SUBJECT: Resignation

Board of Supervisors,

I would like to first thank you the experience of serving as a Human Rights Commissioner. I learned a lot in the past years, but nothing more than that the Board of Supervisors are very disconnected from this commission.

I had some other issues such as not being able to even get through one agenda. The communication has been very trying on me and I usually leave feeling like we never really accomplish anything or frustrated.

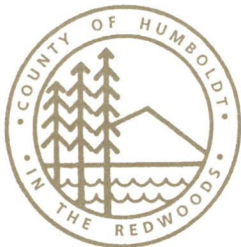

It has been a pleasure serving with most of you on the commission; however I do not believe I could respectfully continue under the current structure. I have never been very good at just writing letters to create change, with most of them being ignored by the supervisors that were supposed to count on our commission to be their EYES and EARS in issues of Human Rights.

I will continue on working on this issue of poverty and homelessness and hope to be able to come to your commission in the future to create real change.

Thank you,
John R. Shelter
