, or on behalf of, CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY or its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:
 - a. Includes contractual liability.
 - b. Does not contain exclusions as to property damage caused by explosion or collapse of structures or underground damage, commonly referred to as "XCU Hazards."
 - c. Is the primary insurance with regard to COUNTY.
 - d. Does not contain a pro-rata, excess only and/or escape clause.
 - e. Contains a cross liability, severability of interest or separation of insureds clause.
 2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice requirements set forth herein. It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 3. The inclusion of more than one (1) insured shall not operate to impair the rights of one (1) insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer's liability.
 4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
 5. Any failure to comply with the terms and conditions of this Agreement shall not affect the

coverage provided to COUNTY or its agents, officers, officials, employees and volunteers.

6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. If CONTRACTOR does not keep all required policies in full force and effect, COUNTY may, in addition to any other available remedies, take out the necessary insurance and deduct the cost of said insurance from the monies owed to CONTRACTOR under this Agreement.
 7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONTRACTOR shall be required to purchase additional coverage to meet the above-referenced aggregate limits.
- C. Insurance Notices. Any and all insurance notices required to be given pursuant to the terms and conditions of this Agreement shall be sent to the addresses set forth below in accordance with the notice requirements contained herein.

24. WAIVER OF DEFAULT:

The waiver by either party of any breach of this Agreement shall not be deemed to be a waiver of any

such breach in the future, or of the breach of any other requirement of this Agreement. In no event shall any payment by COUNTY constitute a waiver of any breach of this Agreement which may then exist on the part of CONTRACTOR. Nor shall such payment impair or prejudice any remedy available to COUNTY with respect to the breach or default. COUNTY shall have the right to demand repayment of, and CONTRACTOR shall promptly refund, any funds which COUNTY determines were not expended in accordance with the terms and conditions of this Agreement.

1. SERVICES:

Jail Based Competency Treatment Program (JBCT)

Subcontractor shall be responsible for the administration of the JBCT program for the provision of restoration of competency treatment services for male and female individuals found by the courts to be Incompetent to Stand Trial (IST) under Penal Code section 1370. CONTRACTOR shall provide restoration of competency treatment services to felony IST Patient Inmates participating in the JBCT program. Prior to admission into the JBCT program CONTRACTOR shall conduct a preliminary evaluation of each potential JBCT inmate with a review of the medical and mental health records of each prospective Patient Inmate.

PROGRAM ELEMENTS

CONTRACTOR shall coordinate with the committing court to ensure all required documents listed under Penal Code section 1370 subdivision (a)(3) are provided by the court for all Patient Inmates upon admission.

Psychological Assessment Protocol

CONTRACTOR shall administer a battery of individualized psychological assessments and testing upon admission. Standardized and semi-structured psychological tests shall be utilized to complete a preliminary assessment of the Patient Inmate's current functioning, likelihood of malingering, and current competency to stand trial. Impediments to trial competency will be ascertained through the use of preliminary assessment instruments, including but not limited to:

- 1) Clinical Interview. The psychologist shall obtain information pertaining to the Patient Inmate's psychosocial, psychiatric, legal history, and barriers to competency. The Mental Status Exam (MSE) shall also be included in the interview.
- 2) Assessment of Malingering (as clinically indicated). Miller Forensic Assessment of Symptoms (MFAST);
- 3) Assessment of Trial Competence. Evaluation of Competency to Stand Trial-Revised (ECST-R), the MacArthur Competence Assessment for Standing Trial for Defendants with Mental Retardation (CAST-MR); and
- 4) Severity of Psychiatric Symptoms. Brief Psychiatric Rating Scale (BPRS).

