2.0 **INTRODUCTION:**

2.1 **Statement of Purpose:**

The County of Humboldt (“County”), by and through its Department of Health and Human Services, is issuing this Request for Proposals (“RFP”) to solicit Proposals from qualified community organizations interested in working collaboratively with the County to implement various service-based and/or capital improvement projects as part of the Homeless Housing, Assistance and Prevention Program (“HHAP”). This RFP is a non-binding solicitation and may be canceled by the County at any time.

2.2 **Program Objectives and Local Funding Priorities:**

On November 13, 2020, the California Homeless Coordinating and Financing Council (“HCFC”) announced the availability of an additional Three Hundred Million Dollars (\$300,000,000.00) in noncompetitive block grant funds for HHAP to assist individuals and families experiencing homelessness, as defined by Section 50216(h) of the California Health and Safety Code and Section 578.3 of Title 24 of the Code of Federal Regulations (“C.F.R.”), and homeless youth, as defined by Section 50216(k) of the California Health and Safety Code and Section 11434a(2) of the United States Code, (“Target Population”).

The HHAP program is designed to support regional coordination and expand or develop local capacity to address immediate homelessness challenges throughout the state, and requires grantees to expend funds on evidence-based solutions that address and prevent homelessness. As a result, HHAP funds may be used for a variety of purposes, including, without limitation: rental assistance, housing relocation and stabilization, outreach, coordination, homelessness prevention and shelter diversion services that are designed to provide access to permanent housing and promote housing stability in supportive housing; operating subsidies in new and existing affordable or supportive housing units, emergency shelters and navigation centers; security deposits, holding fees and other landlord incentives. HHAP funding may also be used to fund the implementation of capital improvement projects, including, without limitation, conversion of hotels or motels to permanent housing and construction of new navigation centers and emergency shelters based on demonstrated jurisdictional need.

The County’s allocation under the current HHAP formula is One Million Seven Hundred Ninety-Seven Thousand Eight Hundred Dollars (\$1,797,800.00). In accordance with the applicable HHAP requirements, the County has identified priorities for the expenditure of HHAP funding, including, without limitation: projects that are designed to provide rental assistance, housing relocation and stabilization, outreach, coordination, homelessness prevention and/or shelter diversion services that

will allow members of the Target Population to access affordable permanent housing; and projects that are designed construct, acquire or rehabilitate structures intended to serve members of the Target Population.

2.3 Overview of Selection Process:

At the conclusion of the evaluation, review, selection, contract development and approval processes set forth in this RFP, the professional services, construction, acquisition and other agreements related to the implementation of HHAP projects (“HHAP Agreements”) will be awarded to each Successful Proposer. It should be noted that HHAP funds will be offered on a one-time basis and may be used to fund proposed projects in whole or in part. In addition, it is possible that Proposals for more projects than the County will be able to fund through the expenditure of HHAP funding will be submitted. Therefore, it is critical that Proposers submit only viable projects that are fully intended to be brought to completion.

HUMBOLDT COUNTY HOUSING FIRST PRINCIPLES**

1. Participants are moved into permanent housing as quickly as possible, with no service or program readiness requirements.
2. The project's rules are limited to participant safety, and do not try to change or control participants or their behaviors.
3. The project uses a trauma-informed approach.
4. The project does not require detox treatment and/or days of sobriety to enter.

8. The project accepts all participants regardless of sexual orientation or gender identification and follows all fair housing laws.
9. The project does not exclude participants with zero income and/or limited to no work history.
10. If the project is short-term or time-limited, the services provided to enrolled participants should be focused primarily upon securing permanent housing and enhancing housing stability upon exit, as opposed to building "housing readiness," attaining sobriety, or adherence to treatment.
11. The project does not terminate program participants for any of the above listed reasons. The project also does not terminate participants for:
 - a. Low or no income;
 - b. Current or past substance use;
 - c. History of domestic violence;
 - d. Failure to participate in supportive services;
 - e. Failure to make progress on a service plan; and
 - f. Criminal records, with the exceptions of restrictions imposed by federal, state or local law or ordinance.
12. If the project entails housing placement and/or housing stability services, program staff treat eviction and/or termination of housing as a last resort. Before termination/eviction, staff should engage as many other alternative strategies as are applicable and reasonable, including, without limitation:
 - a. Conflict resolution;
 - b. Landlord mediation;
 - c. Support with rental/utility arrears;

- d. Tenancy skills building; and
- e. Relocation.
