2019 Housing Element

Welcome to Humboldt County's Housing Element Update page. It is intended to inform people about current and future housing in the unincorporated parts of the county.

What is it?

The state requires cities and counties to have Housing Elements as part of their general plans identifies existing and projected housing needs and establishes goals, policies, standards and the preservation, improvement, and development of housing in the unincorporated areas of the Housing Element was last updated in 2014. The planning horizon for this Element extends to August 15, 2019 per state requirements.

What is the Update Schedule?

Because California requires that Housing Elements be certified for compliance by the California Community Development (HCD) the County's process will follow this schedule.