CONTRACTOR shall complete additional malingering-specific assessments, integrating additional observable data reported by various disciplines on a 24/7 basis if preliminary assessment suggests the presence of malingering. If the screening instruments administered during the preliminary assessment raise suspicion that the primary barrier to trial competency is malingering, the following may also be utilized, including but not limited to:

- 1) Structured Interview of Reported Symptoms- Second Edition (S/RS2);
- 2) Test of Memory Malingering (TOMM)
- 3) Georgia Atypical Presentation (GAP);
- 4) Structured Inventory of Malingered Symptomatology (SIMS); or
- 5) Inventory of Legal Knowledge (ILK).

CONTRACTOR may administer further cognitive assessments based on the specific cognitive deficit identified during the preliminary assessment. If the screening instruments conducted during the preliminary assessment raise suspicion that the primary barrier to trial competency is cognitive deficits, the following may also be utilized, including but not limited to:

- 1) Repeatable Battery for the Assessment of Neuropsychological Status (RBANS).
- 2) Wide Range Achievement Test 4 (WRAT4); or
- 3) Montreal Cognitive Assessment (MoCA).

CONTRACTOR may administer additional instruments assessing personality and neuropsychiatric symptoms to complete further assessment of psychological functioning, including but not limited to:

- 1) Personality Assessment Inventory (PAI) psychological functioning; or
- 2) Minnesota Multiphasic Personality Inventory-2 (MMPI-2).

CONTRACTOR shall conduct follow up assessments of the Patient Inmate's current competency to stand trial at 30-day intervals or more frequently as needed using any of the following, including but not limited to:

- 1) Evaluation of Competency to Stand Trial-Revised (ECST-R)
- 2) Revised Competency Assessment Instrument (R-CAI)
- 3) MacArthur Competency Assessment Tool - Criminal Adjudication (MacCA T-CA); or
- 4) Competence Assessment for Standing Trial for Defendants with Mental Retardation (CAST-MR).

The assessment shall ascertain if trial competence is likely, and medical issues would not pose a barrier to treatment. If bio-psychosocial issues contraindicate fast-track jail treatment, CONTRACTOR shall refer the Patient Inmate to a state hospital for treatment. At the discretion of the DSH Contract Manager, and if requested in writing, CONTRACTOR shall review and agree upon new Patient Inmates being forwarded for admission and/or retention into the JBCT program, which may contraindicate fast-track jail treatment.

Individualized Treatment Program

CONTRACTOR shall identify specific deficits that result in incompetence to stand trial upon admission. Each deficit shall be listed on the individualized treatment plan and will be targeted in the Patient Inmate's treatment. CONTRACTOR shall use current standardized competency assessment tools, such as the MacArthur Competency Assessment Tool, after considering the totality of clinical and forensic circumstances.

CONTRACTOR shall provide an individualized restoration program according to the treatment approach subscribed to by the individual treatment teams and indicated by the Patient Inmate's psychiatric condition, level of functioning, and legal context.

CONTRACTOR shall tailor individualized treatment regimens to the Patient Inmate's specific barrier(s) to trial competency. Deficits identified in the competency assessment upon admission to the JBCT program shall be listed in the individual treatment plan and addressed by specific treatment interventions. CONTRACTOR shall conduct case conferences weekly, or as needed, to re-assess Patient Inmates' progress toward restoration of competence to allow the treatment teams to measure whether their treatment interventions are working and whether additional treatment elements need to be incorporated into Patient Inmates' treatment plans.

Multi-modal, Experiential Competency Restoration Educational Experience and Components

CONTRACTOR shall provide educational materials presented in multiple learning formats by multiple staff to each Patient Inmate, e.g., a simple lecture format may be replaced with learning experiences involving discussion, reading, video, and experiential methods of instruction, such as role-playing or mock trial.

CONTRACTOR shall address the following elements in the education modalities of the competency restoration program, including but not limited to:

- 1) Criminal charges;
- 2) Severity of charges, namely Felony vs. Misdemeanor;
- 3) Sentencing;
- 4) Pleas including, Guilty, Not Guilty, Nolo Contender and Not Guilty by Reason of Insanity;
- 5) Plea bargaining;
- 6) Roles of the courtroom personnel;
- 7) Adversarial nature of trial process;
- 8) Evaluating evidence;
- 9) Court room behavior;
- 10) Assisting counsel in conducting a defense;
- 11) Probation and Parole; and
- 12) Individualized instruction as needed.

