RE: Appointment of Member to Great Redwood Authority Agency (GRTA) Board

Supervisors:

It is our understanding that at today's meeting the Board will be considering the appointment of a member of the Humboldt County Board Supervisors to the GRTA Board. This role is currently filled by Supervisor Madrone, who has announced that he is not seeking reelection.

The Buckeye has been working with Supervisor Madrone regarding our concerns of potential impacts from trail construction and use on the environment, landowners, and cultural resources. We have appreciated his willingness to meet with our members and facilitating communications with the GRTA staff.

We respectfully request the Board appoint of either Supervisor Bohn or Bushnell to the GRTA Board. The two supervisorial districts represented by these Board members include nearly the entire route of the proposed Great Redwood Trail in Humboldt County. They therefore have the greatest number of constituents that may be impacted the trail construction and use.

Thank you for your consideration,

Gary C. Rynearson, Chair
