Hello-

The Department of Public Works has received a request to install a speed hump on Hiller Road (in McKinleyville) near the Hammond Trail crossing. The Department has identified this a priority route for emergency services.

Please indicate your agencies support or objection to the proposed speed hump.

Also, if emails should be directed to a different address, please let me know.

Thank you.

Dear Mr. Bronkall:

I have received a faxed request from the Public Works Department requesting whether or not the California Highway Patrol would support or object installation of speed humps on Hiller Road, near the Hammond Trail crossing in McKinleyville.

We are dedicated to the community of McKinleyville and traffic safety is always of paramount concern for the California Highway Patrol. We are supportive of projects in the community which promote safety. If you have any questions regarding this letter, please contact Sergeant Mike Campbell, of this command.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. L. Barr".