CONTRACTOR shall provide additional learning experience through increased lecture time, as well as individual instruction to Patient Inmates who are incompetent due to specific knowledge deficits caused by low intelligence, but who may be restored to competence with additional exposure to the educational material.

Medication Administration and Consent

CONTRACTOR shall obtain proper authorization (e.g., informed consent for treatment, medication issues) from the Patient Inmates as soon as possible in accordance with professional standards of care and court practices.

CONTRACTOR shall provide strategies to promote and incentivize voluntary psychotropic medication compliance.

If involuntary psychotropic medication is not ordered by the court at time of commitment of a Patient Inmate to the JBCT program and the treating psychiatrist determines that psychotropic medication has become medically necessary and appropriate, CONTRACTOR shall request that the court make an order for the administration of involuntary psychotropic medication.

CONTRACTOR shall administer involuntary psychotropic medication when medically necessary and appropriate upon the issuance of the court order.

Suicide Prevention/Adverse Events

CONTRACTOR shall develop a suicide prevention program and assessment procedures that shall include an adverse sentinel event review process. CONTRACTOR shall submit written suicide prevention procedures to the DSH Contract Manager for approval prior to activation of the JBCT program and annually thereafter.

TREATMENT PROTOCOL

JBCT is an intensive, milieu-based treatment program that quickly facilitates competency through a combination of group and individual therapy.

Group therapy is central to the restoration process, and CONTRACTOR shall provide treatment daily to Patient Inmates. Group content should include one of the four group treatment domains: competency education, understanding and management of mental illness, physical exercise, and mental/social stimulation. Many group topics can be assimilated into the groupings, e.g., mock trial, music-based competency treatment, etc.

CONTRACTOR shall provide individual sessions per day to each Patient Inmate. Individual sessions may be useful to check-in with Patient Inmates and/or discuss key legal elements of the individual's case that may be too sensitive for group discussion. Specific competency issues can best be addressed individually, e.g., a Patient Inmate understands court proceedings but struggles to apply the knowledge to their individual case.

CONTRACTOR's psychiatrist shall see each Patient Inmate weekly. A psychiatric assessment is a component of the admission process, and more frequent appointments shall be available as needed.

Together on a weekly basis, the multi-disciplinary treatment team shall review:

- 1) Progress of all Patient Inmates admitted within 30 days,
- 2) At subsequent 14-day intervals thereafter, and
- 3) When a Patient Inmate is under consideration for discharge. The multi-disciplinary treatment team shall be responsible for providing the committing court progress reports pursuant to Penal Code section 1370 subdivision (b)(1).

2. DELIVERABLES:

CONTRACTOR shall complete and submit data utilizing the DSH provided standardized data collection template to the DSH on a weekly basis with a deadline to be determined by the DSH.

CONTRACTOR shall submit daily census reports to the DSH upon the first Patient Inmate admission, unless otherwise instructed by the DSH.

CONTRACTOR shall submit a summary performance report within 30 days of the end of the DSH contract term, to include but not be limited to, the information stated above and:

- 1) The total number of individuals restored to competency;
- 2) The average number of days between program admission and discharge;
- 3) The cost per cycle of treatment;
- 4) A description of all implementation challenges; and
- 5) Special incident reports and notification to the DSH of emergencies.

CONTRACTOR shall submit one (1) hard copy and one (1) electronic copy of any and all reports required hereunder in a format that complies with the Americans with Disabilities Act and any other applicable accessibility laws, regulations and standards. Any and all reports required hereunder shall be submitted in accordance with any and all applicable timeframes using the format required by the State of California as appropriate.
