

Agriculture, Environment, and Natural Resources

The Agriculture, Environment, and Natural Resources (AENR) Policy Committee is responsible for the review of state and federal legislative proposals, state budget items, regulatory issues, and ballot measures relating to the environment and California's natural resources. The committee's wide range of policy issues includes agriculture, air quality, cannabis, water, forestry, mining, endangered species, disasters, energy, parks and recreation, public lands, coastal resources, fish and game, solid waste, and hazardous waste.
